Young House Love Sherry Petersik, John Petersik, 2015-07-14 This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, hack your Ikea table to create three distinct looks, and so much more.

Sticks and Stones Melissa Lennig, 2019-05-07 Sticks and Stones presents a treasure trove of building and engineering ideas for children to employ in the great outdoors using materials readily available to them to create cabins, tipis, bridges, dams, and more. Many smaller scale projects are included, too, such as making ochre paint with shale, creating a fishing pole from a branch, and carving a marshmallow roasting stick. Opportunities and materials for constructive play exist everywhere in nature. Author Melissa Lennig (of the blog Fireflies and Mud Pies) introduces today's screen-overloaded kids to this world of fun waiting just outside the door. Whether camping or hanging out in the back yard, children will marvel at the wonderful, useful tools and playthings they can create with natural objects. Sticks and Stones details various designs for the ever-popular fort (cabins, tipis, survival shelters, etc.) and also covers structures such as bridges, fences, and dams, while explaining the STEAM principles behind each. In addition to structures, there are other ideas and projects for camping and the backyard, like a fire ring (explaining the types of fires, airflow, and safety), the always useful tripod, a travois, a rock garden, and toy boats. Along the way, there are multi-leveled reading opportunities in the form of quick features on considerations like mindfulness, campfire safety, mini STEAM design challenges, and more. Sticks and Stones was named to the longlist for the 2020 AAAS/Subaru SB&F Prize for Excellence in Science Books in the Hands-On Science Book category. The prize honors outstanding science writing and illustration for children and young adults. This book is an essential resource for every junior outdoor adventurer.

A Long Walk to Water Linda Sue Park,2010 The New York Times bestseller A Long Walk to Water begins as two stories, told in alternating sections, about two eleven-year-olds in Sudan, a girl in 2008 and a boy in 1985. The girl, Nya, is fetching water from a pond that is two hours' walk from her home: she makes two trips to the pond every day. The boy, Salva, becomes one of the lost boys of Sudan, refugees who cover the African continent on foot as they search for their families and for a safe place to stay. Enduring every hardship from loneliness to attack by armed rebels to contact with killer lions and crocodiles, Salva is a survivor, and his story goes on to intersect with Nya's in an astonishing and moving way.

Ditch That Textbook Matt Miller, 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting by the textbook implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In Ditch That Textbook, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. Ditch That Textbook is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Relive Josh's passionate journey as he works to bring the joy of ice cream trucks to his town.

Guided Math AMPED Reagan Tunstall, 2021-03-31 In today's classrooms, the instructional needs and developmental levels of our students are highly varied, and the conventional math whole-group model has its downsides. In contrast to the rigid, one-size-ts-all approach of conventional whole-group instruction, guided math allows us to structure our math block to support student learning in risk-free, small-group instruction. Guided math goes beyond just reorganizing your math block; it also gives you an opportunity to approach math instruction with a renewed sense of perspective and purpose. Drawing on two decades of experience, Reagan Tunstall oers step-by-step best practices to help educators revolutionize their math blocks with a student-centered approach. Whether you're a new teacher who's curious about guided math or a veteran educator looking to hone your methodology, Guided Math AMPED will transform your math block into an exciting and engaging encounter that encourages your students to see themselves as genuine mathematicians. Most educators have come to realize that the magic happens at the teacher table or during small-group instruction. If that's the case, Guided Math AMPED is the

spell book. -JENNIFER SALYARDS, M.Ed., principal, Chamberlin Elementary, Stephenville ISD Guided Math AMPED provides educators with a practical framework for enhancing math instruction in a way that provides research-based practices, differentiated instruction, and fun, all while strengthening relationships with students and developing math mindsets. No matter your experience or tenure in education, Guided Math AMPED will give you tips and tricks to implement in your classroom. -MATT BERES, district administrator, Wooster, OH Guided math is one of the best things you can implement in your classroom, and Reagan Tunstall is the best to learn from, thanks to her perfect framework and step-by-step instructions. She has thought through every potential roadblock and offers concise solutions because she's experienced it all in her own classroom. -HALEE SIKORSKI, educator, A Latte Learning Don't you dare let another teacher borrow this book . . . you may never get it back! From the rst page to the end, this book is lled with practical ideas and guidelines guaranteed to take your guided math block to the next level. -LORI MCDONALD, M.Ed., retired educator

Life in Jeneral Jen Robin,2021-12-07 "Jen Robin is not just an organizer—she is a teacher and a healer. As she helps sort our 'stuff' she is also sorting our values, emotions, relationships, and dreams. She is a magician and this book will work magic on your home and life." - Glennon Doyle, #1 New York Times bestselling author of Untamed In this essential guide, the creative force behind the popular organization company Life in Jeneral reveals her emotionally engaged approach to decluttering—a unique process that empowers people to re-envision their spaces to suit their evolving needs. Life is about connection, not collection. Jen Robin's company, Life in Jeneral, focuses on the "soul work" of home organization—the psychological and emotional foundation necessary for creating a streamlined and sustainable lifestyle. For Jen, change comes from within—a process that to succeed, must begin with the heart. Americans are spending more time at home than ever before, and many have come to realize that their living spaces aren't serving them. We have too many things, resulting in physical and mental clutter. And the organizational strategies we try only go so far, leaving us feeling disconnected and disheartened. Life in Jeneral helps you build healthier mental habits that allow us to break free from the clutter, while providing traditional strategies to get—and stay—organized. Beautifully designed and featuring examples from Jen's personal experiences and those of her clients, Life in Jeneral teaches us how to: Flip common mental blocks that prevent us from organizational success Identify and tackle "clutter magnets"—the spaces where things seem to gather Discover common emotional baggage keyed to specific types of clutter Organize and evolve specific spaces in the home, room by room Life in Jeneral offers a holistic approach to organization; once we understand what we want from our spaces—how they can nurture and support our emotional well-being—we can create a home that feels both practical and joyful.

Frustration Busters Katie Powell, 2021-10-11 Helping teachers bust frustration before it even begins! Frustration is universal, even for the most effective and experienced teachers. The steady drip of forgotten pencils, classroom disruptions, and unrealistic expectations can chip away at our resolve, creating a chasm between our love of teaching and our ability to continue happily in our chosen profession. Even more, frustrated teachers pass their stress on to students, who can experience academic losses and instability from high teacher turnover. Author Katie Powell knows that there's no right way to respond to specific frustrations. Instead, this book provides a process teachers can use to respond to difficult situations in healthy, effective ways that align with their own teaching style and goals. Frustration Busters helps teachers identify the source of frustrations, learn how to tackle them when they arise, and implement practices that will help prevent them from occurring in the first place. It's filled with ideas for practical application that support a positive classroom experience. This book provides real, usable solutions that any teacher can deploy to break through common classroom frustrations. -Stephanie Simpson, chief executive officer of the Association for Middle Level Education This is the practical, compassionate, evidence-based guide every educator needs. -Phyllis Fagell, LCPC, author of Middle School Matters: The 10 Key Skills Kids Need to Thrive in Middle School and Beyond-and How Parents Can Help The book is filled with purposeful anecdotes paired with practical strategies that teachers can refer to in times of need. -Phil Strunk, teacher and moderator of Wins and Losses Chat
