Tricia Foley Life/Style Tricia Foley,2015-09-29 Designer and lifestyle authority Tricia Foley illustrates her approach to creating elegantly pared-down environments for the home and work space. Designer Tricia Foley is best known for her timeless classical style, characterized by clean lines, natural materials, and vintage furnishings—from flea-market finds to antiques—and a palette of calming hues of cream, ivory, and white. In this book, Foley addresses such aspects of home design as selecting the perfect shade of white, setting up the pantry, bringing collected objects together, creating artful tabletops, organizing the home office, and much more. A collector—of china, of linens, of books—she explains that the only way to keep harmony is through editing. The designer provides a treasure trove of useful ideas, from her favorite storage products and essential items for the guest room to seasonal entertaining ideas and holiday decor. Foley’s romantic Long Island, New York, property—consisting of an eighteenth-century farmhouse and several outbuildings—serves as her personal laboratory and reflects a simple and well-designed style inherited from the basic tenets of Shaker design. Beautifully photographed, this inspiring book is a must-have for design-savvy individuals who desire a simple, but stylish, lifestyle.

Dare to Lead Brené Brown,2018-10-09 #1 NEW YORK TIMES BESTSELLER • Brené Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she’s showing us how to put those ideas into practice so we can step up and lead. Don’t miss the five-part Max docuseries Brené Brown: Atlas of the Heart! ONE OF BLOOMBERG’S BEST BOOKS OF THE YEAR Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don’t pretend to have the right answers; we stay curious and ask the right questions. We don’t see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don’t avoid difficult conversations and situations; we lean into vulnerability when it’s necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we’re choosing not to invest in developing the hearts and minds of leaders at the exact same time as we’re scrambling to figure out what we have

to offer that machines and AI can't do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Brené Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In *Dare to Lead*, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, "One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It's learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It's why we're here." Whether you've read *Daring Greatly* and *Rising Strong* or you're new to Brené Brown's work, this book is for anyone who wants to step up and into brave leadership.
