I Don'T Care What Mom Says, "Life Sucks" Craig A. Brand,2013-07-30 If you bought this book thinking you would read a series of humorous vignettes, guess again. This book is about Life, real life, not those fairy tales our mothers share with us as we grow up. Mommy wants her children happy and visited by Mickey Mouse, not those caped in evil. However, boys and girls, Mickey Mouse only lives in Disney, and we must be prepared for the Big Bad Wolf, who lives in the real world, and all of his huffing and puffing. Hopefully after reading this you will fortify your house with Craig Brands advice and hard learned experiences. This book is about survival in todays world. A rule book, so to speak, about living, and a must read. Craig Brand provides his audience with not only a strong dose of reality, but offers positive solutions to surviving the reality we must all endure; called Life. You will read this book from cover to cover and then do it again; hopefully re-purchasing the book as you re-read it. Yeah, Yeah, but thats Life! Craig Brand doesnt hold back his thoughts, comments and concerns regarding our survival while living, existing and just trying to get by in this world we were all born into. He doesnt discriminate as he drags the good, the bad and the ugly through the mud. Have you wondered why bad things are happening to you; well, read this book and not only will you understand why, but know what to do about it and be assured that survival is not just limited to you. Staying thoroughly entertained, the reader shall gain a new perspective on Life, and our reason to keep on living or not! This book captures what everyone thinks, truly knows, but doesnt want to say. It is brilliantly put

together in a way that life's realities make you want to cry or laugh or both. M. Norman Pardo, Managing Member of TCI Films, LLC
