Postils for Preaching John Rollefson,2016-10-28 Postils for Preaching reprimates an old term for commentaries on the appointed texts by assisting preachers in their time-honored calling of preaching the Word. Postilla, some think, probably refers to the reflecting after this (meaning upon the texts) that preachers must do in the context of the lives of their congregations and larger communities. These essays do not aim to be sermons but sermon-starters, goads and incitements to consider the assigned texts with serious imagination and good humor, all in the context of the church year and its inter-textual connections. The intention of this publication is to dip into a lifetime of that exegetical and homiletical bag of tricks as Jesus himself obliquely recommended when he noted how every scribe who has been trained for the kingdom of heaven is like the master of a household who brings out of his treasure what is new and what is old (Matt 13:52). Please consider these postils a thesaurus (treasury) from which to borrow insights, references, and allusions as needed and found of value.

Turner,2019-08-23 Celebrating the Lectionary® is a supplementary catechetical resource that helps you bring the richness of the Lectionary and the liturgical year into your catechetical program. It can be used in Catholic school programs, during the process of preparing children for

Christian initiation, or as a supplement to a traditional basal text for Catholic school or parish religious education programs. It has been changed from a school year annual to now follow the pattern of the Lectionary. It includes sessions for every Sunday of the liturgical year (Advent, Christmas Time, Lent, Easter Time, and Ordinary Time), sessions for each day of the Sacred Paschal Triduum, and sessions for holydays, solemnities, and feasts so that you can use it in a variety of catechetical settings. Each session is easily adapted to your specific needs and time constraints, with sessions designed so that you can lead class discussions and activities with minimal preparation and make use of the resources you have on hand. Each session includes: - Background information for the catechists - Ways to connect the children's lives with the liturgical year - Full text of the day's Gospel reading and an age-appropriate guided reflection - Gospel-related activities - A take-home page for the families to do during the week
