*The Radiant Midnight* Melissa Maimone, 2019-04-02 "In *The Radiant Midnight* you will find not merely abstract ideas about the essence of darkness or how to go about facing it. You will also find humor, Wisdom. Honesty. You will find Melissa's very bone and blood...it is here, then, in reading—rather, perhaps, listening to—her words, that your heart, trapped as it may feel in its own midnight, begins to see the first signs of dawn." -Curt Thompson, MD, author of *Anatomy of the Soul*  
Grace and Hope for Long Dark Nights Have you ever suffered with depression, sadness, or the feeling that you just can't seem to get it together? Do you wonder if you could ever view your deepest wounds in a different light? Through candid storytelling, biblical truth, honest lament, and unexpected humor, *The Radiant Midnight* is a bold refusal to simplify the experience of suffering by moving too quickly to try to relieve it. With questions to guide you and practical suggestions to lead you through dark moments, this book takes you on a journey of surrender, suffering, rest, and restoration as it encourages and comforts you in whatever struggle you face. The message of *The Radiant Midnight* is fueled by the passionate belief that not only will God lead you out of darkness, He will be fully and beautifully present within it. You can find deep contentment in painful circumstances and discover a profound intimacy with a compassionate, tender God who is with you in every moment—in each hope-filled dawn and every radiant midnight.

**The Gospel According to Matthew**, 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

Like its predecessors, the new book will make an excellent gift, whether for seminary graduation, Pastor's Appreciation Month, ministry anniversaries, or any special occasion. *Liturgy and Life Study Bible* John W. Martens,Paul Turner,2023-07-13 How does the Bible form our worship practices? How does liturgy incorporate the Bible? The Liturgy and Life Study Bible explores these questions and provides answers for today's church. This indispensable guide includes essays from the world's top liturgical and biblical scholars on a variety of subjects, including Jewish liturgical traditions, Psalms as liturgical prayer, early church worship, social justice, sacraments, the Last Supper, and more. Throughout the biblical text, brief comments flag passages that contain something of liturgical or personal prayer interest. A correlation chart highlights the intersection between biblical passages and the Catholic liturgy, listing every place where a verse of the Bible appears in any liturgical book: the Missal, the orders of sacramental rites, even the Roman Gradual and the Martyrology. This one-of-a-kind tool will serve researchers, catechists, preachers, and anyone studying the Bible for the purposes of prayer and meditation. Uses the New American Bible, Revised Edition. Cover art by Jan Richardson. Includes eight full color map images.

**Imagine Paul** G. Roger Greene,2024-10-17 Can the real Paul the apostle live again in a postmodern, technological age? Paul's ministry stood at the very headwaters of the Christian gospel surrounding Jesus of Nazareth. His letters are the earliest documents contained in the New Testament. The current work calls upon the reader to actively engage Paul in his context, rather than to affirm the assumed theological Paul of later Christian orthodoxy. The reader is thus invited to walk

with a more real Paul as he may be imagined from the sources we have, to think Paul's thoughts with him through his letters, and to more fully experience the gospel of God that Paul knew and proclaimed. Paul was a "man in Christ" directly called by God to announce the gospel of God to both Jew and gentile in the midst of a world ruled by Rome. He did so through two major campaigns, rather than "three missionary journeys." He wrote pastoral letters to real first-century churches. The real Paul did not write theology, but he rather proclaimed a gospel to a world in search of a soul.
