NET, The TEXT Bible Michael DiMarco, Hayley DiMarco, 2022-08-09 What would you do if you could text all your questions, all your worries, all your doubts and fears to God? What if He was always online and would always answer you? Would you start typing right now? Someone once said that the single most important thing about you is your thoughts on God. Give that a minute to sink in. Why would that be? Because all your thoughts about humanity, love, suffering, and the like are shaped primarily by whether or not you think there is any meaning to it all, by whether or not you are on your own, and by whether or not God even cares about it all. Knowing who God is will give you answers to life's big questions that you might not have even known you needed. The NET, TEXT Bible is like a conversation between you, a friend teaching you about the faith, and the God of the Universe. It gives you a method of Bible study that's easy to remember and use for any passage of scripture: Talk to God; Encounter God and humanity; eXamine your heart; Talk to others. Plus, there's so much more! Features include: Book introductions Texting the Text: use the 4-step process of Scripture engagement Big Q of the Text: big life questions with short answers Who is God?: 100 short devotions on the person and character of God Praying the Text: learn how to start praying God's Word right back to Him Get to Know the Text: provides concise history of a major event or character Follow the Thread: navigate the Bible across topics Anatomy of the Text: describes parts of speech or important types of literature such as parables or apocalyptic books Terms of the Text: what you need to understand about some of the unique words in the Bible

NIVAC Bundle 8: General Epistles, Revelation George H. Guthrie, David P. Nystrom, Scot McKnight, Gary M. Burge, Craig S. Keener, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context. To bring the ancient messages of the Bible into today's world, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today's preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights they need to communicate God's Word with the same powerful impact it had when it was first written.
