In Every Mirror She's Black Lolá Àkínmádé Àkerström,2021-09-07 A Good Morning America Buzz Pick! As seen in Vulture, Essence, Good Morning America, The Independent, Goodreads, PureWow, and many more! A sexy, surprising, searing debut about love, loss, desire, and the many dimensions of Black womanhood.—Deesha Philyaw, 2020 National Book Award Finalist & award-winning author of The Secret Lives of Church Ladies An arresting debut for anyone looking for

insight into what it means to be a Black woman in the world. Three Black women are linked in unexpected ways to the same influential white man in Stockholm as they build their new lives in the most open society run by the most private people. Successful marketing executive Kemi Adeyemi is lured from the U.S. to Sweden by Jonny von Lundin, CEO of the nation's largest marketing firm, to help fix a PR fiasco involving a racially tone-deaf campaign. A killer at work but a failure in love, Kemi's move is a last-ditch effort to reclaim her social life. A chance meeting with Jonny in business class en route to the U.S. propels former model-turned-flight-attendant Brittany-Rae Johnson into a life of wealth, luxury, and privilege—a life she's not sure she wants—as the object of his unhealthy obsession. And refugee Muna Saheed, who lost her entire family, finds a job cleaning the toilets at Jonny's office as she works to establish her residency in Sweden and, more importantly, seeks connection and a place she can call home. Told through the perspectives of each of the three women, *In Every Mirror She's Black* is a fast-paced, richly nuanced yet accessible contemporary novel that touches on important social issues of racism, classism, fetishization, and tokenism, and what it means to be a Black woman navigating a white-dominated society. Praise for *In Every Mirror She's Black*: *In Every Mirror She's Black* is a wise and complicated exploration of the lives of three Black women in America and Sweden. Lola Akinmade Åkerström offers a sharply written story with messy, deeply moving characters, raising brutal questions and steering clear of easy answers. A book that will stick with you long after you've turned the last page. —Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six* and *Malibu Rising* *In Every Mirror She's Black* highlights the struggles of three women fighting to assimilate into a society that ignores their worth. These characters will pull at your heartstrings. Lola writes with a contemporary flair, highlighting the layered subtleties of the Black woman's plight. *In Every Mirror She's Black* will stay with readers for a long time. —Nicole Dennis-Benn, author of bestselling novels *Here Comes the Sun* and *Patsy* In her debut novel, Lola Akinmade Akerstrom has given us a story that is at once enjoyable and disturbing as it explores the painful price millions of women around the world pay for walking around with black skin. —Imbolo Mbue, New York Times bestselling author of *Behold the Dreamers*

The Makeover Katherine Sender, 2012-10-29 The first book to consider the rapid rise of makeover shows from the perspectives of their viewers Watch this show, buy this product, you can be a whole new you! Makeover television shows repeatedly promise self-renewal and the opportunity for reinvention, but what do we know about the people who watch them? As it turns out, surprisingly little. The Makeover is the first book to consider the rapid rise of makeover shows from the perspectives of their viewers. Katherine Sender argues that this genre of reality television continues a long history of self-improvement, shaped through contemporary media, technological, and economic contexts. Most people think that reality television viewers are ideological dupes and obliging consumers. Sender, however, finds that they have a much more nuanced and reflexive approach to the shows they watch. They are critical of the instruction, the consumer plugs, and the manipulative editing in the shows. At the same time, they buy into the shows' imperative to construct a reflexive self: an inner self that can be seen as if from the outside, and must be explored and expressed to others. The Makeover intervenes in debates about both reality television and audience research, offering the concept of the reflexive self to move these debates forward.

Makeover TV Brenda R. Weber, 2009-11-20 In 2004, roughly 25 makeover-themed reality shows aired on U.S. television. By 2009, there were more than 250, from What Not to Wear and The Biggest Loser to Dog Whisperer and Pimp My Ride. In Makeover TV, Brenda R. Weber argues that whether depicting transformations of bodies, trucks, finances, relationships, kids, or homes, makeover shows posit a self achievable only in the transition from the “Before-body”—the overweight figure, the decrepit jalopy, the cluttered home—to the “After-body,” one filled with confidence, coded with celebrity, and imbued with a renewed faith in the powers of meritocracy. The rationales and tactics invoked to achieve the After-body vary widely, from the patriotic to the market-based, and from talk therapy to feminist empowerment. The genre is unified by its contradictions: to uncover your “true self,” you must be reinvented; to be empowered, you must surrender to experts; to be special, you must look and act like everyone else. Based on her analysis of more than 2,500 hours of makeover TV, Weber argues that the much-desired After-body speaks to and makes legible broader cultural narratives about selfhood, citizenship, celebrity, and Americanness. Although makeovers are directed at both male and female viewers, their gendered logic

requires that feminized subjects submit to the controlling expertise wielded by authorities. The genre does not tolerate ambiguity. Conventional (middle-class, white, ethnically anonymous, heterosexual) femininity is the goal of makeovers for women. When subjects are male, makeovers often compensate for perceived challenges to masculine independence by offering men narrative options for resistance or control. Foregoing a binary model of power and subjugation, Weber provides an account of makeover television that is as appreciative as it is critical. She reveals the makeover show as a rich and complicated text that expresses cultural desires and fears through narratives of selfhood.

Transforming Images Rebecca Coleman, 2015-01-28 Contemporary social and cultural life is increasingly organised around a logic of self-transformation, where changing the body is seen as key. *Transforming Images* examines how the future functions within this transformative logic to indicate the potential of a materially better time. The book explores the crucial role that images have in organising an imperative for transformation and in making possible, or not, the materialisation of a better future. Coleman asks the questions: which futures are appealing and to whom? How do images tap into and reproduce wider social and cultural processes of inequality? Drawing on the recent 'turns' to affect and emotion and to understanding life in terms of vitality, intensity and 'liveness' in social and cultural theory, the book develops a framework for understanding images as felt and lived out. Analysing different screens across popular culture – the screens of shopping, makeover television programmes, online dieting plans and government health campaigns – it traces how images of self-transformation bring the future into the present and affectively 'draw in' some bodies more than others. *Transforming Images* will be of interest to students and scholars working in sociology, media studies, cultural studies and gender studies.

Almost a Mirror Kirsten Krauth, 2020-04-01 Shortlisted for the Penguin Literary Prize Like fireflies to the light, Mona, Benny and Jimmy are drawn into the elegantly wasted orbit of the Crystal Ballroom and the post-punk scene of 80s Melbourne, a world that includes Nick Cave and Dodge, a photographer pushing his art to the edge. With precision and richness Kirsten Krauth hauntingly evokes the power of music to infuse our lives, while diving deep into loss, beauty, innocence and agency. Filled with unforgettable characters, the novel is above all about the shapes that love can take and the many ways we express tenderness throughout a lifetime.
