Counseling One Another Paul Tautges,2016-02-01 This paradigm-shifting book helps believers understand the process of being transformed by God's grace and truth, and challenges them to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ. *Counseling One Another* biblically presents and defends every believer's responsibility to work toward God's goal of conforming us to the image of His Son—a goal reached through the targeted form of intensive discipleship most often referred to as counseling. All Christians will find *Counseling One Another* useful as they make progress in the life of sanctification and as they discuss issues with their friends, children, spouses, and fellow believers, providing them with a biblical framework for life and one-another ministry in the body of Christ.
