Paris in Bloom Georgianna Lane, 2017-03-14 "Get ready for a beauty overload. It's food for the soul, it's a book of dreams and details, of flowers so perfect you want to hug them to you." —Carla Coulson, author of *Paris Tango Paris—City of Love, City of Light, City of Flowers*. From elegant floral boutiques to lively flower markets to glorious blooming trees and expansive public gardens, flowers are the essential ingredient to the lush sensory bouquet that is Parisian life. With beautiful photography, *Paris in Bloom* transports readers on a stunning floral tour of the city, and provides recommendations to the best flower markets and a detailed guide to spring blooms. Timeless in content, *Paris in Bloom* is a book for Paris lovers to savor again and again, one to keep on the nightstand to conjure fond memories of their first visit and inspire dreams of the next. "Brilliantly captures the splendor of French fleurs with lush photographs and elegant prose . . . A masterpiece!" —Laura Dowling, former chief floral designer at the White House "I don't know how Georgianna does it. She manages to make Paris, already the most beautiful city in the world, appear even more charming, more elegant and more beautiful than it already is . . . *Paris in Bloom* is filled with a veritable carpet of pinks and whites, pastels and green portraits that make me let out an audible sigh of joy. This book can re-inspire you to believe that yes, life really is quite beautiful." —Doni Belau, author of *Paris Cocktails* "Destined to become a classic of its type, *Paris in Bloom* is Georgianna Lane's love letter to Paris and to flowers." —Gray Levett, editor of *Nikon Owner* magazine

My Unlimited Journey Gina Mensah, 2019-12-23 Your planner has been intentionally put together, as a tool to inspire you in becoming an active participant in your life, a way in which you can plan, be mindful and execute your goals using a practical resource. It is a planner which encourages you to look at all areas of your life and will empower you to pay attention where needed, plan efficiently and celebrate your growth. Your planner is filled with 'BIG conversations with self', exercises

that will allow you to self reflect and other little nuggets that will add to your motivation and inspire you to be the change that you would like to see in all of mankind and the universe. Your planner was written from a high energy field and a place of authenticity and I hope you enjoy using your planner as much as I have enjoyed putting it together! I am faithful that your planner will encourage you to BE UNLIMITEDLY BOLD and 'begin or continue to Walk In Your Purpose with INTEGRITY ' If used correctly, you will be required to carry a pen/pencil with you at all times!!

An Audience of One Srinivas Rao,2018-08-07 The creator of the Unmistakable Creative podcast makes a counterintuitive argument: By focusing your creative work on pleasing yourself, you can increase your productivity, happiness, and (eventually, paradoxically) the size of your audience. Creating for your own pleasure--whether you're writing a novel, composing songs, or painting a landscape--can seem pointless. It's tempting to focus on pursuing money and fame, rather than the process itself. But as Srini Rao warns, creating then turns into a chore that can harm your self-esteem and suck the pleasure out of life, rather than being a source of joy. Rao, host of the podcast The Unmistakable Creative, argues that we should counter this thinking by intentionally creating art for ourselves alone--an audience of one. In this book he shares the fascinating true stories of creatives who took this path, along with actionable tips and the research of creativity experts. You'll learn, for example: How Oprah's intentional focus on her own work rather than the opinions of everyone else catapulted her into one of the most popular talk shows of all time. How being process-driven can not only help you produce more work, but can make you happier outside of your creative time. How to put together a creative team of rivals whose feedback can help you hone your craft and filter out useless feedback. By playing to an audience of one, we can find more happiness, increased productivity, and a greater sense of community.

Creative Curriculum Teaching Strategies,Gryphon House,Delmar Thomson Learning,1988-01-01 The Creative Curriculum comes alive! This videotape-winner of the 1989 Silver Apple Award at the National Educational Film and Video Festival--demonstrates how teachers set the stage for learning by creating a dynamic well-organized environment. It shows children involved in seven of the interest areas in the The Creative Curriculum and explains how they learn in each area. Everyone conducts in-service training workshops for staff and parents or who teaches early childhood education courses will find the video an indispensable tool for explainin appropriate practice.

Elizabethan Diplomacy and Epistolary Culture Elizabeth R. Williamson,2021-05-23 A new account of Elizabethan

diplomacy with an original archival foundation, this book examines the world of letters underlying diplomacy and political administration by exploring a material text never before studied in its own right: the diplomatic letter-book. Author Elizabeth R. Williamson argues that a new focus on the central activity of information gathering allows us to situate diplomacy in its natural context as one of several intertwined areas of crown service, and as one of the several sites of production of political information under Elizabeth I. Close attention to the material features of these letter-books elucidates the environment in which they were produced, copied, and kept, and exposes the shared skills and practices of diplomatic activity, domestic governance, and early modern archiving. This archaeological exploration of epistolary and archival culture establishes a *métier* of state actor that participates in – even defines – a notably early modern growth in administration and information management. Extending this discussion to our own conditions of access, a new parallel is drawn across two ages of information obsession as Williamson argues that the digital has a natural place in this textual history that we can no longer ignore. This study makes significant contributions to epistolary culture, diplomatic history, and early modern studies more widely, by showing that understanding Elizabethan diplomacy takes us far beyond any single ambassador or agent defined as such: it is a way into an entire administrative landscape and political culture.

Daycare Mrs. Bev,2018-05-26 I wrote this book to share my experiences of teaching in day care for twenty-eight years. My second reason is to share with teachers the importance of creating their classrooms with an abundance of learning centers. This includes art, math, science, language, drama, and blocks. I have experienced the educational value the children gain from them. They help children become independent. They begin to see things from another child's point of view by working together with them to create. Children can discover things that are new to them and make connections with things they already know. Children make a concentrated effort to complete purposeful activities. In each part of my descriptions of each center, I provide information and examples I was successful with.

The Reference Librarian's Bible Steven W. Sowards,Juneal Chenoweth,2018-07-26 Divided into dedicated categories about the subjects most meaningful to librarians, this valuable resource reviews 500 texts across all major fields. Drawing on their collective experience in reference services and sifting through nearly 30,000 reviews in ARBAonline, editors Steven Sowards, associate director for collection at Michigan State University Libraries, and Juneal Chenoweth, editor of American Reference Books Annual, curated this collection of titles, most of which have been published since 2000, to serve collections and reference librarians in academic and public libraries. From the Encyclopedia of Philosophy and the Social Sciences and Encyclopedia of the Civil War to the Encyclopedia of Physics, Encyclopedia of Insects, and Taylor's Encyclopedia of Garden Plants to the formidable Oxford English Dictionary, The Reference Librarian's Bible encompasses every subject imaginable

and will be your first stop for choosing and evaluating your library's collections as well as for answering patrons' questions.

Reference and Information Services Kay Ann Cassell ,Uma Hiremath,2019-01-04 Designed to complement every introductory library reference course, this is the perfect text for students and librarians looking to expand their personal reference knowledge, teaching failsafe methods for identifying important materials by matching specific types of questions to the best available sources, regardless of format. Guided by a national advisory board of educators and practitioners, this thoroughly updated text expertly keeps up with new technologies and practices while remaining grounded in the basics of reference work. Chapters on fundamental concepts, major reference sources, and special topics provide a solid foundation; the text also offers fresh insight on core issues, including ethics, readers' advisory, information literacy, and other key aspects of reference librarianship;selecting and evaluating reference materials, with strategies for keeping up to date;assessing and improving reference services;guidance on conducting reference interviews with a range of different library users, including children and young adults;a new discussion of reference as programming;important special reference topics such as Google search, 24/7 reference, and virtual reference; anddelivering reference services across multiple platforms As librarians experience a changing climate for all information services professionals, in this book Cassell and Hiremath provide the tools needed to manage the ebb and flow of changing reference services in today's libraries.

Western Mesoamerican Calendars and Writing Systems Mikkel Bøg Clemmensen,Christophe Helmke,2023-06-08
Mesoamerica is one of the few places to witness the independent invention of writing. Bringing together new research, papers discuss the writing systems of Teotihuacan, Mixteca Baja, the Epiclassic period and Aztec writing of the Postclassic. These writing systems represent more than a millennium of written records and literacy in Mesoamerica.
