It is the first book to summarize this extensive work from historical and technical perspectives. It explores the unique principles and challenges in the design of high-speed marine craft. This volume explores different hull form concepts, requiring an understanding of the four forces affecting the lift and the drag of the craft. Hershel and the Hanukkah Goblins Eric A. Kimmel, 2014-06-01 The classic Hanukkah tale, shared by families all around the world-- now available in a beautiful anniversary edition. A Caldecott Honor book. A gift edition of this title is also available, featuring a slipcase and fold-out poster. (ISBN: 9780823452552) An original tale featuring a traditional Jewish folk hero, this clever story, which received a Sydney Taylor Honor, has been a family favorite for decades! On the first night of Hanukkah, a weary traveler named Hershel of Ostropol eagerly approaches a village, where plenty of latkes and merriment should warm him. But when he arrives not a single candle is lit. A band of frightful goblins has taken over the synagogue, and the villagers cannot celebrate at all! Hershel vows to help them. Using his wits, the clever trickster faces down one goblin after the next, night after night. But can one man alone save Hanukkah and live to tell the tale? Trina Schart Hyman's leering goblins are equal parts terrifying and ridiculous as they match wits with Hershel, trying to keep him from lighting the menorah and celebrating Hanukkah. This beautiful 25th Anniversary Edition includes an insightful afterword from the author and publisher explaining the book's origins, and remembering Trina Schart Hyman, the illustrator who brought the tale to life. This classic picture book is a perfect Hanukkah gift and a wonderful read-aloud. For more tales of this clever folk hero, read *The Adventures of Hershel of Ostropol*— another collaboration between master storyteller Eric A. Kimmel and Trina Schart Hyman. By the Side of the Road Marla Bernard, 2022-09-27 The true crime story of the kidnapping, rape, and murder of a Missouri teen and her family's journey to justice. In the early hours of March 22, 1989, two friends—career criminals with violent felony convictions—drove around the eastern Kansas City area in a stolen car committing a series of crimes. The weather was mild for late March in Kansas City; the sky was clear, and there was the pale remnant of a Full Moon that bore the dubious name of Death Moon, the last full moon of winter. A little before 7 a.m., fifteen-year-old Ann Harrison walked to the end of her driveway on Kansas City's east side to wait for the bus to take her to Raytown South High School. Ten minutes later, she disappeared but no one saw what happened. As if waiting for her return, her belongings were still stacked carefully by the side of the road. *By the Side of the Road* is the true crime story of the kidnapping, rape, and murder of Ann Harrison and the long journey forced upon her family who had to wait nearly three decades to see her killers brought to final justice.
