The Scandinavian Home Niki Brantmark, 2017-04-18 Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are

combined to create aesthetically pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

Everyone in This Room Will Someday Be Dead Emily Austin, 2021-07-06 In this “fun, page-turner of a novel” (Sarah Haywood, New York Times bestselling author) that's perfect for fans of *Mostly Dead Things* and *Goodbye, Vitamin*, a morbidly anxious young woman stumbles into a job as a receptionist at a Catholic church and soon finds herself obsessed with her predecessor's mysterious death. Gilda, a twenty-something, atheist, animal-loving lesbian, cannot stop ruminating about death. Desperate for relief from her panicky mind and alienated from her repressive family, she responds to a flyer for free therapy at a local Catholic church, and finds herself being greeted by Father Jeff, who assumes she's there for a job interview. Too embarrassed to correct him, Gilda is abruptly hired to replace the recently deceased receptionist Grace. In between trying to memorize the lines to Catholic mass, hiding the fact that she has a new girlfriend, and erecting a dirty dish tower in her crumbling apartment, Gilda strikes up an email correspondence with Grace's old friend. She can't bear to ignore the kindly old woman who has been trying to reach her friend through the church inbox, but she also can't bring herself to

break the bad news. Desperate, she begins impersonating Grace via email. But when the police discover suspicious circumstances surrounding Grace's death, Gilda may have to finally reveal the truth of her mortifying existence. With a "kindhearted heroine we all need right now" (Courtney Maum, New York Times bestselling author), *Everyone in This Room Will Someday Be Dead* is a crackling and "delightfully weird reminder that we will one day turn to dust and that yes, this is depressing, but it's also what makes life beautiful" (Jean Kyoung Frazier, author of *Pizza Girl*).

Bespotted Linda Gray Sexton, 2015-10-13 The Sexton family's long love affair with the Dalmatian began in Linda's childhood. There, on a snowy morning in the family home just outside Boston, Linda heard a whimpering coming from the basement. She discovered their first family dog giving birth to a litter. Witnessing the intimate act of birth had a profound effect on the family. Her mother, Anne, used the experience to complete the poem *Live*, part of her third collection, titled *Live or Die*, which would be awarded a Pulitzer Prize. For Linda, the boundless joy of both breed and breeding triggered in her a lifelong love of Dalmatians. All told, thirty-eight Dalmatians will move through her life: the ones that cheer and support her through difficulty, divorce, and depression; the ones that stay with her as she enters the world of professional breeding and showing of Dals; and, of course, the one true dog of her heart, Gulliver, her most stalwart of canine champions. *Bespotted* is a page-turning and compelling look at the unique place dogs occupy in our lives. It captures another piece of this literary family's history, taps into the curious and fascinating world of dog showing/dog fancy. *Bespotted* is an upbeat and commercial memoir by one of the most critically acclaimed memoirists of our time.
