Akhil Sharma

Family Life: A Novel Akhil Sharma, 2014-04-07 One of The Atlantic's Great American Novels Winner of the 2016 International Dublin Literary Award Gorgeously tender at its core...beautiful, heartstopping...Family Life really blazes. —Sonali Deraniyagala, New York Times Book Review Hailed as a supreme storyteller (Philadelphia Inquirer) for his cunning, dismaying and beautifully conceived fiction (New York Times), Akhil Sharma is possessed of a narrative voice as hypnotic as those found in the pages of Dostoyevsky (The Nation). In his highly anticipated second novel, Family Life, he delivers a story of astonishing intensity and emotional precision. We meet the Mishra family in Delhi in 1978, where eight-year-old Ajay and his older brother Birju play cricket in the streets, waiting for the day when their plane tickets will arrive and they and their mother can fly across the world and join their father in America. America to the Mishras is, indeed, everything they could have imagined and more: when automatic glass doors open before them, they feel that surely they must have been mistaken for somebody important. Pressing an elevator button and the elevator closing its doors and rising, they have a feeling of power at the fact that the elevator is obeying them. Life is extraordinary until tragedy strikes, leaving one brother severely brain-damaged and the other lost and virtually orphaned in a strange land. Ajay, the family's younger son, prays to a God he envisions as Superman, longing to find his place amid the ruins of his family's new life. Heart-wrenching and darkly funny, Family Life is a universal story of a boy torn between duty and his own survival.

Fiction Ruined My Family Jeanne Darst, 2012-11-06 Beautifully paced . . . heartbreaking and hilarious.—USA Today Augusten Burroughs meets Mary Karr: a deeply funny and wickedly entertaining family memoir. The youngest of four daughters in an old, celebrated St. Louis family-- of prominent journalists and politicians on one side, debutantes and equestrians on the other-- Jeanne Darst grew up hearing stories of past grandeur. And the message she internalized as a young girl was clear: While things might be a bit tight for us right now, it's only temporary. Soon her father would sell the Great American Novel and reclaim the family's former glory. The Darsts move from St. Louis to New York, and Jeanne's father writes one novel, then another, which don't find publishers. This, combined with her mother's burgeoning alcoholism,

lead to financial disaster and divorce. And as Jeanne becomes an adult, she is horrified to discover that she is not only a drinker like her mother, but a writer like her father. At first, and for years, she embraces both activities— and until she can stop putting drinking and writing ahead of everything else, it's a questionable choice. Ultimately, Darst sets out to discover whether a person can have the writing without the ruin, whether it's possible to be both sober and creative, ambitious and happy, a professional author and a parent. Filled with brilliantly flawed, idiosyncratic characters and punctuated by Darst's irreverent eye for absurdity, *Fiction Ruined My Family* is a lovingly told, wickedly funny portrait of an unconventional life.

A Nearly Normal Family M. T. Edvardsson, 2019-06-25 Now a Netflix Limited Series ...A compulsively readable tour de force. —The Wall Street Journal New York Times Book Review recommends M.T. Edvardsson's *A Nearly Normal Family* and lauds it as a "page-turner" that forces the reader to confront "the compromises we make with ourselves to be the people we believe our beloveds expect." (NYTimes Book Review Summer Reading Issue) M.T. Edvardsson's *A Nearly Normal Family* is a gripping legal thriller that forces the reader to consider: How far would you go to protect the ones you love? In this twisted narrative of love and murder, a horrific crime makes a seemingly normal family question everything they thought they knew about their life—and one another. Eighteen-year-old Stella Sandell stands accused of the brutal murder of a man almost fifteen years her senior. She is an ordinary teenager from an upstanding local family. What reason could she have to know a shady businessman, let alone to kill him? Stella's father, a pastor, and mother, a criminal defense attorney, find their moral compasses tested as they defend their daughter, while struggling to understand why she is a suspect. Told in an unusual three-part structure, *A Nearly Normal Family* asks the questions: How well do you know your own children? How far would you go to protect them?

I'm Thinking of Ending Things Iain Reid, 2016-06-14 Now a Netflix original movie, this deeply scary and intensely unnerving novel follows a couple in the midst of a twisted unraveling of the darkest unease. You will be scared. But you won't know why... I'm thinking of ending things. Once this thought arrives, it stays. It sticks. It lingers. It's always there. Always. Jake once said, "Sometimes a thought is closer to truth, to reality, than an action. You can say anything, you can do anything, but you can't fake a thought." And here's what I'm thinking: I don't want to be here. In this smart and intense literary suspense novel, Iain Reid explores the depths of the human psyche, questioning consciousness, free will, the value of relationships, fear, and the limitations of solitude. Reminiscent of Jose Saramago's early work, Michel Faber's cult classic *Under the Skin*, and Lionel Shriver's *We Need to Talk about Kevin*, "your dread and unease will mount with every passing page" (Entertainment Weekly) of this edgy, haunting debut. Tense, gripping, and atmospheric, *I'm Thinking of Ending Things* pulls you in from the very first page...and never lets you go.

Everything I Know About Love Dolly Alderton, 2020-02-25 New York Times Bestseller There is no writer quite like Dolly Alderton working today and very soon the world will know it." —Lisa Taddeo, author of #1 New York Times bestseller

Three Women “Dolly Alderton has always been a sparkling Roman candle of talent. She is funny, smart, and explosively engaged in the wonders and weirdness of the world. But what makes this memoir more than mere entertainment is the mature and sophisticated evolution that Alderton describes in these pages. It’s a beautifully told journey and a thoughtful, important book. I loved it.” —Elizabeth Gilbert, New York Times bestselling author of *Eat, Pray, Love* and *City of Girls* The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate friendships, jobs, loss, and love along the ride When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly Alderton has seen and tried it all. In her memoir, she vividly recounts falling in love, finding a job, getting drunk, getting dumped, realizing that Ivan from the corner shop might just be the only reliable man in her life, and that absolutely no one can ever compare to her best girlfriends. *Everything I Know About Love* is about bad dates, good friends and—above all else— realizing that you are enough. Glittering with wit and insight, heart and humor, Dolly Alderton’s unforgettable debut weaves together personal stories, satirical observations, a series of lists, recipes, and other vignettes that will strike a chord of recognition with women of every age—making you want to pick up the phone and tell your best friends all about it. Like *Bridget Jones’ Diary* but all true, *Everything I Know About Love* is about the struggles of early adulthood in all its terrifying and hopeful uncertainty.

Happiness Is a Choice You Make John Leland, 2018-01-23 A New York Times Bestseller! An extraordinary look at what it means to grow old and a heartening guide to well-being, *Happiness Is a Choice You Make* weaves together the stories and wisdom of six New Yorkers who number among the “oldest old”— those eighty-five and up. In 2015, when the award-winning journalist John Leland set out on behalf of *The New York Times* to meet members of America’s fastest-growing age group, he anticipated learning of challenges, of loneliness, and of the deterioration of body, mind, and quality of life. But the elders he met took him in an entirely different direction. Despite disparate backgrounds and circumstances, they each lived with a surprising lightness and contentment. The reality Leland encountered upended contemporary notions of aging, revealing the late stages of life as unexpectedly rich and the elderly as incomparably wise. *Happiness Is a Choice You Make* is an enduring collection of lessons that emphasizes, above all, the extraordinary influence we wield over the quality of our lives. With humility, heart, and wit, Leland has crafted a sophisticated and necessary reflection on how to “live better”—informed by those who have mastered the art.

McRaven, 2017-04-04 Based on a Navy SEAL's inspiring graduation speech, this #1 New York Times bestseller of powerful life lessons should be read by every leader in America (Wall Street Journal). If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, What starts here changes the world, he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better. The Tech-Wise Family Andy Crouch, 2017-04-18 Making conscientious choices about technology in our families is more than just using internet filters and determining screen time limits for our children. It's about developing wisdom, character, and courage in the way we use digital media rather than accepting technology's promises of ease, instant gratification, and the world's knowledge at our fingertips. And it's definitely not just about the kids. Drawing on in-depth original research from the Barna Group, Andy Crouch shows readers that the choices we make about technology have consequences we may never have considered. He takes readers beyond the typical questions of what, where, and when and instead challenges them to answer provocative questions like, Who do we want to be as a family? and How does our use of a particular technology move us closer or farther away from that goal? Anyone who has felt their family relationships suffer or their time slip away amid technology's distractions will find in this book a path forward to reclaiming their real life in a world of devices.

Fences August Wilson, 2019-08-06 From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a

strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Woman and the New Race Margaret Sanger,2005-12-01 Are overburdened mothers justified in their appeals for contraceptives or abortions?... Will anyone... dare to say to these women that they should go on bringing helpless children in to the world to share their misery?... To say to these women that they should continue their helpless breeding of the helpless is stupid brutality. -from *Avoiding Childbirth* An iconic figure in the fight for reproductive rights for women in America, Margaret Sanger was a powerful voice in the early years of the 20th century. This 1920 book is Sanger's cry for the legalization of birth control and the education of women about their own bodies. With a fiery passion, she discusses: .women's struggle for freedom .the wickedness of creating large families .contraceptives or abortion? .legislating woman's morals .and more. An important record of the beginnings of the feminism in the modern era, Sanger's words remain vital and necessary at a time when women's control over their bodies continues to be challenged. American activist MARGARET HIGGINS SANGER (1879-1966) was an early advocate of birth control; she served as president of the International Planned Parenthood Federation from 1952 to 1959. She also wrote *Happiness in Marriage* (1926) and her autobiography (1938).

But It's Your Family . . . Sherrie Campbell,2019-01-01 A psychologist offers a roadmap for those looking to break free of toxic family relationships and thrive in the aftermath. Toxic family abuse is always two-fold. The first layer of abuse is the original poor treatment by toxic family members, and the second is someone's denial of the ways in which abusers treat and harm them. Loving someone doesn't always mean having a relationship with them, just like forgiveness doesn't always mean reconciliation. A significant part of healing comes with accepting that there are some relationships that are so poisonous that they destroy one's ability to be healthy and function best. *But It's Your Family* is a remarkable account of what it means to cut ties to toxic family abuse and thrive in the aftermath. Inside, Dr. Sherrie Campbell clarifies: · How parents, adult children, siblings, grandparents, and in-laws can be toxic · The difference between flawed and toxic family members · Explaining the cutting of ties to children and others who may not understand · Spiritual and religious views on forgiveness · The definition of cutting ties and what No Contact actually means When readers are able to bring closure to those toxic relationships, they give themselves the space to love those family members from a distance, as fellow human beings, with the knowledge that it is unwise to remain connected. Readers learn how to love themselves in the process and fundamentally change their lives for

the better!

Fewer, Better Things Glenn Adamson, 2018-08-07 From the former director of the Museum of Arts and Design in New York, a timely and passionate case for the role of the well-designed object in the digital age. Curator and scholar Glenn Adamson opens *Fewer, Better Things* by contrasting his beloved childhood teddy bear to the smartphones and digital tablets children have today. He laments that many children and adults are losing touch with the material objects that have nurtured human development for thousands of years. The objects are still here, but we seem to care less and know less about them. In his presentations to groups, he often asks an audience member what he or she knows about the chair the person is sitting in. Few people know much more than whether it's made of wood, plastic, or metal. If we know little about how things are made, it's hard to remain connected to the world around us. *Fewer, Better Things* explores the history of craft in its many forms, explaining how raw materials, tools, design, and technique come together to produce beauty and utility in handmade or manufactured items. Whether describing the implements used in a traditional Japanese tea ceremony, the use of woodworking tools, or the use of new fabrication technologies, Adamson writes expertly and lovingly about the aesthetics of objects, and the care and attention that goes into producing them. Reading this wise and elegant book is a truly transformative experience.

Things Fall Apart Chinua Achebe, 1994-09-01 “A true classic of world literature . . . A masterpiece that has inspired

generations of writers in Nigeria, across Africa, and around the world.” —Barack Obama “African literature is incomplete and unthinkable without the works of Chinua Achebe.” —Toni Morrison Nominated as one of America’s best-loved novels by PBS’s The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.
