Simple Parties, Significant Impact Tricia Ford Wilson,2016-08-16 Home is a place of belonging, a place of eternal meaning, and it represents a taste of the new home, waiting for those who have been bought with a price. Until then, we have been commissioned to reach the world, starting with the particular geography where God has planted us. I love Tricias emphasis on using our homes, millions of his embassies around the world, to welcome others to taste the love of God. Its a reflection of the many interactions Jesus had in homes. I hope this book will give women a vision for home-based God-expectant influence in their neighborhoods and communities (Barbara Rainey, FamilyLife & Ever Thine Home). Sometimes the most intimidating place to take the gospel is across the street to your family, friends, and neighbors. In this book, Tricia shares the simple and practical tools she uses to invite those living in her Jerusalem into a personal relationship with Jesus Christ. Make disciples of all nations including your own becomes less daunting using the advice Tricia offers in the pages of *Simple Parties, Significant Impact* (Kurt Nelson, president and CEO of East-West Ministries International). Jesus said, Go into all the world and proclaim the gospel to the whole creation (Mark 16:15). Did you know this can be done in the comfort of your own home? The whole creation will come right to your doorstep if you ask them. Learn how to host a simple party with a significant impact. You will be glad you did!

Starting from Scratch Sarah Ludwig, 2011-06-16 Create a successful, vibrant, and youth-centered teen services program with this practical, comprehensive guide—even when resources are limited. In order to develop a young adult department from the ground up, librarians need to be informed about a myriad of interrelated tasks and responsibilities: creating policies, purchasing materials, program scheduling, outreach, and budgeting. Even for libraries that already have teen-oriented materials within their facilities, keeping them current and fresh is a challenge, especially when budget or physical space is an issue. *Starting from Scratch: Building a Teen Library Program* is an instrumental resource for librarians who are either entering an established teen program with no previous experience, or establishing a new teen program in a library. It covers all steps in the process of becoming a successful teen librarian, from getting the job and advocating for a teen department to adding qualified staff and ongoing professional development.
