Easter Is Coming! , 2019-02-01 Mommy and her little ones are settling in for story time, and this time it's the biblical story of Easter that she's telling. As the youngsters hear God's tale unfold with its sometimes somber notes about sin and death, they are softly and continually reminded, “But Easter is coming!” By the end of the book, the anticipation has built and the children can celebrate the ending and the glory of Easter Sunday. In a time when children's Easter excitement often focuses on only egg hunts and candy, this book offers a different—and true—reason for joy and expectancy. It's designed to

be read and reread on the days leading up to Easter, telling the greatest story and building a sense of anticipation and celebration in little hearts. Go to bhkids.com to find this book's Parent Connection, an easy tool to help moms and dads (or anyone else who loves kids) discuss the book's message with their child. The Zero-Waste Chef Anne-Marie Bonneau, 2021-04-13 *SILVER WINNER for the 2022 Taste Canada Award for Single-Subject Cookbooks* *SHORTLISTED for the 2021 Gourmand World Cookbook Award* A sustainable lifestyle starts in the kitchen with these use-what-you-have, spend-less-money recipes and tips, from the friendly voice behind @ZeroWasteChef. In her decade of living with as little plastic, food waste, and stuff as possible, Anne-Marie Bonneau, who blogs under the moniker Zero-Waste Chef, has preached that zero-waste is above all an intention, not a hard-and-fast rule. Because, sure, one person eliminating all their waste is great, but thousands of people doing 20 percent better will have a much bigger impact. And you likely already have all the tools you need to begin. In her debut book, Bonneau gives readers the facts to motivate them to do better, the simple (and usually free) fixes to ease them into wasting less, and finally, the recipes and strategies to

turn them into self-reliant, money-saving cooks and makers. Rescue a hunk of bread from being sent to the landfill by making Mexican Hot Chocolate Bread Pudding, or revive some sad greens to make a pesto. Save 10 dollars (and the plastic tub) at the supermarket with Yes Whey, You Can Make Ricotta Cheese, then use the cheese in a galette and the leftover whey to make sourdough tortillas. With 75 vegan and vegetarian recipes for cooking with scraps, creating fermented staples, and using up all your groceries before they go bad--including end-of-recipe notes on what to do with your ingredients next--Bonneau lays out an attainable vision for a zero-waste kitchen.
