Happily Ever After Trista Sutter, 2013-11-26 Trista Rehn was a pediatric physical therapist moonlighting as a Miami Heat dancer when she heard about casting for a new reality show—one guy getting to know twenty-five girls in the hope of finding a fiancée. As improbable and crazy as it sounded, Trista took the chance—and had her heart broken on the very first season of *The Bachelor*. But the next season, as the first Bachelorette, her fairy tale fell into place during a whirlwind courtship with poetry-writing firefighter Ryan Sutter and, eventually, a dream-come-true wedding on national TV. In the midst of building a life with Ryan and raising two kids, Trista started to make a conscious effort to remember her favorite part of each day. And she's made sure to post these thoughts, her own personal expressions of gratitude, almost every night on Twitter and Facebook—even on days she was dealing with fertility issues, a difficult pregnancy, family deaths, and other challenges that many of us face. Sometimes it's the smallest gestures and the most unassuming things that can have the greatest effects. Trista is often asked her secret to being one of the rare reality-TV relationships to make it to the altar and beyond. In this heartfelt book, she shares the simple yet profound keys to finding everyday happiness: gratitude and grace. From the blink-

and-you'll-miss-them moments we have with our kids, our spouses, our pets, or even strangers, to the more obvious lessons we pick up from reading the news or hearing an inspirational story, knowing how to recognize, accept, and be grateful for all of our daily blessings is truly what "happily ever after" means.

The Wonders of Gratitude Kwaku S. Darkwa,2018-08 We are all blessed to different degrees in life. There are countless numbers of people praying earnestly for the things we take for granted daily. It is important to realise that the most valuable things in life are given to us freely, and many of us fail to appreciate and be thankful for these. Ingratitude for 'little' things locks up our 'big' blessings and deprives us of the power to live fully and enjoy the present. As we develop a heart of gratitude, the spiritual dimensions of life will truly open up to us. The wonders of gratitude open our eyes to the myriad of blessings that having a thankful heart will bring our way. It helps us appreciate the 'little' we have today and

positions to receive all that tomorrow will bring to us.

Becoming God's True Woman Mary A Kassian,Susan Hunt,2012-09-01 Have you ever wondered why God made both male and female? Have you thought about His purpose for you as a female? Have you considered the fact that God has intentionally planned everything about your life? Then join Bible teachers Susan Hunt and Mary A. Kassian in this 35-day devotional, digging deep into God's Word, hearing what He says about your womanhood, and learning how to live as a true woman day by day. Each day begins with a short devotion and then a 'Time For You' section—a time for you to read, think, and pray about living for God's glory. Interspersed throughout are personal stories and thoughts from girls like you: What you spend your time with and allow your mind to dwell on will be displayed in your life. Girls need to realize that they should only spend their time enjoying the words, sounds, and images they want to become. (Allison, age 17) The media encourages girls to be loud and bossy. The Joseph Principles Steven K. Scott,2022-08-16 Has life gone the way you thought it would go? Have your senses of safety, security, and confidence been replaced with fear, doubt, anxiety, and even depression and despair? By following the biblical example of Joseph and the teachings of Jesus, learn to turn your hurt and trials into a springboard for a more tangible and intimate relationship with God. In 2016, a year after releasing his book Jesus Speaks, bestselling author Steven K. Scott's mentor and dearest friend, Gary Smalley, fell asleep in his bed and woke up in heaven. Steven had lost not only his best friend of forty-three years but also his most enthusiastic encourager. Brokenhearted, he lost his passion to write. In 2020, Steven was hospitalized, wondering if he'd survive COVID, and the Holy Spirit let him know, in no uncertain terms, that it was time to break free from past hurts and disappointments, start living in the present, and do what God had called him to do. Inspired, Steven began studying the life of Joseph, a biblical figure who suffered trauma after trauma but used his suffering as a tool. With so many people living in a world of hurt and uncertainty, The Joseph Principles gives you what you need to heal your hurts and successfully navigate through current trials and future adversities. By following examples from Joseph's life and the corresponding teachings of Jesus, begin confronting your deepest hurts and find freedom, using your past trauma as a springboard to a closer relationship with God. Through The Joseph Principles, you will: Discover a clear pathway to the joyful and abundant life that Jesus makes available to his followers Find amazing hidden treasures that can truly change the course of your life Experience God in the "miracle of the moment" by not dwelling on the past or jumping to the future Be empowered to forgive even when you don't want to--even the worst of your offenders Discover God's love language to become more intimately connected with the Father, the Son, and the Holy Spirit Bring miracles of God's love, mercy, compassion, wisdom, and righteousness into every aspect of life In The Joseph Principles, you'll discover specific steps to provide a clear pathway to the joyful and abundant life that Jesus provides for believers.

Ten Made Whole: Gratefulness from One Leper Ahmed Musa ,2024-12-14 Ten lepers stood at the edge of a village, desperate for healing, burdened by isolation, and longing for restoration. They called out to Jesus, pleading for mercy. With just a word, Jesus healed them, and their lives were forever changed. But only one returned to give thanks. Ten Made Whole: Gratefulness from One Leper is a powerful exploration of this story, where Jesus not only performed a physical healing but also revealed profound spiritual truths about gratitude, faith, and the completeness of God's restoration. In Ten Made Whole: Gratefulness from One Leper, you will discover: □ The heartbreaking condition of leprosy—how it separated individuals from society and family, making the healing miracle all the more powerful and transformative. □ The moment when the ten lepers called out to Jesus for mercy, showing the raw vulnerability of those who recognized their desperate need for healing and restoration. □ The miraculous act of healing that Jesus performed—how He didn't just cleanse them of leprosy, but offered them an opportunity for spiritual wholeness. □ The divided response: while all ten were healed, only one returned to Jesus to give thanks, and in doing so, received not just physical healing, but a deeper spiritual wholeness. □ Jesus' powerful question: "Were not all ten cleansed? Where are the other nine?" How the response of the one grateful leper demonstrated the heart of true faith and the importance of acknowledging God's work in our lives. □ The profound lesson that gratitude is essential to spiritual wholeness—how it reflects a heart of humility, worship, and understanding that every good gift comes from God. The healing of the ten lepers teaches us a vital lesson: Gratitude is not just a response to blessings; it is a vital part of our spiritual journey. The one leper who returned showed us that wholeness is more than physical healing—it's about a heart that is thankful, humble, and willing to turn back to God in worship. In our own lives, how often do we receive God's blessings without fully acknowledging His grace? How much of our wholeness depends on our response of thankfulness? What does the story of the ten lepers teach us about the importance of gratitude in our walk with God? How can we cultivate a heart of thankfulness that leads to true spiritual wholeness? □ Ten Made Whole shows us that gratitude is the gateway to deeper spiritual healing and wholeness. A thankful heart opens the door to greater intimacy with God and more profound experiences of His grace. □ Step into Ten Made Whole: Gratefulness from One Leper and be reminded that true healing is not just physical—it is spiritual, and it begins with a heart that acknowledges the goodness and mercy of God. When we return to God in gratitude, we experience the fullness of His restoration
