*JC's Total Body Transformation* Juan Carlos "JC" Santana, 2019-01-02 If you're ready to transform your body and perfect your athletic skills, then this is the book for you. Based on solid exercise science principles and tested with thousands of clients, JC's Total Body Transformation gives you over 110 workouts that can be plugged into any training plan right now to transform your body, improve your athletic performance, build strength and endurance, and produce the results you want. This text also addresses recovery technique and nutritional interventions that will support your transformation journey. Author JC Santana has spent over 30 years working with professional and collegiate athletes, weekend warriors, and serious strength and fitness clients, and he's developed hundreds of workouts that are proven to work. You won't get a lot of fluff here: You'll get an introduction on how to use these workouts, an explanation of why JC's training philosophy works, instructions on how to coach the workouts, and his simple philosophy on assessment and progressions—and then the rest is all workouts. Check out what's packed inside these pages: • More than 110 ready-to-use workouts for body transformation, strength, and endurance • Nutrition tips to help torch fat and build muscle • Suggestions for faster recovery • Bonus workouts from industry giants in athletic performance, bodybuilding, and physique competition • Tips on using multiple pieces of equipment—including barbells, dumbbells, and medicine balls—to target different muscles and add variety • Equipment suggestions and reviews The best part is that you can use these workouts with any current training plans, so you have plenty of options to customize your training. These workouts take into account the unique needs of men and women, and there is even guidance on how to sequence workouts sequentially or successively to create daily, monthly, and yearly programs. Make every exercise count and avoid boredom with the same old routine. JC's Total Body Transformation is your instant guide to transforming your body, optimizing performance, and maximizing function.

**Developing Agility and Quickness** NSCA -National Strength & Conditioning Association,Jay Dawes,Mark Roozen,2011-10-10 The ball handler who fakes and then drives past a defender for an easy score. A pass rusher who leaves a would-be blocker in his wake on the way to sacking the quarterback. A setter who manages to maneuver both body and ball in the blink of an eye to make the perfect pass for the kill and match-winning point. These are all reasons agility and quickness are such prized physical attributes in modern sport. Efforts to become markedly quicker or more agile, however, aren't always successful. Genetic limitations, technical deficiencies, and inferior training activities are among the major obstacles. Developing Agility and Quickness helps athletes blow past those barriers thanks to the top sport conditioning authority in the world, the National Strength and Conditioning Association. NSCA hand-picked its top experts to present the best training advice, drills, and programs for optimizing athletes' linear and lateral movements. Make Developing Agility and Quickness a key part of your conditioning program, and get a step ahead of the competition.

*Love to Sew* Alistair Macdonald,2019-01-11 English Paper Piecing (EPP) is a popular and easy method of creating beautiful, hand-sewn patchwork designs. The fabric is cut and folded over a paper template and the resulting shapes are stitched together by hand, making it ideal for sewing whether you're on the move, or at home. Successful and established author Alistair Macdonald provides 18 fabulous projects, including a lovely baby's play mat, a stylish gentleman's scarf, a useful hobby bag, a tea cosy, a gorgeous tote bag and a make-up purse. All the patchwork is done by hand sewing, using the English Paper Piecing method in fresh, bright cottons and with clear, step-by-step instructions and beautiful photographs. There is some machine sewing for putting projects together, but you can hand sew if you prefer. Actual size templates for every project are included.

**Tree of Life Quilts** Trisch Price,2016-01-01 Tree of Life quilts are timeless and varied in style. In her newest book, Trisch Price has reinterpreted the concept to create 9 fresh and innovative quilts. The quilts span a wide range of designs

and techniques, and interpretations are broad, from trees to other life-sustaining habitats, such as coral, spider webs, and even our technological world. The designs allow you to try your hand at improvisational piecing, including a unique quilt-as-you-go design that employs circles rather than the traditional blocks. Price also includes an explanation of each quilt's interpretation, ideas on how to change it, and special finishing techniques.
