Compassionate Intercultural Care Practices for Coping with Grief James Japheth Sudarshan

Harrichand, 2024-03-31 As humans, we all express our grief differently. Acknowledging this truth, Dr. James Harrichand examines Old Testament accounts of grief and mourning alongside the experiences of marginalized Guyanese and Vietnamese immigrant communities in Canada. He explores both biblical and pastoral theology through an anthropological lens, bridging the horizons of Scripture and culture in a hermeneutically and pastorally sensitive manner. Dr. Harrichand's focus on prosaic prayers in the Old Testament fills a significant gap in the scholarship, but this book is also significant for its immense practicality, sensitizing readers to grief's varied expressions and equipping culturally intelligent pastoral caregivers. He presents five compassionate intercultural care practices for coping with grief, grounding each in the living hope of the redemptive work of Jesus Christ, the one who bore our griefs and carries our sorrows.

I Can Learn to Pray the Lord's Prayer the Prayer of the Kingdom Winsome Walters, 2008-07 Appropriately, this absolutely fascinating book carries the title of the most perfect prayer we know - the one the Lord Jesus Christ Himself taught us to pray, to impart to us the true principle of spiritual prayer. *I Can Learn to Pray - The Lord's Prayer - The Prayer of the Kingdom*, is for anyone who wants to know God better as Father. This book is unique for its simplicity and direct appeal to the deepest religious yearnings of mankind. It is, within itself, the answer to the heartfelt prayer of anyone who has expressed the dominant concern to seek but have not found the One in tune with the diverse challenges and joys of their life. Each chapter has instructional writings and thought-provoking meditations along with inspirational quotations from the Bible, and the writing is expressed in a Father-child interactive conversation. It is the book's intent that countless numbers of people will be guided to lives made happier, richer, and nobler by the wisdom gathered in its pages. Winsome Walters had an unlikely beginning for the Christian life. Her father, hard-working and devout, sternly reminded her, I want my children to serve God. But although she was devoted to the ideals of her father's moral teachings, Ms. Walters was not prepared to commit to his exacting spiritual ambitions, and so she decided, I'll get away from God and find my freedom. But when God wants to find you, He knows where you are - even if you're miles away spiritually playing hide and seek. As a result of a remarkable experience in her life, Ms. Walters gave her heart to the Lord. With exceptional tenacity she continues her love for Christ at an unstoppable pace. Her commitment to loving God, combined with the empathy, care, and love she has for those whom Christ died, has inspired her to write this book.
