Thick as Thieves Peter Spiegelman,2011-07-26 A new thriller that takes us inside a hair-raising heist, where paranoia hangs as heavy as the tropical heat, and the only law is Murphy's. Carr—ex-CIA—is the reluctant leader of an elite crew planning a robbery of such extraordinary proportions that it will leave them all set for life. Diamonds, money-laundering, and extortion go into a timed-to-the-minute scheme that unfurls across South America, Miami, and Grand Cayman Island. Carr's cohorts are seasoned pros, but they're wound drum-tight: months before, the man who brought them together was killed in what Carr suspects was a setup. And there are other loose ends. Some of the intel they're paying for is badly inaccurate, and one of the gang—lately, Carr's lover—may have an agenda of her own. Carr finds himself “working the paranoid calculus . . . mapping the shifting landscape of who-owes-who and who-owns-who, of loyalty, grudge, and pressure”—but his biggest problems are yet to come: few of his crew are what they seem to be, and even his own past will turn out to be built on a lie. Terrifically suspenseful and psychologically complex, *Thick as Thieves* is a rare, penetrating look into the sophisticated machinations of an unparalleled crime, and Peter Spiegelman's most accomplished and galvanizing novel yet.

She' s a perfect fit for the role of assistant manager at the Maltby Farm Inn, and owner Miranda thinks so too, hiring her on the spot. What Poppy doesn' t expect is that her new home will bring her in contact with handsome bartender, Finn Gallagher. Poppy and Finn share an instant attraction, and before

she knows it, she' s in bed with him. Their sex is hotter than she' s ever known, made more exciting by Finn' s love of flirting with danger and letting Poppy take a dominant role. Poppy begins to believe there are no limits to what they can do together— until Finn suggests a hot date at a local Halloween attraction. Sully the Seahorse Natalie Pritchard,2019-10-15 Sully the Seahorse is a heart-warming, beautifully illustrated rhyming picture book which encourages children to believe in themselves and to be proud of who they are. It's the day of the Sea School Stars annual talent contest and little Sully really wants to win!! Oh, how he longs to be a super-fast fish or a gigantic, strong whale. Poor Sully never wins ANYTHING! This heart-warming story follows Sully on his race for victory - where he comes across a BIG challenge and discovers his own very special talents. ON YOUR MARKS, READY.....GET SET GO!!! The ocean is buzzing with excitement practising their performances for the competition....all except for Sully who doesn't feel very good at anything at all. The contest starts soon, reminded Miss Trout. Sully felt worried and started to shout: Do I have to take part, Miss? Please say no. Yes, she replied. You should give it a go. Poor Sully becomes disheartened as he loses some of the races, but the contest comes to a halt when a dark shadow descends upon Sea School and threatens to change Sully's future forever! Will Sully find his sparkle before it's too late? The book explores the issue of self-esteem in a fun and heart-warming way and encourages children to celebrate differences and appreciate their own talents and qualities. It's sometimes hard for children to understand that they can't always be the best at everything. One of life's most important lessons is learning how to deal with making mistakes and being able to lose! Children sometimes find it difficult to understand why they came last in the race, or why they never win the writing contest. Sully discovers in the story that if you keep on trying then you'll find your own special talents - and that's the message for children too - just keep trying and be proud of who you are! It encourages children to become resilient so that they can bounce back from challenges and failure. This is the second book in my Sea School Stories series. The first book, Monty the Manatee, focuses on kindness and anti-bullying and has sold thousands of copies around the world.
