**Emily Henderson, Angelin Borsics**

**Bright Bazaar** Will Taylor, 2014-04-29 Known for his bold and refreshing take on color, Will Taylor, the founder of Bright Bazaar—one of the world's leading interior design blogs—shares his secrets to choosing colors that work for every room in your house. Structured around the different spaces within the home, the book breaks down the how, when, and where of using different shades and color combinations--

*Pink House Living* Emily Murray, 2019-03-19 Pink has become the hottest color in interiors. Quartz Pink was the Pantone color of 2016 and since then the hue has gone from strength to strength, playing a starring role at the 2018 Milan Design Week. From advertising to design and fashion, millennial pink has taken popular culture by storm, and it isn't going anywhere House & Garden *Pink House Living* is a beautiful, practical guide to decorating with pink by Emily Murray of the award-winning *The Pink House* blog. Emily draws on her recent interiors projects to guide the reader through their own rose-tinted renovations and includes case studies on well-known interiors experts that reveal their use of pink, their go-to paint shades and where they glean pinkspiration. *Pink House Living* is not about decorating your home in pink from rooftop to rugs, but a look at how the color can be used alongside other hues—sometimes sparingly, sometimes in spades. Divided up by room, the book uses the color pink and its history as a starting point from which to discuss the decorating process. Readers will be entertained by Emily's interiors insights and witty turn of phrase while gaining invaluable advice on adding pink—and color in general—to their homes.

*Beata Heuman* Beata Heuman,2021-03-09 The highly anticipated debut monograph from one of today's leading designers championing playful, original interiors infused with Scandinavian flair. Swedish-born, London-based interior designer Beata Heuman founded her eponymous studio in 2013 after working for Nicky Haslam for nine years. In a short amount of time her lively interiors and custom furnishings have made her one of today's most in-demand creatives. Heuman's rooms, colorful spaces enlivened by exuberant elements and poetic inspirations, capture her signature quirkiness and Scandinavian attention

to detail while staying rooted in practicality. Lauded for international residential and commercial projects, Heuman has also garnered praise for her growing collection of bespoke fabrics, wallpaper, lighting, homewares, and furniture. This beautifully crafted volume presents Heuman's innovative approach in book form for the very first time. Organized according to design principle, each chapter offers fresh ways to think about decorating a home, finding your voice, making ordinary details extraordinary, and forging a truly unique space. Vibrant photographs showcase standout properties--including several London town houses and a Nantucket vacation residence--that are brought to life by cheerful color palettes, unexpected contrasts, and a *dégagé* use of bold patterns and texture. With original drawings and whimsical graphic details, this new tome is a dynamic look into the ethos and work of one of the most exciting names in interior design today.

**Habitat** Lauren Liess, 2015-10-13 “Stunningly simple, this field guide is a survival book for any budding decorator,” by “famed DC-based interior designer and blogger of Pure Style Home.” (USA Today) Lauren Liess, an interior designer and founder of the popular blog Pure Style Home, fuses her love of design and the great outdoors into all her work. In *Habitat: The Field Guide to Decorating*, Lauren invites readers to bring nature inside by mixing the textures of natural elements such as wood and stone with eclectic groupings of modern and quirky vintage pieces. Readers will be inspired by the unique style of these rooms, which include lovely framed botanical prints and Liess’s own textile patterns inspired by wildflowers and weeds. Divided into three sections, *Habitat* shows readers the fundamental elements of design, such as color, lighting, and furniture; addresses the intangibles of designing a space, such as aesthetics and creating a mood; and tackles unique room-specific challenges in every part of the house. “Designer Lauren Liess shares her favorite, not-always-conventional ideas for livening up any space with art.” —Country Living “Habitat looks at incorporating natural textures such as wood into your decorating scheme, along with florals, nature inspired textiles and vintage décor.” —Real Style Network “Rich with thoughtful advice on how to create livable, comfortable rooms that bring the beauty of the outdoors inside.” —Garden & Gun

**Template Mixing and Mastering** Billy Decker, 2020-09-21 Audio production is an incredibly rewarding craft. To take the raw, basic tracks of a fledgling idea and shape them into one glorious stereophonic sound wave is an amazing feat. The transformation from analogue to digital dominance has brought many advances in sound quality and new techniques, but

producing digital music with only a standard computer and DAW can be problematic, time-consuming and sometimes disappointing without the right approach and skills. In *Template Mixing and Mastering*, renowned mix engineer Billy Decker tackles the challenges of in-the-box production through his innovative template approach. He shares his passion and knowledge from over twenty years of industry experience, including an introduction to templates and a step-by-step guide to their set-up and a discussion of drum replacement technology. Channel and setting information for each of the drum, instrument and vocal sections of his template is discussed along with the master channel and his methodology of mixing and mastering. Finally, he gives professional advice and best practice.

**Escape Room Tango** CC Bridges, 2022-09-28 David never expected to fall for his rival. After getting fired and dumped, he wasn't even looking for a relationship. But she's the one woman he can't have—his business is the reason hers is failing. Elena built her escape room like she rebuilt her body after the accident—piece by piece with determination. And this guy thinks he can show up and put in the minimal work? He deserved to have the fire inspector called on him. But Elena can't ignore the connection between them. Will she have to sacrifice her dreams for a chance at love?

**Play Nice** Jason Schreier, 2024-10-08 A NEW YORK TIMES BESTSELLER AND AN NPR BEST BOOK OF 2024 From a New York Times bestselling author and investigative journalist comes *The Social Network* for the video game industry, a riveting examination of Blizzard Entertainment's rise and shocking downfall. For video game fans, the name Blizzard Entertainment was once synonymous with perfection. The renowned company behind classics like *Diablo* and *World of Warcraft* was known to celebrate the joy of gaming over all else. What was once two UCLA students' simple mission — to make games they wanted to play — launched an empire with thousands of employees, millions of fans, and billions of dollars. But when Blizzard cancelled a buzzy project in 2013, it gave Bobby Kotick, the infamous CEO of corporate parent Activision, the excuse he needed to start cracking down on Blizzard's proud autonomy. Activision began invading Blizzard from the inside. Glitchy products, PR disasters, mass layoffs, and a staggering lawsuit marred the company's reputation and led to its ultimate reckoning. Based on firsthand interviews with more than 300 current and former employees, *Play Nice* chronicles the creativity, frustration, beauty, and betrayal across the epic 33-year saga of Blizzard Entertainment, showing us what it really means to bleed Blizzard blue. Full of colorful personalities and dramatic twists, this is the story of what happens when the ruthless pursuit of profit meets artistic idealism.

**Dialogues between Psychoanalysis and Architecture** Christina Moutsou, 2023-11-28 *Dialogues between Psychoanalysis and Architecture* explores the multisensory space of therapy, real or virtual, and how important it is in providing the container for the therapeutic relationship and process. This book is highly original in bringing psychoanalysis and architecture together and highlighting how both disciplines strive to achieve transformation of our psychic space. It brings together contributions that comprise three parts: the first explores the space of the consulting room through the

senses to examine issues such as smell and its link with memory and belonging, hearing out the Other, the psychoanalytic couch, the medical therapy room and the so-called sixth sense; secondly, the book questions how the consulting room can represent or be redesigned to reflect the philosophy that underlies the therapy process, foregrounding an architectural point of view; and thirdly, the book attends to the significance of the consulting room as a virtual space, as it emerged during the pandemic of COVID-19 and beyond. Architectural, psychotherapeutic and interdisciplinary perspectives allow for an important new dimension on the psychological use of space, and will appeal to psychoanalysts, psychoanalytic and integrative psychotherapists, art therapists, students of psychotherapy, as well as architects and designers.

Even the initial design and planning stages are presented step by step, to give you confidence when devising color

schemes, designing layouts, and choosing flooring or lighting options. Approaching the home room by room, every practical project is given the step-by-step treatment too, encouraging you to make blinds, cover cushions, put up wallpaper and much more. Clear instructions and photography (or diagrams) are provided to help you at every stage. Comprehensive in its scope, and utterly practical, Step-by-Step Home Design and Decorating is the indispensable reference for anyone restyling their home.

**The Transformers** Andreas Graesser, 2020-08-27 The Transformers is all about Simplification and the Digital Enterprise. The story takes you on a journey through the digital world in times when economic conditions force companies to manage their bottom-line rigorously. Despite these conditions, digitization is in full swing. Digital strategies that are simple and understandable can create competitive advantages for companies' futures, shielding them from potential future threats. Published right in time, the book The Transformers shows how companies can immediately save cost with data transformation at the push of a button, and, at the same time, accelerate its digitization. It will empower you to drive transformation and end-to-end information management of the digital core successfully. The Transformers lays out the digital building blocks for businesses and introduces Artificial Intelligence and digital platforms to tackle Big Data. Also included, detailed descriptions of Digital Business Transformation enhance your understanding while demonstrating its applicability to digitization. The value of enterprises' core data shines like crown jewels that absolutely demand protection and safety. Graesser illustrates how to manage business data rightfully, and he explains the full data life cycle management with a focus on the historization of old data in terms of preservation and protection. The heart of the book consists of two chapters with in-depth explanations of technical platforms needed to conquer the Big Data challenges. The SAP HANA 2.0 platform, with its in-memory database, transforms the meaning of and the value out of Big Data with many advanced analytical capabilities. The Historization platform JiVS IMP by Data Migration International complements the operational enterprise systems with sophisticated data transformation capabilities realizing major value scenarios. In combination, both platforms together allow significant simplification of data management for real-time data business models. Strategic thinking and developing strategies, in principle, is an art more than 2,500 years old. From Battlefield to Greenfield, The Transformers bridges the time-gap from ancient China with its famous war strategist Sun Tzu who lived around 500 BC, to the digital era today. The fighting happened then, and it happens today in business with arms, battlegrounds, and warriors. Graesser provides significant insights on how to plan victories and to win battles even without fighting. The visions and strategies are substantial and have never moved out of the central attention of leaders. You can touch and feel Digital Business Transformation with stories about the digital journeys of enterprises across different industries. And the book closes with the 'Tips from the Top' chapter. It features Thomas Failer (founder of Data Migration International), Bjoern Braemer (Senior Vice president at SAP SE), Peter Hartmann (former CIO of the Geberit Group), and Tom Pfister (CEO Nytro Marketing). The

book's audiences include C-suite business leaders and will appeal to all decision-makers who drive transformational business or Information Technology programs.
