*Preaching after Easter: Mid-Pentecost, Ascension, and Pentecost in Late Antiquity* Richard W. Bishop, Johan Leemans, Hajnalka Tamas, 2016-06-21 The studies collected in *Preaching after Easter* examine the festal history and homiletics of Mid-Pentecost, Ascension, and Pentecost in the late antique Mediterranean world. Articles on individual sermons or the work of individual preachers such as John Chrysostom, Augustine of Hippo, Peter Chrysologus, Leo the Great, and Severus of Antioch exhibit the richness of late antique festal preaching. Questions of authenticity, heresiology, and theological, exegetical, or liturgical history are addressed with methodological rigor. Complementary contributions that deal with ancient Jewish-Christian dialogue, art-historical reception, and contemporary liturgical theology illustrate the wide ramifications of ancient Christian festal practice. Students and scholars of these feasts and the interpretive traditions devoted to them will find this volume to be an indispensable source of information and analysis.

Unsinkable Faith Tracie Miles, 2017-04-01 For many people, remaining optimistic and feeling positive about themselves and their lives is a constant battle—especially when circumstances are difficult and life is hard. For others, negativity is something that only sneaks up from time to time, yet still wreaks havoc in their hearts. Regardless of the root causes, once pessimistic thoughts permeate our minds, our feelings and emotions begin to control us instead of us controlling them. Eventually it doesn't seem possible to stay positive, happy, and full of joy, and negative thought patterns shake our faith, causing us to sink emotionally, mentally, and spiritually over time. But it doesn't have to be that way. Despite what storms roll in, hearts anchored in God don't sink. When we change the way we think, we can change the way we feel and live, even if our circumstances remain the same. Intentionally embracing the opportunity to experience a transformed heart and a renewed mind opens the door for a changed life, because a positive mind will always lead to a more positive life. In *Unsinkable Faith*, author and Proverbs 31 Ministries speaker Tracie Miles offers hope for women who struggle with negativity. Each chapter explores Tracie's and other women's personal stories, showing how they rose above their circumstances by transforming and renewing their minds. *Unsinkable Faith* is a breath of fresh air for anyone longing for a heart full of joy, an unbreakable smile, and a new, more optimistic perspective on life. This book will equip you to: Replace

pessimism with positive thinking by becoming the captain of your thoughts; Learn how true joy and happiness are based on choice, not circumstances; Overcome unhealthy habits of negative thinking by intentionally implementing three easy mind-renewing steps; Stop feeling hopeless and pitiful, and start feeling hope-filled and powerful instead; and Discover that when you change the way you think, you change the way feel, and in turn you can change your life completely.

**The Breath of the Soul** Joan Chittister,2009 This simple little book from a great spiritual giant attends to what we human beings are most inclined to forget: preparing for and engaging in prayer. It is an examination of what we ourselves must bring to the discipline of prayer--whatever form it takes--in order to make prayer authentic and real, a deep and

profound part of our lives. None of the brief reflections in this book are ever finished, ever closed, ever fully resolved. They are all ongoing steps along the way, steps we retrace over and over again as we do all the other parts of life, until they become the very breath we breathe, the vision and energy of our souls.

Jesus' Economy John D. Barry, 2019-01-08 You know people around the world are struggling. A homeless man holds a sign that reads, "Anything helps." A poor child lives in a slum swarming with flies. A refugee mother is on the brink of starvation. You ask yourself, "But what can I do about such big problems?" You're looking for long-term solutions. John D. Barry shares incredible, and often shocking, stories about working among the impoverished and unchurched in the U.S. and abroad. And since Barry is a Bible scholar, Jesus' Economy is also deeply rooted in the Scriptures. It is a personal, sometimes funny, often heartbreaking account that presents a revolutionary pattern for lasting change. Jesus' Economy is based on self-sacrifice. His currency is love. It's called Jesus' Economy because it's about creating a spiritual and physical economy for those who need it most. Here is a thoroughly biblical and compassionate pattern for addressing issues of poverty and offering the hope of the gospel. Jesus' Economy: • Shows how you as an individual can best encourage renewal in your community. • Demonstrates how your church community or any group can alleviate poverty. • Presents a unified plan for creating jobs, spreading the gospel, and meeting basic needs. • Focuses on community development and sustainability—lasting change, globally and locally. Jesus' Economy is a call to address our own spiritual poverty—as people who can too easily become distant from Christ—and it is a call to address the physical poverty all around us in a smart and sustainable way. Jesus' teachings show that with simple, everyday choices, you can make the world a better place and create enduring change. Here's how to live Jesus' economy—a currency of love. 100% of author's proceeds go to the nonprofit Jesus' Economy, to fuel the movement of creating jobs and churches in the developing world.

For days marked in the civil calendar, the challenge is to discern within secular celebrations appropriate connections with the Christian gospel. In *Preaching the Calendar*, masterful preacher J. Ellsworth Kalas discusses the importance of embracing holidays and special days as occasions when sermons can enlarge and deepen spiritual yearnings.
