**My Favorite Things** Maira Kalman, 2014-10-21 From Maira Kalman, the author of the bestsellers *The Principles of Uncertainty* and *The Elements of Style*, comes this beautiful pictorial and narrative exploration of the significance of objects in our lives, drawn from her personal artifacts, recollections, and selections from the collection of the Cooper-Hewitt, Smithsonian Design Museum. With more than fifty original paintings and featuring bestselling author and illustrator Maira Kalman's signature handwritten prose, *My Favorite Things* is a poignant and witty meditation on the importance of both quotidian and unusual objects in our culture and private worlds. Created in the same colorful, engaging, and insightful style as her previous works, which have won her fans around the world, *My Favorite Things* features more than fifty objects from both the Cooper-Hewitt, Smithsonian Design Museum and Kalman's personal collections: the pocket watch Abraham Lincoln was carrying when he was shot, original editions of *Winnie-the-Pooh* and *Alice in Wonderland*, a handkerchief in memoriam of Queen Victoria, an Ingo Maurer lamp, Rietveld's Z chair, a pair of Toscanini's pants, and photographs Kalman has taken of people walking towards and away from her. A pictorial index provides photographs of the actual objects and a short description of them, enhancing the reading experience. It's really clear that the most precious resource we all have is time." -Steve Jobs It is often said that the best things in life are free, I, for one, fully agree with the statement. To me, best does not imply the most beautiful or glamorous, or the most indulgent or heavenly, but it is those things which I held to be the most valuable and precious in my life.
