**Grandmother Power** Paola Gianturco,2012-09-18 Whether fighting for the environment, human rights, education, health, or cultural preservation, a new generation of activist grandmothers across the world are using their strength, wisdom, and hearts to make a difference. An unheralded grandmothers' movement is changing the world. Insurgent grandmothers are using their power to fight for a better future for grandchildren everywhere. And they are succeeding. *Grandmother Power* profiles activist grandmothers in fifteen countries on five continents who tell their compelling stories in their own words. Grandmothers in Canada, Swaziland, and South Africa collaborate to care for AIDS orphans. Grandmothers in Senegal convince communities to abandon female genital mutilation. Grandmothers in India become solar engineers and bring light to their villages while those in Peru, Thailand, and Laos sustain weaving traditions. Grandmothers in Argentina

teach children to love books and reading. Other Argentine grandmothers continue their 40-year search for grandchildren who were kidnapped during the nation's military dictatorship. Irish grandmothers teach children to sow seeds and cook with fresh, local ingredients. Filipino grandmothers demand justice for having been forced into sex slavery during World War II. Guatemalan grandmothers operate a hotline and teach parenting. In the Middle East, Israeli grandmothers monitor checkpoints to prevent abuse and the UAE's most popular television show stars four animated grandmothers who are surprised by contemporary life. Indigenous grandmothers from thirteen countries conduct healing rituals to bring peace to the world. Gianturco's full-color images and her heroines' amazing tales make Grandmother Power an inspiration for everyone, and it cements the power of grandmothers worldwide. Please visit <http://globalgrandmotherpower.com/> for additional information. All author royalties will be donated to the Stephen Lewis Foundation's Grandmothers to Grandmothers campaign, which provides grants to African grandmothers who are raising AIDS orphans.

*The Wedding Present* Louise Purbrick, 2016-02-17 In this fascinating work, Louise Purbrick offers an alternative analysis of contemporary domestic consumption. She investigates the ritualized presentation of objects upon marriage, and their subsequent cycles of exchange within the domestic sphere. Focusing on gift-giving in Britain from 1945 to the present, comparative context is provided by material from North America and Europe. Presenting new material on the enactment of exchange relationships within everyday domesticity, the book makes significant historical, theoretical and methodological contributions to the analysis of contemporary consumption. It also re-evaluates consumption theory as well as examining the methodology of recent studies in consumption and domesticity, pressing for a more rigorous approach to the use of case studies. By considering how the specific contexts in which consumption occurs, such as married domesticity, can limit possible versions of selfhood, *The Wedding Present* tests the assumption that consuming creates individual identities. Thus, the book argues, consumption cannot be isolated as an explanation of individual or social formation.

Seeking Refuge Stephan Bauman, Matthew Soerens, Dr. Issam Smeir, 2016-06-16 Recipient of Christianity Today's Award of Merit in Politics and Public Life, 2016 ----- What will rule our hearts: fear or compassion? We can't ignore the refugee crisis—arguably the greatest geo-political issue of our time—but how do we even begin to respond to something so massive and complex? In *Seeking Refuge*, three experts from World Relief, a global organization serving refugees, offer a practical, well-rounded, well-researched guide to the issue. Who are refugees and other displaced peoples? What are the real risks and benefits of receiving them? How do we balance compassion and security? Drawing from history, public policy, psychology, many personal stories, and their own unique Christian worldview, the authors offer a nuanced and compelling portrayal of the plight of refugees and the extraordinary opportunity we have to love our neighbors as ourselves.

**Redeeming How We Talk** Ken Wytsma, A. J. Swoboda, 2018-06-05 Discover why words matter in a noisy world. Technology has made it easier than ever before to share just about everything: pictures, ideas, even the ups and downs of your morning errand run. Yet all our talking doesn't seem to be connecting us the way it promised to. That's because we don't need to talk more, we need to talk better. *Redeeming How We Talk* explores what the Bible has to say about that central aspect of life and relationships—conversation. The Scriptures show us that words have remarkable power—to create, to bless, to encourage, to forgive. Imagine how we, as Christians, could spark change in our families, churches, and communities if we learned to use words like Jesus did. By weaving together theology, history, and philosophy, Ken Wytsma and A. J. Swoboda help us reclaim the holiness of human speech and the relevance of meaningful conversation in our culture today.
