Fair Play Eve Rodsky, 2021-01-05 AN INSTANT NEW YORK TIMES BESTSELLER • A REESE'S BOOK CLUB PICK Tired, stressed, and in need of more help from your partner? Imagine running your household (and life!) in a new way... It started with the Sh*t I Do List. Tired of being the “shefault” parent responsible for all aspects of her busy household, Eve Rodsky counted up all the unpaid, invisible work she was doing for her family—and then sent that list to her husband, asking for things to change. His response was...underwhelming. Rodsky realized that simply identifying the issue of unequal labor on the home front wasn't enough: She needed a solution to this universal problem. Her sanity, identity, career, and marriage depended on it. The result is Fair Play: a time- and anxiety-saving system that offers couples a completely new way to divvy up domestic responsibilities. Rodsky interviewed more than five hundred men and women from all walks of life to figure out what the invisible work in a family actually entails and how to get it all done efficiently. With 4 easy-to-follow rules, 100 household tasks, and a series of conversation starters for you and your partner, Fair Play helps you prioritize what's important to your family and who should take the lead on every chore, from laundry to homework to dinner. “Winning” this game means rebalancing your home life, reigniting your relationship with your significant other, and reclaiming your Unicorn Space—the time to develop the skills and passions that keep you interested and interesting. Stop drowning in to-dos and lose some of that invisible workload that's pulling you down. Are you ready to try Fair Play? Let's deal you in.

936 Pennies Eryn Lynum, 2018-02-06 Make the Most of Your Time with Your Children On the day of their baby dedication, Eryn and her husband were given a jar of 936 pennies. The jar contained a penny for every week they would raise their child until graduation, and they were instructed to remove one penny each Sunday as a reminder, placing it into another jar as an investment. At some point every parent realizes time is moving swiftly, and they ask themselves, How am I investing in my child? Through personal stories and biblical examples, 936 Pennies will help you discover how to capture time and use it to its fullest potential, replacing guilt and regrets with freedom. Meanwhile, your kids will see how simple choices, like putting the cell phone down and going on a family hike, will make all the difference. Together you will stretch time and make it richer. Craft a family legacy in tune with God's heartbeat as you capture a new vision for your children and learn the best ways to spend your pennies.
