Light Love Rituals Ronesa Aveela,2015-05-27 • Discover Ancient Bulgarian Myths, Legends, Folklore, and Mythology • Meet Heroes from Greek Mythology with Thracian Origins • Enjoy Diverse, Delicious Modern and Traditional Bulgarian Recipes A book for children and adults from 8 to 108 who would like to take a journey and discover Bulgarian folk tales, legends, and mythology. Whether you want to learn a little about their ancient Thracian origins, or you want to experience rituals practiced throughout the year with a fictitious Bulgarian family, or even if you're only interested in traditional Bulgarian cuisine, this book has something for everyone. Bulgarian culture is rich in folklore and traditions surviving since the days of the ancient Thracians. As pagan and Christian religions collided, many celebrations merged into one. "Light Love Rituals" will take you on a journey to discover these unique festivals. • Illuminated by the light of the full moon, a woman in a long, white robe holds an icon while she dances in a trance over burning coals. The mystical music of a shepherd's pipe plays in the background. • Women dressed in colorful outfits dance in a circle, then pass through an enormous wreath made of magical healing herbs. • Wild spring flowers decorate the hair of young girls. Laden with baskets filled with colorful Easter

eggs, the youths travel from house to house singing to bring health and prosperity to the village. • Men clothed like wild animals with colorful, scary masks parade around a village. Attached around their waists, giant cow bells resound announcing their arrival. The men jump and yell to scare away evil spirits. Light Love Rituals, not only describes the rituals, but also makes them interesting and understandable to people of all ages. The book is divided into four seasons, beginning with winter. It includes activities where you can learn how to make martenitsi, survachka, and Easter eggs dyed with natural colors. A short quiz after each season lets you test your knowledge of what you've read. To help you engage in the traditions in the book, you'll meet Maria and her family. They'll open the doors of their home so you can participate in these celebrations along with them. For an added taste of Bulgaria, try some of the traditional recipes at the end.

Werner's Readings and Recitations ,1916

Chaplain to the Confederacy A. James Fuller,2000-10-01 As Jefferson Davis paraded through the streets of Montgomery, Alabama, to take the oath of office as the first president of the Confederate States of America, two men accompanied him in his open coach: Alexander Stephens -- the vice-president-elect -- and Basil Manly. A noted southern Baptist preacher, educator, and the most ardent secessionist of them all, Manly had been selected to serve as chaplain to the provisional Confederate Congress and opened the inaugural ceremonies with a prayer. For nearly thirty years, Manly had worked devotedly for the establishment of a southern nation, and in 1861, his sermons and public prayers before church and congress lent moral and religious legitimacy to the new Confederate government. In this, the first full biography of Manly, A. James Fuller analyzes the life and career of this working minister, illustrating the central role of religion in the formation of the Confederacy. Fuller argues that Manly brought together the various themes of the broader culture into his own conception of Christian gentility, including his actions as the official chaplain to the Confederate government. In Manly's eyes, the Confederacy was the incarnation of God's plan for the South. A planter, slaveholder, and staunch defender of the peculiar institution, he hoped to temper the brutality of bondage by promoting the Christian duties of masters as well as slaves. In practice he tried to reconcile the traditions of honor and evangelical virtue, the contradictions of white liberty and black slavery, the ideals of the individual and the need for community in matters both sacred and secular.

The Youth's Companion Nathaniel Willis,Daniel Sharp Ford,1898 Includes music.

Foxe's Book of Martyrs Ingram Cobbin,J. Milner,1856

The Horse Show at Midnight ; And, An Afternoon of Pocket Billiards Henry Taylor,1992 The Horse Show at Midnight consists of poems Taylor wrote while still an undergraduate at the University of Virginia, and many of the poems in An Afternoon of Pocket Billiards were composed while he was in the graduate writing programs at Hollins College.
