*The Radiant Midnight* Melissa Maimone, 2019-04-02 "In *The Radiant Midnight* you will find not merely abstract ideas about the essence of darkness or how to go about facing it. You will also find humor, Wisdom. Honesty. You will find Melissa's very bone and blood...it is here, then, in reading—rather, perhaps, listening to—her words, that your heart, trapped as it may feel in its own midnight, begins to see the first signs of dawn." -Curt Thompson, MD, author of *Anatomy of the Soul*  
Grace and Hope for Long Dark Nights Have you ever suffered with depression, sadness, or the feeling that you just can't seem to get it together? Do you wonder if you could ever view your deepest wounds in a different light? Through candid storytelling, biblical truth, honest lament, and unexpected humor, *The Radiant Midnight* is a bold refusal to simplify the experience of suffering by moving too quickly to try to relieve it. With questions to guide you and practical suggestions to lead you through dark moments, this book takes you on a journey of surrender, suffering, rest, and restoration as it encourages and comforts you in whatever struggle you face. The message of *The Radiant Midnight* is fueled by the passionate belief that not only will God lead you out of darkness, He will be fully and beautifully present within it. You can find deep contentment in painful circumstances and discover a profound intimacy with a compassionate, tender God who is with you in every moment—in each hope-filled dawn and every radiant midnight.

Future Grace, Revised Edition John Piper, 2012-09-25 Explore this stunning quality of God's grace: It never ends! In this revision of a foundational work, John Piper reveals how grace is not only God's undeserved gift to us in the past, but also God's power to make good happen for us today, tomorrow, and forever. True life for the follower of Jesus really is a moment-by-moment trust that God is dependable and fulfills his promises. This is living by faith in future grace, which provides God's mercy, provision, and wisdom—everything we need—to accomplish his good plans for us. In *Future Grace*, chapter by chapter—one for each day of the month—Piper reveals how cherishing the promises of God helps break the power of

persistent sin issues like anxiety, despondency, greed, lust, bitterness, impatience, pride, misplaced shame, and more. Ultimate joy, peace, and hope in life and death are found in a confident, continual awareness of the reality of future grace.

The English Bible, King James Version: The New Testament and The Apocrypha (International Student Edition) (Vol. 2) (Norton Critical Editions) Austin Busch,Gerald Hammond,2016-04-04 A stunning work of scholarship, the Norton Critical Edition of The English Bible, King James Version, is the most accessible edition available. In celebration of the 400th anniversary of the King James Bible, these long-awaited volumes bring together succinct introductions to each biblical book, detailed explanatory annotations, and a wealth of contextual and critical materials. Archaic words are explained, textual problems are lucidly discussed, and stylistic features of the original texts are highlighted. For the New Testament and the Apocrypha, the introductions and annotations by Austin Busch and Gerald Hammond provide necessary historical and cultural background, while illuminating the complexity of the original texts. Supporting materials are divided into five sections. "Historical Contexts" excerpts Greek, Roman, and Jewish sources, such as Josephus, Philo, Tacitus, Pliny, and the Dead Sea Scrolls. Selections from Papias, Marcion, and Valentinus, among others, provide insight into the diversity of early Christianity. "Exegesis" explores classic New Testament commentary from Origen and Augustine to Strauss, Nietzsche, Wrede, and Schweitzer, who focus on the Gospels' vexing relationship to history. Essays by contemporary scholars and critics complete the section by exemplifying a range of interdisciplinary approaches to New Testament literature. The New Testament's powerful language and images have inspired some of the finest poems in the English language. This volume collects a wide selection of lyric poems, hymns and spirituals, and epics, from the Dream of the Rood to works by Countee Cullen, Elizabeth Bishop, and Anthony Hecht. Case studies designed to stimulate classroom discussion trace the development of Pontius Pilate as a character in post-biblical literature, follow the centuries-long exegetical debate about Romans 7, and survey competing hermeneutical approaches to Revelation. A final section samples fifteen translations of 1 Corinthians 13, from Wycliffe to contemporary versions.
