Emil Ferris

My Favorite Things Maira Kalman, 2014-10-21 From Maira Kalman, the author of the bestsellers *The Principles of Uncertainty* and *The Elements of Style*, comes this beautiful pictorial and narrative exploration of the significance of objects in our lives, drawn from her personal artifacts, recollections, and selections from the collection of the Cooper-Hewitt, Smithsonian Design Museum. With more than fifty original paintings and featuring bestselling author and illustrator Maira Kalman's signature handwritten prose, *My Favorite Things* is a poignant and witty meditation on the importance of both quotidian and unusual objects in our culture and private worlds. Created in the same colorful, engaging, and insightful style as her previous works, which have won her fans around the world, *My Favorite Things* features more than fifty objects from both the Cooper-Hewitt, Smithsonian Design Museum and Kalman's personal collections: the pocket watch Abraham Lincoln was carrying when he was shot, original editions of *Winnie-the-Pooh* and *Alice in Wonderland*, a handkerchief in memoriam of Queen Victoria, an Ingo Maurer lamp, Rietveld's Z chair, a pair of Toscanini's pants, and photographs Kalman has taken of people walking towards and away from her. A pictorial index provides photographs of the actual objects and a short description of them, enhancing the reading experience. As it speaks to the universal experience and importance of beloved objects in our lives—big and small, famous and private—this unique work is a fresh way of examining and understanding our society, history, culture, and ourselves.

My Favorite Thing is Monsters Emil Ferris, 2017-02-15 Set against the tumultuous political backdrop of late '60s Chicago, *My Favorite Thing Is Monsters* is the fictional graphic diary of 10-year-old Karen Reyes, filled with B-movie horror and pulp monster magazines iconography. Karen Reyes tries to solve the murder of her enigmatic upstairs neighbor, Anka Silverberg, a holocaust survivor, while the interconnected stories of those around her unfold. When Karen's investigation takes us back to Anka's life in Nazi Germany, the reader discovers how the personal, the political, the past, and the present converge.

Find My Favorite Things DK, 2021-03-02 Let your child's imagination run wild in this wonderfully busy, search-and-find board book - follow fun characters, spot and count things, and have an entertaining, I-spy adventure! From an exciting town to a sunny beach, a beautiful park to a colorful toyshop, little ones visit their best-loved places, search through the busy scenes, then point to and name all sorts of delightful things, building their vocabulary. They follow entertaining characters

like the little girl and her mum buying things for a birthday party, the young boy out and about with his grandparents, and playful Patch, the mischievous pup. They count scampering squirrels, fluttery butterflies, flying birds, and more. Plus there are favorite toys and fabulous treats to find, and a cool cat is hiding somewhere in each scene! A perfect interactive book to share with pre-reading toddlers or older children just beginning to read, every scene has Can you spot? questions, things to find that are certain colors or patterns, and open-ended prompts to encourage observation, exploration, and conversation. And at the end of the book, little ones can play a fun Look back and find... game. With so many favorite things to talk about, and characters to follow from page to page, children can use their imaginations to tell their own story. Perhaps they will continue the story even after they have finished the book!

What Makes It Great Rob Kapilow, 2011-09-06 A fresh guide to classical music from the acclaimed creator of NPR's What Makes It Great™ Rob Kapilow has been helping audiences hear more in great music for two decades with his What Makes It Great? series on NPR's Performance Today, at Lincoln Center, and in concert halls throughout the US and Canada. In this book, he focuses on short masterpieces by major composers to help you understand the essence of each composer's genius and how each piece—which can be heard on the book's web site—transformed the musical language of its time. Kapilow's down-to-earth approach makes music history easy to grasp no matter what your musical background. Explores the musical styles and genius of great classical composers, including Vivaldi, Handel, J.S. Bach, Handel, Haydn, Mozart, Beethoven, Schubert, Brahms, Chopin, Puccini, Wagner, Dvorak, Tchaikovsky, and Debussy Features an accompanying web site where you can see, hear, and download each short masterpiece and all of the book's musical examples Introduces you in depth to popular pieces from the classical repertoire, including Spring from the Four Seasons (Vivaldi), Dove Sono from The Marriage of Figaro (Mozart), the Prelude to Tristan and Isolde (Wagner), and Trepak from The Nutcracker Suite (Tchaikovsky) Written by acclaimed composer, conductor, and pianist Rob Kapilow: You could practically see the light bulbs going on above people's heads (The Philadelphia Inquirer); Rob Kapilow is awfully good at what he does (The Boston Globe); A wonderful guy who brings music alive! (Katie Couric) This book, along with the music on the companion web site, is an ideal starting point for anyone interested in classical music, whether first-time listener, experienced concertgoer or performing musician, offering an entree into the world of eighteen great composers and a collection of individual masterpieces spanning almost two hundred years.

Favorite Things 2 Introduction

In today's digital age, the availability of Favorite Things 2 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Favorite Things 2 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Favorite Things 2 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Favorite Things 2 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Favorite Things 2 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This

ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Favorite Things 2 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Favorite Things 2 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.

In conclusion, Favorite Things 2 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Favorite Things 2 books and manuals for download and embark on your journey of knowledge?
