Happily Ever After Trista Sutter,2013-11-26 Trista Rehn was a pediatric physical therapist moonlighting as a Miami Heat dancer when she heard about casting for a new reality show—one guy getting to know twenty-five girls in the hope of finding a fiancée. As improbable and crazy as it sounded, Trista took the chance—and had her heart broken on the very first season of *The Bachelor*. But the next season, as the first Bachelorette, her fairy tale fell into place during a whirlwind courtship with poetry-writing firefighter Ryan Sutter and, eventually, a dream-come-true wedding on national TV. In the midst of building a life with Ryan and raising two kids, Trista started to make a conscious effort to remember her favorite part of each day. And she's made sure to post these thoughts, her own personal expressions of gratitude, almost every night on Twitter and Facebook—even on days she was dealing with fertility issues, a difficult pregnancy, family deaths, and other challenges that many of us face. Sometimes it's the smallest gestures and the most unassuming things that can have the greatest effects. Trista is often asked her secret to being one of the rare reality-TV relationships to make it to the altar and beyond. In this heartfelt book, she shares the simple yet profound keys to finding everyday happiness: gratitude and grace. From the blink-and-you'll-miss-them moments we have with our kids, our spouses, our pets, or even strangers, to the more obvious lessons we pick up from reading the news or hearing an inspirational story, knowing how to recognize, accept, and be grateful for all of our daily blessings is truly what “happily ever after” means.

Surfing for God Michael John Cusick, 2012 Every man who knocks on the door of a brothel is knocking for God. - G. K. Chesterton What if lust for porn is really a search for true passion? In a world where there are 68 million searches for pornography every day and where over 70 percent of Christian men report viewing porn in the last year, it's no surprise that more and more men struggle with an addiction to this false fantasy. Common wisdom says if they just had more willpower or more faith, their fight would be over. Is the answer really that simple? According to the counselor and ministry leader Michael John Cusick, the answer is no--but the big truth may be much more freeing. Backed by scripture, Cusick uses examples from his own life and from his twenty years of counseling experience to show us how the pursuit of empty pleasure is really a search for our heart's deepest desire--and the real key to resistance is discovering and embracing the joy we truly want. Cusick's insights help readers understand how porn struggles begin, what to do to prevent them, and most importantly, how to overcome the compulsion once it begins. In the end, this powerful book shows us all how the barrier built by porn addiction can become a bridge to abundant life.

The Thankful Heart Richard Eyre, Linda Eyre, 2014-10-16 We all know that an attitude of gratitude helps each day be a little better. When times are difficult and challenges abound, having a thankful heart is the catalyst for the abundant life. The Thankful Heart, by well known family authors Richard and Linda Eyre, is a book to keep or a book to give, filled with messages of gratitude and inspiring images for even the most difficult day. In this beautifully illustrated book, we find the opportunity to consciously and deliberately develop our own skill to feel gratitude more deeply, and give it more freely. And we are challenged to turn the passive holiday noun "Thanksgiving" into the active, year-long verb "Thanks-Giving." New York Times #1 bestselling authors Richard and Linda Eyre like to think of each November-December Holiday Season as another chapter in their exploration of Thanks-Giving. Early in their marriage, tired of the commercialism and conformity of Christmas cards, they began sending out a Thanksgiving Poem each year to friends and family. As the years rolled by, their life was increasingly defined by those three words—Family, Friends, and Thanks-giving. Through their poetry and the photos

taken by family members, we go with the Eyres on their journey through various phases and perspectives of the transforming emotion of gratitude, and in the book's final section, they share each of their Thanksgiving cards from the last forty-three years.
