**Ever After Always** Chloe Liese, 2021-01-12 A marriage-in-crisis rekindles its passion in this second chance romance about going the distance to make love last. Freya Bergman has spent a dozen years loving Aiden and never thought they’d find their marriage on the rocks. He’s her partner and best friend, the person she knows she can count on most. Until one day Freya realizes the man she married is nowhere to be found. Now Aiden is quiet and withdrawn, and as the months wear on, the growing distance between them becomes too much to bear. Aiden would spend a dozen lifetimes making his wife happy. But the one thing that will make her happiest is the one thing he’s not sure he can give her: a baby. With the pressure of providing and planning for a family, his anxiety is at an all-time high. They’re drifting apart and he doesn’t know how to change the tide. As if weathering marriage counseling wasn’t enough, Freya and Aiden are thrown together for a Bergman family island getaway. Will this trip help them finally work through their trouble in paradise, or be the final wave that tows them under?
