Scott C. Dulebohn

Club 22 Tate James, 2024-09-24 From the author of the Madison Kate series comes the next in the dark and delicious interconnected Hades series, another biting why choose romance in Shadow Grove. I wasn't fighting this war with Chase alone. I never had been, with Zed at my back. But this time I also had Cass and Lucas, and goddamn if we weren't a force to be f***ing reckoned with. They say to keep your enemies close, and mine are all around me. At the heart of it are four dangerously gorgeous men: The man who wants to light my darkness and has already paid the price for loving me. The man who can handle my power and loves every dark inch of me. The man who has been my closest companion, and now threatens to upend our carefully balanced world in pursuit of me. But the fourth man is probably the most terrifying, because he wants to take the others away from me. He wants to tear the spinal column out of the empire I've built. Destroy my businesses. Destroy me. Why? Because this man should have stayed dead, but he didn't, and now he wants revenge. He will stop at nothing until he's carved out my bloody, beating heart and left me broken. But he should remember who he's dealing with. I'm not the girl he knew anymore, and I will never let him have what's mine.

Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Who Is Jesus? Greg Gilbert,2015-02-02 A famed historian once noted that, regardless of what you think of him personally, Jesus Christ stands as the central figure in the history of Western civilization. A man violently rejected by some and passionately worshipped by others, Jesus remains as polarizing as ever. But most people still know very little about who he really was, why he was really here, or what he really claimed. Intended as a succinct introduction to Jesus's life, words, and enduring significance, *Who Is Jesus?* offers non-Christians and new Christians alike a compelling portrait of Jesus Christ. Ultimately, this book encourages readers to carefully consider the history-shaping life and extraordinary teachings of the greatest man who ever lived.
