*Secrets of an Organized Mom* Barbara Reich, 2013-02-26 Mom's Choice Awards Gold Award Recipient Professional organizer Barbara Reich offers a life-changing program—focused on decluttering and streamlining your home—that helps families live simpler, less chaotic lives: “Everyone should Barbarafy,” raves The New York Times. Mothers can feel like life is one never-ending loop. Just when one problem or responsibility is overcome, another one trips us up. But help is on the way: Barbara Reich has all the strategies for staying ahead of the curve—and she's wrapped them up into four easy steps that can be applied to any organizing project: purge, design, organize, and maintain. The keys to Barbara's success are simplicity and consistency. Room by room, she goes through the most problematic areas in the home—from the tornado-struck play area to

the packed basement or storage unit—and approaches organizing in manageable bites. In addition to cleaning and organizing tips, she talks about how to avoid social overload, preaching the power of “No”—for example, when your child wants to attend six birthday parties in one weekend. As the mother of thirteen-year-old twins, Barbara offers insight into the lives of crazed moms as only a mother could. Combining the humor of a sympathetic friend and the no-nonsense advice of a true type-A personality, Reich offers clever, appealing solutions that are genuinely achievable for everyone.

**Living with Pattern** Rebecca Atwood, 2016-08-30 A design book filled with beautiful photography and clear ideas for how to use pattern to decorate your home. If you focus on pattern, from texture and color to furniture and textiles, everything else will fall into place. Pattern is the strongest element in any room. In Living with Pattern, Rebecca Atwood demystifies how to use that element, a design concept that often confounds and confuses, demonstrating how to seamlessly mix and layer prints throughout a house. She covers pattern usage you probably already have, such as on your duvet cover or in the living room rug, and she also reveals the unexpected places you might not have thought to add it: bathroom tiles, an arrangement of book spines in a reading nook, or windowpane gridding in your entryway. This stunning book showcases distinct uses of pattern in homes all over the country to inspire you to realize that an injection of pattern can enliven any space, helping to make it uniquely yours.
