Art Workshop for Children Barbara Rucci, Betsy McKenna, 2016-11-01 Art Workshop for Children is not just another book of straightforward art projects. The book's unique child-led approach provides a framework for cultivating creative thinking and encourages the wonder that comes when children are allowed to freely explore the creative process and their materials. As children work through these open-ended workshops, adults are guided on how to be facilitators who provide questions, encourage deep thinking, and help spark an excitement for discovery. Children explore basic materials and workshops that use minimal supplies, and then gradually add new materials to fill the art cabinets as well as new skills and more complex workshops. Most workshops are suitable to preschool-aged children, and each contains ideas for explorations and new twists to engage older or more experienced artists. Interspersed throughout are sidebar essays that introduce perspectives on mess-making, imperfection, the role of adult, collaborative art, and thoughts on the Reggio Emilia method, a self-guided teaching philosophy. These pieces underscore the value of art-making with children, and support the parent/teacher/care-giver on how to successfully lead, question, and navigate their children through the workshops to result in the fullest experiences.

Candle and Crib Katherine Frances Purdon,2019-12-20 'Candle and Crib' is a novel authored by Katherine Frances Purdon. The story begins at Moloney's of the Crooked Boreen, which is the name of a small residence in Ardenoo. The walls were made of mud and were thick and white-washed, which made the kitchen especially bright in the evening. The owners, Big Michael and his wife, were known for their cleanliness and love for a blazing hearth, which was a sign of good housekeeping and warmth for both the body and the heart.

The Art of Movies Nicolae Sfetcu,2014-05-06 Movie is considered to be an important art form; films entertain, educate, enlighten and inspire audiences. Film is a term that encompasses motion pictures as individual projects, as well as — in metonymy — the field in general. The origin of the name comes from the fact that photographic film (also called filmstock) has historically been the primary medium for recording and displaying motion pictures. Many other terms exist — motion pictures (or just pictures or picture), the silver screen, photoplays, the cinema, picture shows, flicks — and commonly movies.

Straight Life Art Pepper, Laurie Pepper, 2024-09-17 Art Pepper (1925-1982) was called the greatest alto saxophonist of the post-Charlie Parker generation. But his autobiography, *Straight Life*, is much more than a jazz book--it is one of the most explosive, yet one of the most lyrical, of all autobiographies. This edition is updated with an extensive afterword by Laurie Pepper covering Art Pepper's last years, and a complete and up-to-date discography by Todd Selbert.

The Art of Forgetting Camille Noe Pagan, 2011-06-09 A moving and insightful debut novel of great friendship interrupted. Can the relationship survive when the memories are gone? Marissa Rogers never wanted to be an alpha; beta suited her just fine. Taking charge without taking credit had always paid off: vaulting her to senior editor at a glossy magazine; keeping the peace with her critical, weight-obsessed mother; and enjoying the benefits of being best friends with gorgeous, charismatic, absolutely alpha Julia Ferrar. And then Julia gets hit by a cab. She survives with minor obvious injuries, but brain damage steals her memory and alters her personality, possibly forever. Suddenly, Marissa is thrown into the role of alpha friend. As Julia struggles to regain her memory- dredging up issues Marissa would rather forget, including the fact that Julia asked her to abandon the love of her life ten years ago- Marissa's own equilibrium is shaken. With the help of a dozen girls, she reluctantly agrees to coach in an after-school running program. There, Marissa uncovers her inner confidence and finds the courage to reexamine her past and take control of her future. *The Art of Forgetting* is a story about the power of friendship, the memories and myths that hold us back, and the delicate balance between forgiving and forgetting.
