"Oh, I Thought I was the Only One!!" Kopi Soh, 2012 Have You Ever Felt That No One Understands You? Have You Ever Wanted To Stop The Pain In Your Heart And Wished That The Hurt Would Just Dissipate? Discover Ways To Cope With The Downturns in Your Life Dear Reader, You have come to the right place. This book was written for you. It was written with you in mind, with the hopes of easing your pain by letting you feel less alone in dealing with the troubles in life. Through little insights, the book shows us how to live fully in every moment and how to be successful without compromise- the deep soul searching for harmony and happiness we all can achieve. Instead of chapters, this book is made up of 30 petals, as a metaphor for the exquisitely beautiful and ephemeral nature of life, each dealing with a commonly undiscussed dilemma in life. Like the cherry blossom, this book will bestow on its readers the license to hope, the courage to dream again and perhaps the optimism to look toward a brighter future. Each petal tells a simple story of an experience or life event - struggles of people just like you and me. More importantly, these blossoms serve as a reminder that life is transient and all problems are impermanent. Packed With Real Life Stories These issues are closely guarded dark secrets, little-known to even family and friends. Many people suffer alone, desperately struggling for years while keeping their secrets hidden for fear of humiliation, rejection and being ostracized by society. The author uses light humor to help readers identify and courageously deal with such issues within themselves, as well as in their relationships with others. By reading this book, you will feel less alone in coping with your problems and daily stressors. You will be able to pursue your passion in life, find your own happiness and perhaps someday learn to smile again. The most terrible poverty is loneliness, and the feeling of being unloved.

The Secret Hidden in Plain Sight Hoppy Bishop, 2014-05-23 God and Christ desperately want us to know what Satan has

been able to obscure and hide from mankind. Christ had one simple message he told everyone. We don't know what God and Christ desperately want us to know. The truth is in Scripture, and the keys to unlocking the secrets are available to this generation. This book will open your eyes to unbelievable truths. The story is so fantastic that it eclipses fiction, and much of what we have discovered flies in the face of inherited beliefs. We must be prepared to consider Scripture confirmed by history, current events, and new scientific discoveries. God's holy day memorial commands and observances detail what has happened and what will surely happen again. The news is good for believers and those who are willing to follow a simplified plan to understand what your Bible has to say about God's purpose to save all mankind. Somehow, we have lost our way, and the secret is hidden in plain sight. It is in your Bible, but roadblocks have crept into our interpretations and our understanding that frustrate the efforts of what God and Christ have to say. Once you begin to challenge yourself to dig deeper, you will see and understand more of what God would have you know. There are signs and wonders in Scripture, in memorial observances, and in the heavens that will open your eyes to fantastic events around us right now.

Sovereignty and Territorial Temptation Christopher R. Rossi,2017-04-27 This powerful book stands on its head the most venerated tradition in international law and discusses the challenges of scarcity, sovereignty, and territorial temptation. Newly emergent resources, accessible through global climate change, discovery, or technological advancement, highlight time-tested problems of sovereignty and challenge liberal internationalism's promise of beneficial or shared solutions. From the High Arctic to the hyper-arid reaches of the Atacama Desert, from the South China Sea to the history of the law of the sea, from doctrinal and scholarly treatments to institutional forms of global governance, the historically recurring problem of territorial temptation in the ageless age of scarcity calls into question the future of the global commons, and illuminates the tendency among states to share resources, but only when necessary.

A Year of Feasting Sonya A. Mozingo,2014-06-17 Author Sonya A. Mozingo grew up in a Christian home, but she never learned about the seven feasts of God. When she reached a desperate time in her life, she stumbled across a book on Gods feasts, and she learned that any believer in Yeshua Jesus Christ is an heir to Gods Abrahamic covenant not just Jews. God declares these feasts should be taught to our children and should be held at specific dates and times. The feasts are Gods rhythm and heartbeat; while its true that He can bless us at any time, these special occasions serve as an ancient portal to some of His richest blessings. If you are a believer and find yourself struggling to stay afloat and bound by the cares of life, then you may be unaware of the rich blessings, prosperity and freedom that can be yours by honoring Gods appointed days. Make a conscious choice to live a life full of abundance. By looking to the Bible, Jews and gentiles can come together and live as God intended through A Year of Feasting.
