At a Dodgers game to celebrate her father's birthday, Liz is forced to watch her ex--star player, Jarret--on the pitcher's mound. To make matters worse, her former best friend, Laycee, is in the stands as well. Having betrayed her trust by having an affair with Jarret, Laycee is the last person Liz wants to see. But when the appearance of a white pigeon--an omen of death--sets the superstitious Jarret off balance, it's a game changer both on and off the field. Because the next morning, Laycee is found dead in Jarret's home--and Liz is on deck as the prime suspect...

The Ex Hex Killian McRae, 2018-05-20 Don't sleep with demons or priest, and especially not priests who become demons, and especially not demons who happen to be your ex. Everyone knows that love is blind, but even Riona Dade knows it's supposed to be with a mortal. That's true even if you are a witch with the ability to magically slay the scum of Hell. But when you find out your ex-boyfriend was a demon, you should probably take your lesson about falling for the wrong guy. Probably. It's a great theory, anyway. But if there's one thing Riona can do well, it's picking the wrong guy. With the help of Greek Gods, practical joke-loving archangels, and her fellow Pure Souls, Riona faces down challenge after challenge, both to her heart and to her head. Seems the reluctant witch plays a key part in a prophecy, one that has her pitted against the Devil at every turn. The Devil isn't quite what he used to be, though, and by the time Riona is through, neither one of them will be the same again. The Ex Hex includes all five installments of this hilarious paranormal romance series, a rollickingly humorous tale of love, lust, magic, and a demon who loves Zima. This collection contains: The Motion of the Potion (All My Exes Die From Hexes, #1) Once You Go Demon (All My Exes Die From Hexes, #2) Hex Goddess (All My Exes Die From Hexes, #3) When Spell Freezes Over (All My Exes Die From Hexes, #4) Hung by the Fireplace (All My Exes Die From Hexes)

Hex Maggie Estep, 2010-03-10 Having drifted through thirty-three years of life, Ruby Murphy has put down roots in a rootless place: Coney Island. A recovering alcoholic who is fanatical in her love for animals and her misanthropic friends, Ruby lives above a furniture store and works at the musty Coney Island Museum. One day, Ruby is on the subway heading into Manhattan when the train stalls between stations. An elegant blond woman with a scarred face strikes up a conversation, and a misunderstanding between the two women leads to an offer Ruby decides she can't refuse. The woman needs her boyfriend followed, and she thinks Ruby is the woman to do it—and do it right. Ruby's life has been flat and painful lately. The Coney Island Museum isn't doing much business, Ruby's live-in boyfriend has moved out, and her best friend Oliver is battling cancer. Ruby agrees to follow the woman's boyfriend, Frank, a man who works at Belmont Racetrack and seems to hang out in odd places with bad company. Ruby soon finds herself pushed headfirst into horse racing's seamy underbelly. This is a dangerous world where nothing is as it appears, and people and horses seem to have limited life spans. When Ruby finds herself staring down the barrel of a loaded gun, she begins to have second thoughts. Only now it's far too late.

Consensual Hex Amanda Harlowe, 2020-10-06 The Craft for the #MeToo era, this debut unfolds a riveting psychological drama shot through with sharp humor and dark magic for readers of *Ninth House* and *The Power*. When Lee, a first year at Smith, is raped under eerie circumstances during orientation week by an Amherst frat boy, she's quickly disillusioned by her lack of recourse. As her trauma boils within her, Lee is selected for an exclusive seminar on Gender, Power, and Witchcraft, where she meets Luna (an alluring Brooklyn hipster), Gabi (who has a laundry list of phobias), and Charlotte (a waifish, chill international student). Granted a charter for a coven and suddenly in possession of real magic, the four girls are tasked by their aloof Professor with covertly retrieving a grimoire that an Amherst fraternity has gotten their hands on. But when the witches realize the frat brothers are using magic to commit and cover up sexual assault all over Northampton, their exploits escalate into vigilante justice. As Lee's thirst for revenge on her rapist grows, things spiral out of control, pitting witch against witch as they must wrestle with how far one is willing to go to heal. *Consensual Hex* is both a gripping page-turner and a sensitive portrait of a young woman coming of age, uncovering the ways in which love and obsession and looking to fit in can go hand in hand. Lee, an outstanding, magical anti-heroine, refuses to be pigeonholed as a model victim or a horrific example. Instead, her caustic voice demands our attention, clawing out from every page, equally vicious and vulnerable as she lures us, then dares us, to transgress. Dark, biting, and archly camp, *Consensual Hex* announces Harlowe as a significant talent.

Developing Agility and Quickness NSCA -National Strength & Conditioning Association,Jay Dawes,Mark Roozen,2011-10-10 The ball handler who fakes and then drives past a defender for an easy score. A pass rusher who leaves a would-be blocker in his wake on the way to sacking the quarterback. A setter who manages to maneuver both body and ball in the blink of an eye to make the perfect pass for the kill and match-winning point. These are all reasons agility and quickness are such prized physical attributes in modern sport. Efforts to become markedly quicker or more agile, however, aren’t always successful. Genetic limitations, technical deficiencies, and inferior training activities are among the major obstacles. *Developing Agility and Quickness* helps athletes blow past those barriers thanks to the top sport conditioning authority in the world, the National Strength and Conditioning Association. NSCA hand-picked its top experts to present the best training advice, drills, and programs for optimizing athletes’ linear and lateral movements. Make *Developing Agility and Quickness* a key part of your conditioning program, and get a step ahead of the competition.
