Madapple Christina Meldrum, 2008-05-13 THE SECRETS OF the past meet the shocks of the present. Aslaug is an unusual young woman. Her mother has brought her up in near isolation, teaching her about plants and nature and language—but not about life. Especially not how she came to have her own life, and who her father might be. When Aslaug's mother dies unexpectedly, everything changes. For Aslaug is a suspect in her mother's death. And the more her story unravels, the more questions unfold. About the nature of Aslaug's birth. About what she should do next. About whether divine miracles have truly happened. And whether, when all other explanations are impossible, they might still happen this very day. Addictive, thought-provoking, and shocking, Madapple is a page-turning exploration of human nature and divine intervention—and of the darkest corners of the human soul.
