Bunny Mona Awad, 2019-06-11 NATIONAL BESTSELLER Soon to be a major motion picture Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unmangled! O Bunny you are sooo genius! —Margaret Atwood, via Twitter A wild, audacious and ultimately unforgettable novel. —Michael Schaub, Los Angeles Times Awad is a stone-cold genius. —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl and Rouge We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we? Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort--a clique of unbearably twee rich girls who call each other Bunny, and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled Smut Salon, and finds herself inexplicably drawn to their front door-- ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus Workshop where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. Named a Best Book of 2019 by TIME, Vogue, Electric Literature, and The New York Public Library

Chalked Up Jennifer Sey,2008-04-22 The true story of the 1986 U.S. National Gymnastics champion whose lifelong dream was to compete in the Olympics, until anorexia, injuries, and coaching abuses nearly destroyed her fanciful dreams of gold medals and Nadia Comaneci led Jennifer Sey to become a gymnast at the age of six. She was a natural at the sport, and her early success propelled her family to sacrifice everything to help her become, by age eleven, one of America's elite, competing at prestigious events worldwide alongside such future gymnastics' luminaries as Mary Lou Retton. But as she set her sights higher and higher—the senior national team, the World Championships, the 1988 Olympics—Sey began to change, putting her needs, her health, and her well-being aside in the name of winning. And the adults in her life refused to notice her downward spiral. In *Chalked Up* Sey reveals the tarnish behind her gold medals. A powerful portrait of intensity and drive, eating disorders and stage parents, abusive coaches and manipulative businessmen, denial and the seduction of success, it is the story of a young girl whose dreams would become eclipsed by the adults around her. As she recounts her experiences, Sey sheds light on the destructiveness of our winning-is-everything culture where underage and underweight girls are celebrated and on the need for balance in children's lives.

I Just Turned Two Dean Weitenhagen,2023-06-05 About the Book I JUST TURNED TWO: How I Learned to Live After Nearly Dying is a memoir detailing a seven-year period in the author's life where his wife, Patsy fought her way back from a stroke, and he struggled through intense chemotherapy treatments battling two bouts of fatal leukemia. Through it all, the author learned the answer to the oldest question about humanity: Why are we here? The author states: "My wife's and my journey is, plainly speaking, unique. When we as humans fully understand why we are here, it gives way to peace in our life as ordinary troubles become secondary." About the title—when one has a stem cell transplant, they "become" the person of their donor. A stem cell recipient gains a new blood type and even complete new DNA. It is called chimerism. The medical profession looks at one's transplant date as a new birthday. "Hence, as my transplant was on March 13, 2019, I am (was at the time I began writing the book) two years old." About the Author Dean Weitenhagen is a very recent resident of Arizona. He is an active member of the Board of Directors of Shepherd of the Desert Lutheran Church and is very involved in local political advocacy as a Precinct Committeeman.. He is married to Patsy Tobis and has two children: Jesse and Silas and one stepson, Zachary. Dean enjoys studying history and keeping up with current events. After completing training to be an air traffic controller, he spent twenty-one years in the broadcast television business and then twenty-five years in the commercial real estate business. His life experience throughout his working life, prepared him, he believes, to be able to handle the adversity he encountered beginning in 2017. And, it left him open minded enough to not focus on his troubles, but on what life is (should be) really all about.

It's Your Time You're Wasting Frank Chalk,2008-01-01 Frank Chalk is a teacher in a fairly poor inner city school - a school where the kids get drunk, take drugs and beat up the teachers... when they can be bothered to turn up. He confiscates their porn, booze and trainers, fends off angry parents and worries about the few conscientious pupils. Terrifying and

hilarious, IT'S YOUR TIME YOU'RE WASTING is Chalk's real-life diary from the front line of the modern edukashun system. This book is a real word-of-mouth title. Think of comic genius Chris Lilley's SUMMER HEIGHTS HIGH meets WASTING POLICE TIME by PC David Copperfield! Frank Chalk is a pseudonym for a disgruntled teacher in an inner city school in the UK - a school where the kids get drunk, take drugs and beat up the teachers when they can be bothered to show up. Just like PC Copperfield in WASTING POLICE TIME, it's blackly and bleakly humorous. It's the diary of life on the front line but in this case, it's in the modern edukashun system. Fighting apathy, Frank has to battle the tearaways, their parents, and he worries about the few conscientious pupils. He muses on the shortcomings of the staff (including his own) while confiscating porn and booze and even spots the odd spark of hope amid all the despair. The appalling decline of education in the UK is very much mirrored here in Australia and this book is perfectly timed for the Back to School Year. Frank Chalk was discovered via his popular blogsite: www.frankchalk.blogspot.com Frank taught for 16 years in state schools. He left the profession in late 2005 while still in his early 40s, having grown impossibly frustrated with working in the public sector education. He now runs his own business and is no longer involved in education (sensible bastard!). He's married to a teacher (poor bastard).
