There Are More Beautiful Things Than Beyonce Morgan Parker,2017-02-14 A TIME Magazine Best Paperback of 2017 One of Oprah Magazine's Ten Best Books of 2017 This singular poetry collection is a dynamic meditation on the experience of, and societal narratives surrounding, contemporary black womanhood. . . . These exquisite poems defy categorization. —The New Yorker The only thing more beautiful than Beyoncé is God, and God is a black woman sipping rosé and drawing a lavender bath, texting her mom, belly-laughing in the therapist's office, feeling unloved, being on display, daring to survive. Morgan Parker stands at the intersections of vulnerability and performance, of desire and disgust, of tragedy and excellence. Unrelentingly feminist, tender, ruthless, and sequined, these poems are an altar to the complexities of black American womanhood in an age of non-indictments and déjà vu, and a time of wars over bodies and power. These poems celebrate and mourn. They are a chorus chanting: You're gonna give us the love we need.

Do Design Alan Moore, 2016-05-10 So much goes unnoticed. We multi-task, switch between screens, work faster. When was the last time you paused to consider a beautifully made object or stunning natural landscape? Yet this is when our spirits lift, our soul is restored. Designer Alan Moore invites us to rethink not only what we produce - whether it's a website, a handmade chair, or a business - but how and why. With examples including Pixar, Apple, and Blitz Motorcycles, we are encouraged to ask: Is it useful and considered. Is it a thing of beauty? Do Design will inspire you to: • Improve your creative process • Raise the quality and craft of your work • Consider the experience as much as the product • Adopt simplicity, utility and honesty as guiding principles We are creative beings. We love to make things. This book will inspire you to create better things, for better reasons. Things that people will love - for a long time to come. Some say beauty is a luxury. But what if it is key to creating a better world for us all?

The Beautiful Ones Prince, 2019-10-29 #1 NEW YORK TIMES BESTSELLER • The brilliant coming-of-age-and-into-superstardom story of one of the greatest artists of all time, in his own words—featuring never-before-seen photos, original scrapbooks and lyric sheets, and the exquisite memoir he began writing before his tragic death NAMED ONE OF THE BEST MUSIC BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW AND ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND THE GUARDIAN • NOMINATED FOR THE NAACP IMAGE AWARD Prince was a musical genius, one of the most beloved, accomplished, and acclaimed musicians of our time. He was a startlingly original visionary with an imagination deep enough to whip up whole worlds, from the sexy, gritty funk paradise of “Uptown” to the mythical landscape of Purple Rain to the psychedelia of “Paisley Park.” But his most ambitious creative act was turning Prince Rogers Nelson, born in Minnesota, into Prince, one of the greatest pop stars of any era. The Beautiful Ones is the story of how Prince became Prince—a first-person account of a kid absorbing the world around him and then creating a persona, an artistic vision, and a life, before the hits and fame that would come to define him. The book is told in four parts. The first is the memoir Prince was writing before his tragic death, pages that bring us into his childhood world through his own lyrical prose. The second part takes us through Prince’s early years as a musician, before his first album was released, via an evocative scrapbook of writing and photos. The third section shows us Prince’s evolution through candid images that go up to the cusp of his greatest achievement, which we see in the book’s fourth section: his original handwritten treatment for Purple Rain—the final stage in Prince’s self-creation, where he retells the autobiography of the first three parts as a heroic journey. The book is framed by editor Dan Piepenbring’s riveting and moving introduction about his profound collaboration with Prince in his final months—a time when Prince was thinking deeply about how to reveal more of himself and his ideas to the world, while retaining the mystery and mystique he’d so carefully cultivated—and annotations that provide context to the

book's images. This work is not just a tribute to an icon, but an original and energizing literary work in its own right, full of Prince's ideas and vision, his voice and image—his undying gift to the world.

As the daughter of a drug dealer, Wavy knows not to trust people, not even her own parents. It's safer to keep her mouth shut and stay out of sight. Struggling to raise her little brother, Donal, eight-year-old Wavy is the only responsible adult around. Obsessed with the constellations, she finds peace in the starry night sky above the fields behind her house, until one night her star gazing causes an accident. After witnessing his motorcycle wreck, she forms an unusual friendship with one of her father's thugs, Kellen, a tattooed ex-con with a heart of gold. By the time Wavy is a teenager, her relationship with Kellen is the only tender thing in a brutal world of addicts and debauchery. When tragedy rips Wavy's family apart, a well-meaning aunt steps in, and what is beautiful to Wavy looks ugly under the scrutiny of the outside world. A powerful novel you won't soon forget, Bryn Greenwood's All the Ugly and Wonderful Things challenges all we know and believe about love. 31 Books Bringing the Heat this Summer —Bustle Top Ten Hottest Reads of 2016 —New York Daily News Best Books of 2016 —St. Louis Post Dispatch

The Most Beautiful Thing I've Seen Lisa Gungor,2018-06-26 Lisa Gungor thought she knew her own story: small-town girl meets boy in college and they blissfully walk down the aisle into happily ever after. Their Christian faith was their lens and foundation for everything—their marriage, their music, their dreams for the future. But as their dreams began to come true, she began to wonder if her religion was really representative of the 'good news' she had been taught. She never expected the questions to lead as far as they did when her husband told her he no longer believed in God. The death of a friend, the unraveling of relationships and career, the loss of a worldview, and the birth of a baby girl with two heart defects all led Lisa to a tumultuous place; one of depression and despair. And it was there that her perspective on everything changed. The Most Beautiful Thing I've Seen tells the story of what can happen when you dare to let go of what you think to be true; to shift the kaleidoscope and see new colors and dimension by way of broken pieces. Lisa's eloquent, soul-stirring memoir brings you to a music stage before thousands of fans and a front porch where two people whisper words that scare them to the core. It is the story of how doubt can spark the beginning of deeper faith; how a baby born with a broken heart can bring love and healing to the hearts of many, and ultimately, how the hardest experience in life often ends up saving us.

Beautiful Things Happen When a Woman Trusts God Sheila Walsh,2010-02-15 Do you ever question God's ability to catch you when you fall? Do shame, fear, and brokenness keep you from fully trusting God? Do you secretly believe your dreams are unreachable? Do you secretly believe your dreams are unreachable? You are not alone. This is a book about trust.

How we fight it. How we learn to do it. How it transforms us. Life is not safe. That reality slips over us as we grow. Our response to the Father in that reality allows us either to swing higher and higher with the trust of a child . . . or fearfully shrink back from the swing set altogether. As we weigh that choice, God whispers: Trust me. In a remarkably transparent account, author and speaker Sheila Walsh opens wide her lifelong battle with trust and the moment-by-moment choices she made to follow where God led. Sheila has lived a life ruled by the “hidden places” of insecurity and brokenness and knows the overwhelming beauty of a life wholly handed over to Christ. As you encounter her struggles and triumphs, you also meet ten of the Bible’s transformed—Tabitha, David, Paul, and others—who teach us that in spite of overwhelming circumstances, just one trusting encounter with Christ sets beautiful things in motion. It can resurrect dreams, instill purpose, and ignite hope.

Something Beautiful for God Malcolm Muggeridge,1986-10-01 No woman alive today has inspired so many with her simplicity of faith and compassion so all-encompassing. As she daily embraces the least of the least in her arms, Mother Theresa challenges the whole world to greater acts of service and understanding in the name of love. First published in 1971, this classic work introduced Mother Theresa to the Western World. As timely now as it was then, *Something Beautiful for God* interprets her life through the eyes of a modern-day skeptic who became literally transformed within her presence, describing her as a light which could never be extinguished.

All Beautiful Things Nicki Salcedo, 2014-01-02 The scars. She'll never forgive her attacker. Seven years ago, a knife-wielding stranger left socialite Ava Camden for dead on the sidewalk of an upscale Atlanta restaurant. She survived, but her face was brutally scarred. The police, the courts, and the powerful Camden family pinned the assault on only one suspect: Joel Sapphire, a twenty-year-old star athlete on the cusp of a pro football career. Too drunk to remember any details, Joel was found over Ava's body, holding the bloody weapon. The letters. His brother is her only hope for the truth. Graham Sapphire grew up fighting on the city's tough southside, and he'll never let the Camdens crush his family. Now a wealthy hotelier, he's determined to clear his brother's name--and to find the monster responsible for Ava's scars. Graham started writing to Ava the day his brother entered prison, asking her to give him a chance and offering his help. She never answered--but she never stopped reading. The secrets. The truth may destroy them both. Now Joel has been paroled, only to vanish before Graham can reach him. Is he lurking in the shadows or on the run from death threats? Ava is the lure that will bring him back, but she's not alone in the fight. Graham will give his life--and even his brother's--to protect her. The bond between them is hot, tender, and almost as dangerous as the hunter who waits in the shadows of the city's darkest streets. Nicki Salcedo is a graduate of Stanford University with a degree in English and Creative Writing. She is a two-time recipient of the Maggie Award of Excellence and a Golden Heart Finalist. She lives in Atlanta, Georgia, with her husband and four kids.
