This funny teacher gift is perfect for: Teacher Retirement Gifts Teacher Appreciation Gifts Teacher Thank You Gifts Teacher day gift and many more...

Teacher Appreciation Day Lynn Plourde,2005-07-21 This follow-up to the popular School Picture Day tells of a girl who has trouble making decisions, so she gets, buys, and chooses everything. Full color.

A Letter to My Teacher Deborah Hopkinson,2017-04-04 This funny, touching picture book celebrates the difference a good teacher can make. Written as a thank-you note to a special teacher from the student who never forgot her, this moving story makes a great classroom read-aloud, and a perfect back-to-school gift for students and teachers! Dear Teacher, Whenever I had something to tell you, I tugged on your shirt and whispered in your ear. This time I'm writing a letter. So begins this heartfelt picture book about a girl who prefers running and jumping to listening and learning—and the teacher who gently inspires her. From stomping through creeks on a field trip to pretending to choke when called upon to read aloud, this book's young heroine would be a challenge to any teacher. But this teacher isn't just any teacher. By listening carefully and knowing just the right thing to say, she quickly learns that the girl's unruly behavior is due to her struggles with reading. And at the very end, we learn what this former student is now: a teacher herself. From award winning author Deborah Hopkinson and acclaimed illustrator Nancy Carpenter, this picture book is made to be treasured by both those who teach and those who learn.

A Blissful Nest Rebekah Dempsey,2021-10-26 In A Blissful Nest, celebrated interior designer Rebekah Dempsey offers fresh and attainable design ideas to show you how to discover your interior style and create a home that truly reflects your personality and the way you live.

Oh, the Places You'll Go! Dr. Seuss,2013-09-24 Dr. Seuss's wonderfully wise Oh, the Places You'll Go! celebrates all of our special milestones—from graduations to birthdays and beyond! "[A] book that has proved to be popular for graduates of

all ages since it was first published.”—The New York Times From soaring to high heights and seeing great sights to being left in a Lurch on a prickly perch, Dr. Seuss addresses life’s ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite for anyone starting a new phase in their life!

The Southern Entertainer's Cookbook Courtney Dial Whitmore,2020-09-08 Serve up classic recipes and new favorites from a Southern perspective. In The Southern Entertainer's Cookbook, Courtney Whitmore shares her party go-tos, from appetizers and salads, to entrees, drinks and desserts. Consider this your Southern primer on party food: in addition to sharing recipes for quintessential favorites (but not to worry, no archaic methods or hard-to-find ingredients here), as well as modern twists on classic favorites, Courtney provides styling tips throughout to make the most of your food's presentation. Courtney is known for creating delicious, party-friendly food to enhance any meal and every party--

Back to School with Mac Kim DiLoreto,2017-05-01 A family tradition that makes going back to school fun.

Ask a Manager Alison Green,2018-05-01 From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

Among Schoolchildren Tracy Kidder,1989-09-06 The Pulitzer Prize-winning author’s classic, “brilliantly illuminated”

account of education in America (TheNew York Times Book Review). Mrs. Zajac is feisty, funny, and tough. She likes to call herself an “old-lady teacher.” (She is thirty-four.) Around Kelly School, she is infamous for her discipline: “She is mean, bro,” says one of her students. But children love her, and so will the reader of this extraordinarily moving book by the Pulitzer Prize-winning author of *House* and *The Soul of a New Machine*. Tracy Kidder spent nine months in Mrs. Zajac’s fifth-grade classroom in a depressed area of Holyoke, Massachusetts. Living among the twenty schoolchildren and their indomitable teacher, he shared their joys, catastrophes, and small but essential triumphs. His resulting New York Times bestseller is a revelatory and remarkably poignant account of an inner-city school that “erupts with passionate life,” and a close-up examination of what is wrong—and right—with education in America (USA Today). “More than a book about needy children and a valiant teacher; it is full of the author’s genuine love, delight and celebration of the human condition. He has never used his talent so well.” —The New York Times

Catbug Says Jason James Johnson,2016-08-30 If you thought Simon Says was fun, wait until you play Catbug Says! Even King Congletard tries the kooky Catbug game. Find out what over 4 million people who watched the Catbug episode of *Bravest Warriors* are talking about. *Bravest Warriors* writer, Jason Johnson, wrote all new lines, while illustrator Angel An gave Catbug a dreamy makeover. Catbug is voiced by beloved *Bravest Warriors* voice actor, Sam Lavagnino. We can’t stop playing Catbug Says, so let’s go dress up as a barracuda. Everyone loves Catbug! Each of the 10 books in the series feature hilarious one liners that you can’t stop quoting. Collect them all! *Frederator Loves You!*

Sh*t My Students Say Elias Hill,2018-05-08 Finally, someone has compiled all the silly questions and inane statements that students say almost every single day. If you are a teacher you'll understand that no matter how many times you try to humorously or sternly answer these, they'll get asked again about ten minutes later. You've probably heard almost every excuse in the book that students give, and speaking of a book they've probably forgotten it at home or in their locker! Get this funny book that examines all the things students say. Makes a great teacher gift at the end of the year or the first day back to school.

Great Ideas For Special Occasions January - December Lori Plegge,

Yikes! It's Due Tomorrow?! Carmella Van Vleet, 2004-11-01 Overview From a child fretting over having a male teacher for the first time to suffering from test anxiety, this practical and humorous guide offers parents a commonsense approach to handling a variety of school-related problems. Some of the issues addressed include serious subjects such as how to tell if a child has a learning disability, as well as more light-hearted situations such as what to do if a child is afraid of the automatic flushing toilets at school. Written by an experienced teacher and mother of three, *How to Handle School Snafus* offers kid-tested solutions for the most challenging and hilarious problems that the school year can bring.

Everyday Ideas Ronald J. Zboray, Mary Saracino Zboray, 2006 *Everyday Ideas: Socioliterary Experience among Antebellum New Englanders* takes an unprecedented look at the use of literature in everyday life in one of history's most literate societies—the home ground of the American Renaissance. Using information pulled from four thousand manuscript letters and diaries, *Everyday Ideas* provides a comprehensive picture of how the social and literary dimensions of human existence related in antebellum New England. Penned by ordinary people—factory workers, farmers, clerks, storekeepers, domestics, and teachers and other professionals—the writings examined here brim with thoughtful references to published texts, lectures, and speeches by the period's canonized authors and lesser lights. These personal accounts also give an insider's perspective on issues ranging from economic problems, to social status conflicts, to being separated from loved ones by region, state, or nation. *Everyday Ideas* examines such references and accounts and interprets the multiple ways literature figured into the lives of these New Englanders. An important aid in understanding historical readers and social authorship practices, *Everyday Ideas* is a unique resource on New England and provides a framework for understanding the profound role of ideas in the everyday world of the antebellum period.

The Enthralling Realm of E-book Books: A Detailed Guide Revealing the Benefits of E-book Books: A Realm of Convenience and Versatility Kindle books, with their inherent mobility and ease of access, have freed readers from the constraints of hardcopy books.
