Lucky Marissa Stapley, 2021-04-06 REESE'S BOOK CLUB PICK NEW YORK TIMES BESTSELLER A thrilling roller-coaster ride about a heist gone terribly wrong, with a plucky protagonist who will win readers' hearts. What if you had the winning ticket that would change your life forever, but you couldn't cash it in? Lucky Armstrong is a tough, talented grifter who has just pulled off a million-dollar heist with her boyfriend, Cary. She's ready to start a brand-new life, with a new identity—when things go sideways. Lucky finds herself alone for the first time, navigating the world without the help of either her father or her boyfriend, the two figures from whom she's learned the art of the scam. When she discovers that a lottery ticket she bought on a whim is worth millions, her elation is tempered by one big problem: cashing in the winning ticket means she'll be arrested for her crimes. She'll go to prison, with no chance to redeem her fortune. As Lucky tries to avoid capture and make a future for herself, she must confront her past by reconciling with her father; finding her mother, who abandoned her when she was just a baby; and coming to terms with the man she thought she loved—whose dark past is catching up with her, too. This is a novel about truth, personal redemption, and the complexity of being good. It introduces a singularly gifted, multilayered character who must learn what it means to be independent and honest...before her luck runs out.

Lucky Jane Smiley, 2024-04-23 From the best-selling, Pulitzer Prize-winning writer, a soaring, soulful novel about a folk musician who rises to fame across our changing times. Before Jodie Rattler became a star, she was a girl growing up in St. Louis. One day in 1955, when she was just six years old, her Uncle Drew took her to the racetrack, where she got lucky—and that roll of two-dollar bills she won has never since left her side. Jodie thrived in the warmth of her extended family, and then—through a combination of hard work and serendipity—started a singing career, which catapulted her from St. Louis to New York City, from the English countryside to the tropical beaches of St. Thomas, from Cleveland to Los Angeles, and back again. Jodie comes of age in recording studios, backstage, and on tour, and tries to hold her own in the wake of Janis Joplin, Joan Baez, Judy Collins, and Joni Mitchell. Yet it feels like something is missing. Could it be true love? Or is that not actually what Jodie is looking for? Full of atmosphere, shot through with longing and exuberance, romance and rock'n'roll, *Lucky* is a story of chance and grit and the glitter of real talent, a colorful portrait of one woman's journey in search of herself.

Lucky Cecily von Ziegesar, 2008-11-16 Jenny Humphrey has attended some crazy parties at Waverly Academy, but none

as hot as the bash at Miller farm, where the barn went up in flames. Literally. So when Dean Marymount announces that someone is going to be expelled, it's every owl for him- and herself. Tensions are rising, rumors are flying, and pretty soon everyone is a suspect. Jenny is worried about her adorable, shaggy-haired new crush, Julian, whose lighter was found at the scene of the crime. Callie is afraid she and Easy will both get kicked out, because they were in the barn-together-when it caught fire. And Tinsley knows she'll take the heat for organizing the wild party in the first place. Luckily she's come up with a way to keep from getting in trouble: by blaming Jenny. Of course. After all, Waverly's girls always fight fire with fire. But watch out, ladies-in a battle like this, someone's bound to get burned.

Grasses of a Thousand Colors (Large Print 16pt) Wallace Shawn, 2010-10-06 Among living American writers for the theater today, Wallace Shawn is among the most respected by his peers and championed by serious critics. - Don Shewey *Grasses of a Thousand Colors* is a poetic epic that tells the story of a scientist (Ben), his wife (Cerise), and his two mistresses (Robin and Rose), as they fend for their lives in a world much like ours, yet one savagely close to extinction. Due to the scientific manipulation of the world's crops, a destructive system for which Ben is partly responsible, there is very little nourishment left to be had, except for those most privileged and connected. Despite the dying off of most of the world, these characters manage to survive, at times tasting the good life, admiring the beauties of nature, feasting on animalistic sex, and finding love. The play raises issues of redemption, forgiveness, and responsibility as it recounts a somewhat passionate, erotic adventure story. Wallace Shawn is the author of *Our Late Night* (winner of the OBIE Award for Best Play), *Marie and Bruce*, *Aunt Dan and Lemon*, *The Designated Mourner*, *The Fever*, and the screenplay for *My Dinner with Andre*, in which he starred. *Grasses of a Thousand Colors*, Shawn's first full-length play in ten years, will be produced in the United Kingdom and the United States in 2009. Shawn is a well-known film and television actor. He resides in New York City

Happy-Go-Lucky David Sedaris, 2022-05-31 David Sedaris, the "champion storyteller," (Los Angeles Times) returns with his first new collection of personal essays since the bestselling *Calypso* Back when restaurant menus were still printed on paper, and wearing a mask—or not—was a decision made mostly on Halloween, David Sedaris spent his time doing normal things. As *Happy-Go-Lucky* opens, he is learning to shoot guns with his sister, visiting muddy flea markets in Serbia, buying gummy worms to feed to ants, and telling his nonagenarian father wheelchair jokes. But then the pandemic hits, and like so many others, he's stuck in lockdown, unable to tour and read for audiences, the part of his work he loves most. To cope, he walks for miles through a nearly deserted city, smelling only his own breath. He vacuums his apartment twice a day, fails to

hoard anything, and contemplates how sex workers and acupuncturists might be getting by during quarantine. As the world gradually settles into a new reality, Sedaris too finds himself changed. His offer to fix a stranger's teeth rebuffed, he straightens his own, and ventures into the world with new confidence. Newly orphaned, he considers what it means, in his seventh decade, no longer to be someone's son. And back on the road, he discovers a battle-scarred America: people weary, storefronts empty or festooned with Help Wanted signs, walls painted with graffiti reflecting the contradictory messages of our time: Eat the Rich. Trump 2024. Black Lives Matter. In *Happy-Go-Lucky*, David Sedaris once again captures what is most unexpected, hilarious, and poignant about these recent upheavals, personal and public, and expresses in precise language both the misanthropy and desire for connection that drive us all. If we must live in interesting times, there is no one better to chronicle them than the incomparable David Sedaris.

The Campus Novel ,2019-01-04 *The Campus Novel - Regional or Global?* presents innovative scholarship in the field of academic fiction. Whereas the campus novel is traditionally considered a product of the Anglo-American world, the present study opens a new perspective: it elucidates the intercultural exchange between the well-established Western canon of British and American academic fiction and its more recent regional response outside the Anglo-American territory.

A Guide to Audiovisual and Print Materials on Safety Belts and Child Car Safety Seats ,1983 The audiovisual materials described in this guide illustrate three major occupant protection concepts: (1) The Dynamics of the Crash; (2) The Effectiveness of Safety Belts or Child Car Safety Seats; and (3) Myths and Misconceptions Related to the Use of Occupant Protection Devices. Items for presentation should be selected according to the time available and the interests of the audience. However, whenever possible, select the films that contain aspects of all three major concepts. It is suggested that the slide packages be used in follow-up presentations, either on child safety seats or safety belts. Each film or slide guide is designed to assist in selecting the materials that are most appropriate for the audience or situation. In addition, suggested presentation questions and answers have been provided. This document describes all of the audiovisual materials selected by the National Highway Traffic Safety Administration (NHTSA) for inclusion in various educational program kits. Although a particular kit may contain a few of these materials, the others may be obtained directly from NHTSA or the original producers listed on the last page of this guide.
