**BakeWise** Shirley O. Corriher, 2008-10-28 The James Beard Award-winning, bestselling author of *CookWise* and *KitchenWise* delivers a lively and fascinating guide to better baking through food science. Follow kitchen sleuth Shirley Corriher as she solves everything about why the cookie crumbles. With her years of experience from big-pot cooking at a

boarding school and her classic French culinary training to her work as a research biochemist at Vanderbilt University School of Medicine, Shirley looks at all aspects of baking in a unique and exciting way. She describes useful techniques, such as brushing your puff pastry with ice water—not just brushing off the flour—to make the pastry higher, lighter, and flakier. She can help you make moist cakes; shrink-proof perfect meringues; big, crisp cream puffs; amazing pastries; and crusty, incredibly flavorful, open-textured French breads, such as baguettes. Restaurant chefs and culinary students know Shirley from their grease-splattered copies of *CookWise*, an encyclopedic work that has saved them from many a cooking disaster. With numerous “At-a-Glance” charts, *BakeWise* gives busy people information for quick problem solving. *BakeWise* also includes Shirley's signature “What This Recipe Shows” in every recipe. This scientific and culinary information can apply to hundreds of recipes, not just the one in which it appears. *BakeWise* does not have just a single source of knowledge; Shirley loves reading the works of chefs and other good cooks and shares their tips with you, too. She applies not only her expertise but that of the many artisans she admires, such as famous French pastry chefs Gaston Lenôtre and Chef Roland Mesnier, the White House pastry chef for twenty-five years; and Bruce Healy, author of *Mastering the Art of French Pastry*. Shirley also retrieves lost arts from experts of the past such as Monroe Boston Strause, the pie master of 1930s America. For one dish, she may give you techniques from three or four different chefs plus her own touch of science—“better baking through chemistry.” She adds facts such as the right temperature, the right mixing speed, and the right mixing time for the absolutely most stable egg foam, so you can create a light-as-air génoise every time. Beginners can cook from *BakeWise* to learn exactly what they are doing and why. Experienced bakers find out why the techniques they use work and also uncover amazing pastries from the past, such as Pont Neuf (a creation of puff pastry, pâte à choux, and pastry cream) and Religieuses, adorable “little nuns” made of puff pastry filled with a satiny chocolate pastry cream and drizzled with mocha icing. Some will want it simply for the recipes—incredibly moist whipped cream pound cake made with heavy cream; flourless fruit soufflés; chocolate crinkle cookies with gooey, fudgy centers; huge popovers; famed biscuits. But this book belongs on every baker's shelf.

In Her Kitchen Gabriele Galimberti,2014-11-11 In a gorgeous keepsake volume based on the slideshow that captured the world's attention, Gabriele Galimberti's beautiful portraits of grandmothers from all over the world with their signature dishes stunningly illustrates the international language of food and family. On the eve of a photography trip around the world, Gabriele Galimberti sat down to dinner with his grandmother Marisa. As she had done so many times before, she prepared his favorite ravioli—a gesture of love and an expression of the traditions by which he had come to know her as a child. The care with which she prepared this meal, and the evident pride she took in her dish, led Gabriele to seek out grandmothers and their signature dishes in the sixty countries he visited. The kitchens he photographed illustrate both the diversity of world cuisine and the universal nature of a dish served up with generosity and love. At each woman's table, Gabriele became a curious and hungry grandson, exploring new ingredients and gathering stories. These vibrant and intimate profiles and photographs pay homage to grandmothers and their cooking everywhere. From a Swedish housewife and her homemade lox and vegetables to a Zambian villager and her Roasted Spiced Chicken, this collection features a global palate: included are hand-stuffed empanadas from Argentina, twice-fried pork and vegetables from China, slow-roasted ratatouille from France, and a decadent toffee trifle from the United States. Taken together or bite by bite, *In Her Kitchen* taps into our collective affection for these cherished family members and the ways they return that affection. *In Her Kitchen* is an evocative, loving portrait of the power of food and family, no matter where in the world you sit down for dinner.
