One More Step Rachel Wojo,2015-10-20 “We’ve all had situations in our lives where we just couldn’t see how we’d make it through another day. With this book, you’ll be encouraged and lifted up by Rachel, a friend who understands how to seek God’s strength and healing in the midst of the pain!” —Lysa TerKeurst, author of *It’s Not Supposed to Be This Way* Learn to overcome obstacles—one step at a time through your faith in God. Life often sends hard things our way: illness, financial struggles, broken relationships, and so many kinds of loss. Sometimes we can’t imagine a way forward. So how do we keep going when everything is going wrong? Rachel Wojo has learned that hope rises to greet us when we find the strength to take One. More. Step. Like you, Rachel has faced experiences that crushed her dreams of the perfect life: a failing marriage, a daughter’s heartbreaking diagnosis, and more. In this book she transparently shares her pain and empathizes with yours,

then points you to the path of God's Word, where you'll find hope to carry you forward. One More Step gives you permission to ache freely—and helps you believe that life won't always be this hard. No matter the circumstances you face, through these pages you'll learn to: · run to God's Word when discouragement strikes · replace feelings of despair with the truth of Scripture · persevere through out-of-control circumstances and gain a more intimate relationship with Jesus Rachel identifies the reasons you may be tempted to quit and shows you where to find the courage to keep going, one step at a time. You're not alone. So don't give up. God won't let you down. That's a promise.

Surprised by Motherhood Lisa-Jo Baker, 2014-04-01 A lawyer with a well-stamped passport and a passion for human rights, Lisa-Jo Baker never wanted to be a mom. And then she had kids. Having lost her own mother to cancer as a teenager, Lisa-Jo felt lost on her journey to womanhood and wholly unprepared to raise children. *Surprised by Motherhood* is Lisa-Jo's story of becoming and being a mom, and in the process, discovering that all the what to expect and how to books in the world can never truly prepare you for the sheer exhilaration, joy, and terrifying love that accompanies motherhood. Set partly in South Africa and partly in the US (with a slight detour to Ukraine along the way), *Surprised by Motherhood* is a poignant memoir of one woman's dawning realization that being a mom isn't about being perfect—it's about being present.

Got Questions? S. Michael Houdmann, 2014-04-24 Everyone has questions. Young children ask "why?" Teenagers ask "why not?" Adults sometimes lament "what if?" The God who created us and who loves us has given us the answers to life's most pressing questions in His Word. Yet many people have no idea that God has the answers and has made them available in the Bible. Whether it is a question about where we will spend eternity or how to deal with the pain of a broken relationship, you can be sure it has been asked and answered already on www.GotQuestions.org, the source for this book. Sadly, many

individuals and ministries who offer advice are not biblically and theologically solid. That's why Got Questions? is crucially needed—a resource that answers questions explicitly from a biblical perspective, with solid evangelical theology. Written in an easy-to-understand format and organized in easy-to-follow sections, Got Questions? will help readers find the answers to the most frequently asked questions regarding spiritual matters. The questions were asked by real people struggling through real-life issues who received solid, practical answers from the Bible. The articles in this volume are compiled from the more than 3,800 frequently-asked questions on our website, which are read over 7 million times each month. Some of the articles have been translated into 150 languages. Many books present teaching in a question-and-answer format, but few have delved into the questions that people are actually asking. Having received and answered more than 380,000 questions, Got Questions Ministries has a unique understanding of what questions are truly on people's minds.

Deserving Desire Beth Montemurro, 2014-09-01 Women experience considerable changes in their bodies, lives, and identity between the ages of twenty and seventy, including marriage, motherhood, the dissolution of relationships, and menopause, all of which often impact sexuality. In *Deserving Desire*, Beth Montemurro takes a wide-ranging look at the evolution of women's sexuality over time, with a specific focus on the development of sexual subjectivity—that is sexual confidence, agency, and a sense of entitlement to sexual desire. Detailed stories of the ninety-five women in this study explore how they become more comfortable with their bodies, when most begin to enjoy sex, feel confident and positive about engaging in it, and how they become sexual subjects in control of their bodies. *Deserving Desire* explores the complex multi-stage process in which sexual subjectivity evolves over a woman's lifetime. As girls, they learn about sex and how those around them—parents, peers, religion and media—regard sex. Physical and emotional transitions such as having a baby or ending a relationship further affect women's sexual confidence and desire. Montemurro emphasizes that sexual subjectivity is about feeling in control of sexual decision making and acting purposefully and confidently. Though adolescent sexuality has been a major focus of sociological research, few studies have examined, as Montemurro does here, the development of sexuality through women's lives and the events that change the way women feel about themselves, their bodies, and their relationships.

Grace Like Scarlett Adriel Booker,2018-05-01 Though one in four pregnancies ends in loss, miscarriage is shrouded in such secrecy and stigma that the woman who experiences it often feels deeply isolated, unsure how to process her grief. Her body seems to have betrayed her. Her confidence in the goodness of God is rattled. Her loved ones don't know what to say. Her heart is broken. She may feel guilty, ashamed, angry, depressed, confused, or alone. With vulnerability and tenderness, Adriel Booker shares her own experience of three consecutive miscarriages, as well as the stories of others. She tackles complex questions about faith and suffering with sensitivity and clarity, inviting women to a place of grace, honesty, and hope in the redemptive purposes of God without offering religious clichés and pat answers. She also shares specific, practical

resources, such as ways to help guide children through grief, suggestions for memorializing your baby, and advice on pregnancy after loss, as well as a special section for dads and loved ones.
