**A Book about Mom with Words and Pictures by Me** Workman Publishing, 2021-03-30 Dear Mom, Keep this book forever to remember all the reasons why I love you. Every page has a heartwarming, imaginative (and sometimes cheeky!) prompt—a sentence to finish or an illustration to complete—to help kids capture everything they know and love about their parent, from their favorite things to do together to what kind of pizza topping they would be. A sheet of illustrated stickers gives kids even more ways to customize the work! Each book starts with a letter to parent from child, and then the fun begins, from: Your favorite animal is \_\_\_\_\_. You are terrified of \_\_\_\_\_! To: I wrote a story about you. Want to read it together? To: Look! I drew a picture of us on an intergalactic space adventure! And finally: This is us, having the greatest adventure ever. I love you, Mom!

**Pops** Craig Melvin, 2021-06-15 A deeply personal exploration of fatherhood, addiction, and resiliency from Craig Melvin, news anchor of NBC's *Today* show. For Craig Melvin this book is more an investigation than a memoir. It's an opportunity to better understand his father; to interrogate his family's legacy of addiction and despair but also transformation and redemption; and to explore the challenges facing all dads—including Craig himself, a father of two young children. Growing up in Columbia, South Carolina, Craig had a fraught relationship with his father. Lawrence Melvin was a distant, often absent parent due to his drinking as well as his job working the graveyard shift at a postal facility. Watching sports and tinkering on Lawrence's beloved (but unreliable) 1973 Pontiac LeMans were two ways father and son connected, but as Lawrence's drinking spiraled out of control, their bond was stretched to the breaking point. Fortunately, Craig had a loving, fiercely protective mother who held the family together. He also had a series of surrogate father figures in his life—uncles, teachers, workplace mentors—who by their examples helped him figure out the kind of person and father he wanted to be. *Pops* is the

story of all these men--and of the inspiring fathers Craig has met reporting his Dads Got This Series on the Today show. Pops is also the story of Craig and Lawrence Melvin's long journey to reconciliation and understanding, and of how all these experiences and encounters have informed Craig's understanding of his own role as a dad.

And these are projects for things kids want to make—and keep—from a juice-box owl to a pirate ship to a curio cabinet for displaying all of their treasures, plus games, jewelry, and more. Also included in the book are basic crafting lessons (such as pom-pom making and weaving) to help children of all ages build a DIY arsenal, a handy guide to must-have tools and materials, and a source directory.

It's always had a nice ring to it. Jeremy just never thought that one day his actual job would be 'a farmer'. And, sadly, it doesn't mean he's any good at it. From buying the wrong tractor (Lamborghini, since you ask . . .) to formation combine harvesting, getting tied-up in knots of red tape to chasing viciously athletic cows, our hero soon learns that enthusiasm alone might not be enough. Jeremy may never succeed in becoming master of his land, but, as he's discovering, the fun lies in the trying . . . \_\_\_\_\_ 'Very funny . . .
