Grace Like Scarlett Adriel Booker,2018-05-01 Though one in four pregnancies ends in loss, miscarriage is shrouded in such secrecy and stigma that the woman who experiences it often feels deeply isolated, unsure how to process her grief. Her body seems to have betrayed her. Her confidence in the goodness of God is rattled. Her loved ones don't know what to say. Her heart is broken. She may feel guilty, ashamed, angry, depressed, confused, or alone. With vulnerability and tenderness, Adriel Booker shares her own experience of three consecutive miscarriages, as well as the stories of others. She tackles complex questions about faith and suffering with sensitivity and clarity, inviting women to a place of grace, honesty, and hope in the redemptive purposes of God without offering religious clichés and pat answers. She also shares specific, practical resources, such as ways to help guide children through grief, suggestions for memorializing your baby, and advice on pregnancy after loss, as well as a special section for dads and loved ones.

Grown and Flown Lisa Heffernan,Mary Dell Harrington,2019-09-03 PARENTING NEVER ENDS. From the founders of the #1 site for parents of teens and young adults comes an essential guide for building strong relationships with your teens and preparing them to successfully launch into adulthood The high school and college years: an extended roller coaster of academics, friends, first loves, first break-ups, driver's ed, jobs, and everything in between. Kids are constantly changing and how we parent them must change, too. But how do we stay close as a family as our lives move apart? Enter the co-founders of Grown and Flown, Lisa Heffernan and Mary Dell Harrington. In the midst of guiding their own kids through this transition, they launched what has become the largest website and online community for parents of fifteen to twenty-five year olds. Now they've compiled new takeaways and fresh insights from all that they've learned into this handy, must-have guide. Grown and Flown is a one-stop resource for parenting teenagers, leading up to—and through—high school and those first years of independence. It covers everything from the monumental (how to let your kids go) to the mundane (how to shop for a dorm room). Organized by topic—such as academics, anxiety and mental health, college life—it features a combination of stories, advice from professionals, and practical sidebars. Consider this your parenting lifeline: an easy-to-use manual that offers support and perspective. Grown and Flown is required reading for anyone looking to raise an adult with whom you have an enduring, profound connection.

More Than Peach (Bellen Woodard Original Picture Book) Bellen Woodard,2022-07-26 Penned by the very first Crayon Activist, Bellen Woodard, this picture book will tug at readers' heartstrings and inspire them to make a difference! When Bellen Woodard's classmates referred to the skin-color" crayon, in a school and classroom she had always loved, she knew just how important it was that everyone understood that "skin can be any number of beautiful colors." This stunning picture book spreads Bellen's message of inclusivity, empowerment, and the importance of inspiring the next generation of leaders. Bellen created the More Than Peach Project and crayons with every single kid in mind to transform the crayon industry and grow the way we see our world. And Bellen has done just that! This moving book includes back matter about becoming a leader and improving your community just like Bellen. Her wisdom and self- confidence are sure to encourage any young reader looking to use their voice to make even great spaces better!

Heal Your Body Louise Hay,1995-03-07 Heal Your Body is a fresh and easy step-by-step guide. Just look up your specific health challenge and you will find the probable cause for this health issue and the information you need to overcome it by creating a new thought pattern. Louise Hay, bestselling author, is an internationally known leader in the self-help field. Her key message: If we are willing to do the mental work, almost anything can be healed. The author has a great deal of experience and firsthand information to share about healing—including how she cured herself after having been diagnosed with cancer. Hundreds of thousands of people from all over the world have read Heal Your Body and have found it to be an indispensable reference. Here are some typical comments: "I love this book. I carry it around in my purse, refer to it constantly, and share it with my friends." "HEAL YOUR BODY seems divinely inspired." "Thank you for writing HEAL YOUR BODY. It changed my ideas about diseases. As I am a doctor, it also changed the way I look at people."

Furiously Happy Jenny Lawson,2015-09-22 In Furiously Happy, #1 New York Times bestselling author Jenny Lawson explores her lifelong battle with mental illness. A hysterical, ridiculous book about crippling depression and anxiety? That sounds like a terrible idea. But terrible ideas are what Jenny does best. As Jenny says: Some people might think that being 'furiously happy' is just an excuse to be stupid and irresponsible and invite a herd of kangaroos over to your house without telling your husband first because you suspect he would say no since he's never particularly liked kangaroos. And that would be ridiculous because no one would invite a herd of kangaroos into their house. Two is the limit. I speak from personal experience. My husband says that none is the new limit. I say he should have been clearer about that before I rented all those kangaroos. Most of my favorite people are dangerously fucked-up but you'd never guess because we've learned to bare it so honestly that it becomes the new normal. Like John Hughes wrote in The Breakfast Club, 'We're all pretty bizarre. Some of us are just better at hiding it.' Except go back and cross out the word 'hiding.' Furiously Happy is about taking those moments

when things are fine and making them amazing, because those moments are what make us who we are, and they're the same moments we take into battle with us when our brains declare war on our very existence. It's the difference between surviving life and living life. It's the difference between taking a shower and teaching your monkey butler how to shampoo your hair. It's the difference between being sane and being furiously happy. Lawson is beloved around the world for her inimitable humor and honesty, and in *Furiously Happy*, she is at her snort-inducing funniest. This is a book about embracing everything that makes us who we are - the beautiful and the flawed - and then using it to find joy in fantastic and outrageous ways. Because as Jenny's mom says, Maybe 'crazy' isn't so bad after all. Sometimes crazy is just right.

Tiny Beautiful Things Cheryl Strayed, 2012-07-10 NATIONAL BESTSELLER • Soon to be a Hulu Original series • The internationally acclaimed author of *Wild* collects the best of The Rumpus's Dear Sugar advice columns plus never-before-published pieces. Happiness Through Hardship Caryn Sullivan, 2019-06-29 Does your diagnosis have you desperate as to what to do next? Shocked, scared and practically paralyzed with your next steps? Help is here in this brilliant, quick and simplified book backed with the best advice from a two-time cancer survivor who walked in similar shoes. Like a good friend holding your hand, Caryn Sullivan's Happiness through Hardship is written in support of cancer patients, their caregivers and/or friends who need direction during the first few weeks after diagnosis. This cancer-surviving guide book empowers readers to take immediate steps for being prepared, less-stressed and able to find a little joy within the journey. Happiness through Hardship directs those facing an initial cancer diagnosis with positivity and hope. Structured with thoughtful tips and anecdotes, this short book provides gentle guidance from the first few days to the thickness of treatments, and includes a journal and note-taking pages to be used as a reference during doctor appointments and meetings. After her own cancer diagnosis, Caryn understands the importance of a book that's easily digestible and not overwhelmingly long. Her insight provides a little light during the darker days. The first few weeks after diagnosis are often most challenging. Caryn was blessed to have three angels, Ellen Cavaiuolo, Mary Ann Wasil and Meghan Zucker guide her throughout the early days. This book is dedicated to them and half the proceeds will be donated to metastatic breast cancer research through The Cancer Couch Foundation.
