The Art of Gathering Priya Parker, 2020-04-14 Hosts of all kinds, this is a must-read! --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together—at home, at work, in our communities, and beyond. In *The Art of Gathering*, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will

help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

Simple Parties, Significant Impact Tricia Ford Wilson, 2016-08-16 Home is a place of belonging, a place of eternal meaning, and it represents a taste of the new home, waiting for those who have been bought with a price. Until then, we have been commissioned to reach the world, starting with the particular geography where God has planted us. I love Tricia's emphasis on using our homes, millions of his embassies around the world, to welcome others to taste the love of God. It's a reflection of the many interactions Jesus had in homes. I hope this book will give women a vision for home-based God-expectant influence in their neighborhoods and communities (Barbara Rainey, *FamilyLife & Ever Thine Home*). Sometimes the most intimidating place to take the gospel is across the street to your family, friends, and neighbors. In this book, Tricia shares the simple and practical tools she uses to invite those living in her Jerusalem into a personal relationship with Jesus Christ. Making disciples of all nations including your own becomes less daunting using the advice Tricia offers in the pages of *Simple Parties, Significant Impact* (Kurt Nelson, president and CEO of East-West Ministries International). Jesus said, Go into all the world and proclaim the gospel to the whole creation (Mark 16:15). Did you know this can be done in the comfort of your own home? The whole creation will come right to your doorstep if you ask them. Learn how to host a simple party with a significant impact. You will be glad you did!
