From fireworks and ice-cream trucks, to lemonade stands and late bedtimes, to swimming in the lake and toasting marshmallows, there’s something for everyone in this bright and buoyant celebration of the sunny season. Tom Brenner’s lovely, lyrical ode to summers spent outdoors will strike a chord with anyone who’s ever counted down the days until school gets out, and Jaime Kim’s jubilant, nostalgia-soaked illustrations leave little doubt that summer is indeed a time unlike any other.

**Women Living Well** Courtney Joseph Fallick,2013-10-08 Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. **The Summer That Made Us** Robyn Carr,2017-09-05 From the bestselling author of the hit Netflix series *Virgin River*! They lived for summers at the family lake house until an accident changed everything. That was then... For the Hempsteads, two sisters who married two brothers and had three daughters each, summers were idyllic. The women would escape the city the moment school was out to gather at the family house on Lake Waseka. It was a magical place, a haven where they were happy and carefree. All of their problems drifted away as the days passed in sun-dappled contentment. Until the summer that changed everything. This is now... After an accidental drowning turned the lake house into a site of tragedy and grief, it was closed up. For good. None of the Hempstead women speak of what happened that summer, and relationships between them are uneasy at best to hurtful at worst. But in the face of new challenges, one woman is determined to draw her family together again, and the only way that can happen is to return to the lake and face the truth. An unforgettable story about a family learning to accept the past, to forgive and to love each other again.
