*Danielle Walker's Against All Grain Celebrations* Danielle Walker, 2016-09-27 NEW YORK TIMES BESTSELLER • 125 recipes for grain-free, dairy-free, and gluten-free comfort food dishes for holidays and special occasions NAMED ONE OF THE FIVE BEST GLUTEN-FREE COOKBOOKS OF ALL TIME BY MINDBODYGREEN When people adopt a new diet for health or personal reasons, they worry most about the parties, holidays, and events with strong food traditions, fearing their fond memories will be lost along with the newly eliminated food groups. After suffering for years with a debilitating autoimmune disease and missing many of these special occasions herself, Danielle Walker has revived the joy that cooking for holidays can bring in *Danielle Walker's Against All Grain Celebrations*, a collection of recipes and menus for twelve special occasions throughout the year. Featuring a variety of birthday cakes, finger foods to serve at a baby or bridal shower, and re-creations of backyard barbecue standards like peach cobbler and corn bread, Danielle includes all of the classics. There's a full Thanksgiving spread—complete with turkey and stuffing, creamy green bean casserole, and pies—and menus for Christmas dinner; a New Year's Eve cocktail party and Easter brunch are covered, along with suggestions for beverages and cocktails and the all-important desserts. Recipes can be mixed and matched among the various occasions, and many of the dishes are simple enough for everyday cooking. Stunning full-color photographs of every dish make browsing the pages as delightful as cooking the recipes, and beautiful party images provide approachable and creative entertaining ideas. Making recipes using unfamiliar ingredients can cause anxiety, and while trying a new menu on a regular weeknight leaves some room for error, the meal simply cannot fail when you have a table full of guests celebrating a special occasion. Danielle has transformed her most cherished family traditions into trustworthy recipes you can feel confident serving, whether you're hosting a special guest with food allergies, or cooking for a crowd of regular grain-eaters.

*School Lunch* Lucy Schaeffer,2021-08-03 Bought or brought? Revisit the nostalgia of the school cafeteria with this collection of interviews, vivid portraits, and elaborately reimagined food photos. Food often unites us in unexpected ways -- especially on Taco Salad Day. Drawing on material from more than seventy voices , these stories capture all walks of life -- from celebrities and chefs to a circus family, new immigrants, a creative dad whose illustrated lunch bags went viral, plenty of unlikely cultural mashups, and one genuine cafeteria lady. Their experiences are compelling, familiar, and foreign at the same time, forming a cultural time capsule. School Lunch celebrates our diversity and our shared experience. In their words: School lunch is one of the core reasons I became a chef. -- Marcus Sammuelson My mom, God rest her soul, was not exactly Mom-of-the-Year on this kind of stuff. She worked full-time, that woman was not about to peel and slice fruit for me. -- Natalie Webster I ate the same damn thing every day for six years. -- Micaela Walker On the days when I didn't have enough food there was always a reason to start or finish a fight. -- George Foreman We were definitely a crusts-on family. -- Daphne Oz I used to hate that feeling of walking into the lunchroom for the first time and not knowing where to sit. -- Chinae Alexander Every kid had some good item to trade and I had f\*\*\*\*\* applesauce. -- Sam Kass
