Lots of Candles, Plenty of Cake Anna Quindlen, 2012-04-24 “[Quindlen] serves up generous portions of her wise, commonsensical, irresistibly quotable take on life.”—NPR This edition includes an exclusive conversation between Meryl Streep and Anna Quindlen. In this irresistible memoir, Anna Quindlen writes about a woman’s life, from childhood memories to manic motherhood to middle age. Considering—and celebrating—everything from marriage, girlfriends, our mothers, parenting, faith, loss, to all the stuff in our closets, and more, Quindlen says for us here what we may wish we could have said ourselves. As she did in her beloved *New York Times* columns, and in *A Short Guide to a Happy Life*, Quindlen uses her past, present, and future to explore what matters most to women at different ages. Quindlen talks about: Marriage: “A safety net of small white lies can be the bedrock of a successful marriage. You wouldn’t believe how cheaply I can do a kitchen renovation.” Girlfriends: “Ask any woman how she makes it through the day, and she may mention her calendar, her to-do lists, her babysitter. But if you push her on how she really makes it through her day, she will mention her girlfriends. ” Our bodies: “I’ve finally recognized my body for what it is: a personality-delivery system, designed expressly to carry my

character from place to place, now and in the years to come.” Parenting: “Being a parent is not transactional. We do not get what we give. It is the ultimate pay-it-forward endeavor: We are good parents not so they will be loving enough to stay with us but so they will be strong enough to leave us.” Candid, funny, and moving, *Lots of Candles, Plenty of Cake* is filled with the sharp insights and revealing observations that have long confirmed Quindlen’s status as America’s laureate of real life.

The Sleep Fix Diane Macedo,2021-12-14 From renowned ABC News anchor/correspondent and former insomniac Diane Macedo, comes a practical, user-friendly guide to getting better sleep. *The Sleep Fix* flips the switch on common advice,

illuminating the reporter's relentless search for how to get a good night's sleep and the surprising, scientific, and practical solutions she found along the way. Roughly thirty percent of the population is estimated to be living with insomnia, while many more unknowingly suffer from other sleep disorders. In *The Sleep Fix*, Macedo aims to change that with perspective-shifting research and easy-to-implement solutions based not just on science and experts, but also her own years-long struggle. As an early-morning reporter and overnight news anchor, Macedo learned the hard way how valuable sleep is, and how it affects everything from our heart to our brain to our immune system. The longer Macedo struggled, the more her health deteriorated. Desperate, she tried standard sleep tip after standard sleep tip, but nothing worked - instead, it made her worse. Finally, after developing a tolerance to sleeping pills, Macedo decided to attack the problem as a journalist, interviewing sleep experts from all over the world to get to the bottom of what really keeps us from sleeping—and the various ways to fix it. As Macedo explains, the solution to catching zzz's isn't as simple as giving up caffeine, or putting away your phone before bed. With her down-to-earth explanations and humor, she instead teaches us how to:

- Understand sleep biology
- Identify sleep obstacles
- Flag sleep myths and separate fact from fiction
- Try counterintuitive approaches
- Shift our mindset

Most importantly, Macedo — a busy, working mom — teaches us how to adjust and fit these solutions into our everyday lives. Offering expert wisdom, cutting-edge research, intimate sleep stories from public figures, and actionable advice, *The Sleep Fix* is the tell-it-like-it-is guide this sleep-deprived world has been waiting for.

Irresistible: Cloverleigh Farms Melanie Harlow, 2019-02-24 I'm a full-time single dad to three daughters and CFO at Cloverleigh Farms. I don't have time to fall in love-I'm too busy trying to run a business, keep the red socks out of the white laundry, and get the damn pillowcases on without owing a dollar to the swear jar. Sure, Frannie Sawyer is beautiful and sweet, but she's twenty-seven, the boss's daughter, and my new part-time nanny-which means she's completely off-limits. It's bad enough I can't stop fantasizing about her, what kind of jerk would I be if I acted on the impulse to kiss her?(Exactly the kind of jerk you're thinking.) Actually, I'm worse than that-because I didn't stop with a kiss, and now I can't stay away. She makes me feel like myself again. She reminds me what it's like to want something just for me. She's everything I ever needed, but nothing I ever imagined. I'm a former Marine. I should have had the strength to resist her from the start. But I didn't. And now I have to choose between the life I want and the life she deserves. Even if it means giving her up.

What Happened to You? Oprah Winfrey, Bruce D. Perry, 2021-04-27 ONE MILLION COPIES SOLD #1 NEW YORK TIMES BESTSELLER Our earliest experiences shape our lives far down the road, and *What Happened to You?* provides powerful scientific and emotional insights into the behavioral patterns so many of us struggle to understand. "Through this lens we can build a renewed sense of personal self-worth and ultimately recalibrate our responses to circumstances, situations, and relationships. It is, in other words, the key to reshaping our very lives."—Oprah Winfrey This book is going to change the way you see your life. Have you ever wondered Why did I do that? or Why can't I just control my behavior? Others may judge our

reactions and think, What's wrong with that person? When questioning our emotions, it's easy to place the blame on ourselves; holding ourselves and those around us to an impossible standard. It's time we started asking a different question. Through deeply personal conversations, Oprah Winfrey and renowned brain and trauma expert Dr. Bruce Perry offer a groundbreaking and profound shift from asking "What's wrong with you?" to "What happened to you?" Here, Winfrey shares stories from her own past, understanding through experience the vulnerability that comes from facing trauma and adversity at a young age. In conversation throughout the book, she and Dr. Perry focus on understanding people, behavior, and ourselves. It's a subtle but profound shift in our approach to trauma, and it's one that allows us to understand our pasts in order to clear a path to our future—opening the door to resilience and healing in a proven, powerful way.

God's Favorite Place on Earth Frank Viola, 2013-05-01 When He came to earth, Jesus Christ was rejected in every quarter in which He stepped. The Creator was rejected by His own creation. "He came to His own and His own received Him not," said John. For this reason, Jesus Christ had "no where to lay His head." There was one exception, however. A little village just outside of Jerusalem named Bethany. Bethany was the only place on earth where Jesus was completely received. God's Favorite Place on Earth is a retelling of Jesus' many visits to Bethany and a relaying of the message it holds for us today. Frank Viola presents a beautifully crafted narrative from the viewpoint of Lazarus, one of the people who lived in Bethany with his two sisters. This incomparable story not only brings the Gospel narratives to life, but it addresses the struggle against doubt, discouragement, fear, guilt, rejection, and spiritual apathy that challenges countless Christians today. In profoundly moving prose, *God's Favorite Place on Earth* will captivate your heart with its beauty, charm, and depth. In this book you will discover how to live as a "Bethany" in our world today, being set free to love and follow Jesus like never before.

The scenes he recounts along the way are fascinating.”—Entertainment Weekly “Hip-hop’s renaissance man drops a classic. . . . Heartfelt, passionate and slick.”—Kirkus Reviews (starred review)

Miles from Home: the Journey of a Lifetime Phillip L. Woods, 2015-04-03 *Miles From Home* is a deeply personal story and a narrative of the American dream. Born to a devoted mother and severely alcoholic father, Phillip Lee Woods was sent as an 11 year old to live with a taciturn grandfather on a lonely farm in Indianas countryside. Doing backbreaking chores from daybreak to dark and walking a long, deserted road to catch the bus, Woods school years were marked by toil, embarrassment about his circumstances, and a yearning to reunite with his mother and sister. Living in an isolated farmhouse with no indoor plumbing, no phone, and little heat, Woods and his grandfather helped each other to survive. These challenging early experiences helped the young Woods become a determined, perseverant man. Woods started out as a postal clerk, and despite not having a college education, he went on to found his own successful insurance business, Woods & Grooms, Inc. Along the way, he married his favorite post office patron and had a family of his own. His climb to ultimate success was riddled with many failures, including near bankruptcies and unsuccessful forays into raising horses and running a flight school. But more than a story of the American dream of a man who, like many, started with nothing and went on to achieve success and serve his community- this is a love story, not just between Woods and his wife of more than 50 years, but between Woods and America. At the age of 66, he decided to walk across the country from east to west, determined to see its roads again close up and meet its inhabitants in person. He wanted to see the country not as politicians and lobbyists were formulating it, but see it as a land of individuals who had their own values, their own opinions. In 2010, Woods again walked across the Unites States, from north to south, a testament to what a stout heart, a devoted wife, and a few good pairs of sneakers could accomplish. This is the tale of a long, winding journey. Readers of Woods story respond to the at times heartbreakingly honest narrative, to the tale of a life of struggle, triumphs, failures, and tragedies, but most of all they are inspired by the can-do spirit of a man who insists we all keep moving.
