The Moonsmith Gulzar: Orbiting the Celebrated Words Shailja Chandra,2021-11-16 I have passed through this

surgery a number of times. Mostly it has been skin-deep only. This is the first time it's an open-heart surgery - and Shailja is the Surgeon. She has touched deep down at the core of my poems. Most books about my works have not gone beyond the film lyrics or some popular ghazals - considering the popular choice of the people. But Shailja has gone beyond that and touched the soul. That's why I wrote to her once, Your work is the best work on my works, so far! I still stand by that statement. - GULZAR The Moonsmith Gulzar revolves around Gulzar's writings on some of the most significant themes of existence. It's a tribute to the way he writes about the intricacies of inner lives, the inextricable connection with nature, and the obscure dimensions of our existence. Shailja Chandra unravels how Gulzar awakens us to the majesty of the mundane that we commonly neglect. Chandra explores the profound depths of Gulzar's voice on each subject - to distill the essence where his signature poignancy, conscientiousness, or sagacity springs from.

She hasn't ever thought of herself as a performer, but when the wonderful director of Oz casts her as a Munchkin, she begins to see herself in a new way. As Julia becomes friendly with the poised and wise Olive—one of the adults with dwarfism who've joined the production's motley crew of Munchkins—and with her deeply artistic neighbor, Mrs. Chang, Julia's own sense of self as an artist grows. Soon, she doesn't want to fade into the background—and it's a good thing, because her director has more big plans for Julia! Bubbling over with humor and tenderness, this is an irresistible story of self-discovery and of the role models who forever change us.

Newborn Mothers Julia Jones,2018-12-15 The last thing Newborn Mothers need is another book. Endless experts and advice undermine your intuition and confidence. Information overload doesn't help when you feel isolated, exhausted and overwhelmed. What you really need is a hot cup of tea, a good night's sleep and a laundry fairy. (Sadly, these things can't fit inside a book!) But Newborn Mothers is about doing less, not more. It answers your real questions about the transformation to motherhood including...- Is baby brain real? Are you actually losing your mind?- You heard it takes a village to raise a child, but what does that look like in the 21st century? And how do you build yours?- You were told these are the best days of your life. Are you the only one finding it this hard? You planned for the birth, then realised those books and classes did nothing to prepare you for the rest of your life as a mother. Whether you are pregnant for the first time or your babies are growing up too fast, this book is your invitation to join a gentle, internal revolution in your heart and in your home. This book is a sanctuary for your birth as a mother.

Strange Stories Todd Oldham, 2014 Palm Beach society, celebrities, nudist colonies, politicians, bald-headed men's conventions, natural disasters, and even the world's fattest cat were all captured through the elegant and clever lens of photographer Gerald Davis. Davis produced a prolific body of work that is at once weird and wonderful. As a resident of West Palm Beach, Davis had access to the eccentric and rarefied world of wealthy Palm Beachers and eccentric Floridians. Many of his images evoke the glamour and irony of its subjects, such as a sequined and fur-draped socialite posing languidly with her cat underneath a massive chandelier and frescoed ceiling. Davis gets the shot with the cat's teeth digging in its owner's hand. Todd Oldham discovered these STRANGE STORIES and knew they needed to be compiled into this lovely and humorous look at our society through the lens of an unassuming and devoted photographer. This secret treasure trove of images that range from Elizabeth Taylor to the waterskiing squirrel and dirty crime in the mean streets of Miami is sure to surprise and delight its viewers.

Lampshades - How to Make Them Olive Earle, 2008-11 LAMPSHADES HOW TO MAKE THEM by OLIVE EAKLE WITH

ILLUSTRATIONS. Originally published in 1921. FOREWORD: The purpose of this book is to make the art of shading lamps and candles a little less of a problem to the amateur craftsman and it is hoped, also, that those who have already had some experience as shade makers, will find some practical hints that will be of value to them. Miss M. L. Morey, who is well-known as a designer and maker of lampshades, has given me the solution to many of the problems that beset the beginner. Of course, the subject is so many-sided that it is quite possible that some point of vital importance to some one particular worker, may not seem to have been given enough attention. Any further details of any phase of shade making, that may be needed, will be supplied gladly upon application to either Miss Morey or myself. Also information as to the where and the how to buy materials will be furnished to the craftsman who is unable to obtain supplies locally. It is suggested that the book be read as a whole, rather than the instructions be used from a single chapter, which, from its heading, apparently contains all the needed information. To have each chapter complete in itself would have entailed endless repetition, as, for instance, many of the suggestions for paper shades are interchangeable with the hints on silk shade making therefore, the best plan is to read the whole book and note details in each chapter that will be of assistance in the construction of the planned lamp. It is taken for granted that the sewing terms used will be understood by the needlewoman who tries her hand at shade making and fortunately there are so few technical terms used in the craft that it is not necessary to spatter the pages with explanatory footnotes. It is hoped that the rough diagrams will make clear some of the confusing points. With patience, careful workmanship and good taste, as fine a lampshade as money can buy, can be produced at a fraction of the cost of those offered in the stores. OLIVE EABIJS. Jan., 1921. Contents include: I THE LAMPSHADE 1 II CANDLE SHADES AND PAPER SHADES 13 III SILK SHADES AND LINING 28 IV FABRIC SHADES 41 V DECORATED SHADES 54 VI SHADES FOR SIDE-LIGHTS AND OVER-HEAD FIXTURES 63 VII PAPER SHADES 70 VIII TRIMMINGS, FRINGES AND ACCESSORIES ... 86 IX SHADES FOR CHILDREN TO MAKE 94 ILLUSTRATIONS Mat Empire Shade, Showing Use of Shirring, Box-Pleated Trimming and Fringe . . .
