The Prayer-Meeting and Its Improvement Lewis O. Thompson,2022-02-01 Prayer meetings are no longer held at many churches and sparsely attended at others, and when held are often dry and uninteresting. Why? Lack of clear, biblical leadership has largely been the fault. It is hardly possible to over-estimate the value of the prayer-meeting, as it stands related to the life and usefulness of the Church of Christ. In fact, no other service can be compared with this in importance -for without a live prayer-meeting the church will be spiritually cold, the Sabbath services will be formal (or in some cases too informal), and the children will be fed with husks instead of provisions from the Master's table. In this book, Lewis Thompson beautifully and clearly offers solutions to the age-old complaints about prayer meetings. No more must prayer meetings be given a backseat in the list of priorities in churches today. In the chapters of this book, Thompson addresses topics such as The Importance of Prayer Meetings, How to Make Prayer-Meetings Interesting, Helps to Speaking in Public, Songs and Singing, How to Secure Prayer-Meeting Attendance, The Need for Preparation, Topics and Illustrations, Bible Readings, How to Keep the Prayer-Meetings Hot, and more.

Future Grace, Revised Edition John Piper,2012-09-25 Explore this stunning quality of God's grace: It never ends! In this revision of a foundational work, John Piper reveals how grace is not only God's undeserved gift to us in the past, but also God's power to make good happen for us today, tomorrow, and forever. True life for the follower of Jesus really is a moment-by-moment trust that God is dependable and fulfills his promises. This is living by faith in future grace, which provides God's mercy, provision, and wisdom—everything we need—to accomplish his good plans for us. In *Future Grace*, chapter by chapter—one for each day of the month—Piper reveals how cherishing the promises of God helps break the power of persistent sin issues like anxiety, despondency, greed, lust, bitterness, impatience, pride, misplaced shame, and more. Ultimate joy, peace, and hope in life and death are found in a confident, continual awareness of the reality of future grace.

Ensign, 2004

O Woman, Great is Your Faith! Douglas Sean O'Donnell, 2021-08-26 The concept of "faith" holds a central position in New Testament and early Christian thought, yet this concept has not received the careful attention it deserves in the Synoptic Gospels. The present study offers a comprehensive analysis of "faith" as a key motif in the Gospel of Matthew, where it plays a major role in communicating this Gospel's vision for how readers should respond to the person and message of Jesus. The argument propounded is that Matthew's unique narrative portrayal of the Canaanite woman's faith (15:21-28) is used for pedagogical purposes, namely, that by comparing and contrasting her "great faith" with those characters expressing "no faith" and "little faith," Matthew uses Jesus's quantitative πίστις-terms to teach on the nature of true faith. She embodies Matthew's theological vision of faith! Even though she is a gentile outsider/enemy, she comprehends the universal scope and abundant blessings of Jesus's mission. Moreover, she acknowledges Jesus's messianic identity, correctly perceiving him to be both David's royal heir and David's Lord. Finally, based on who she perceives Jesus to be and the purpose of his mission, she demonstrates faith as trust manifested in action.
