One Reckless Summer Toni Blake,2009-05-26 It's tough to play it cool on a sultry summer night . . . The perfect daughter. The perfect prom queen. The perfect wife. Jenny Tolliver's been the good girl all her life, and it's gotten her nowhere. Now that her marriage has been busted up by her cheating ex, she's decided it's time to regroup and rediscover herself. This summer she's headed back to her hometown of Destiny, Ohio, to the very lakeshore cottage where she grew up, to figure out what life holds in store for her next. She never dreamed the answer would be Mick Brody, Destiny's #1 hellraiser. He comes from the wrong side of the tracks (or in his case, the lake), and he's landed in hot water more times than he can count. He's exactly the kind of guy Jenny's always kept her distance from . . . but soon the good girl and the bad boy are caught in a raw heat that's out of control. Too bad Mick's got a secret that threatens to tear them apart and ruin Jenny's perfectly, passionately reckless summer . . .

An Appalachian Summer Ann H. Gabhart,2020-06-30 In 1933 Louisville, Kentucky, even the ongoing economic depression cannot keep Piper Danson's parents from insisting on a debut party. After all, their fortune came through the market crash intact, and they've picked out the perfect suitor for their daughter. Braxton Crandall can give her the kind of life she's used to. The only problem? This is not the man--or the life--she really wants. When Piper gets the opportunity to volunteer as a

horseback Frontier Nursing courier in the Appalachian Mountains for the summer, she jumps at the chance to be something other than a dutiful daughter or a kept wife in a loveless marriage. The work is taxing, the scenery jaw-droppingly gorgeous, and the people she meets along the way open up a whole new world to her. The longer she stays, the more an advantageous marriage slips from her grasp. But something much more precious--true love--is drawing ever closer. Bestselling author Ann H. Gabhart invites you into the storied hills of Eastern Kentucky to discover what happens when one intrepid young woman steps away from the restrictive past into a beautiful, wide-open future.

The Summer That Made Us Robyn Carr,2017-09-05 From the bestselling author of the hit Netflix series Virgin River! They lived for summers at the family lake house until an accident changed everything. That was then... For the Hempsteads,

two sisters who married two brothers and had three daughters each, summers were idyllic. The women would escape the city the moment school was out to gather at the family house on Lake Waseka. It was a magical place, a haven where they were happy and carefree. All of their problems drifted away as the days passed in sun-dappled contentment. Until the summer that changed everything. This is now... After an accidental drowning turned the lake house into a site of tragedy and grief, it was closed up. For good. None of the Hempstead women speak of what happened that summer, and relationships between them are uneasy at best to hurtful at worst. But in the face of new challenges, one woman is determined to draw her family together again, and the only way that can happen is to return to the lake and face the truth. An unforgettable story about a family learning to accept the past, to forgive and to love each other again. Don't miss Robyn Carr's next uplifting novel, *The Friendship Club*, where four women come together at a tumultuous time in their lives, forging an unbreakable bond that will leave them all forever changed—available January 2024! Summer Melt Benjamin L. Castleman, Lindsay C. Page, 2020-01-15 Under increasing pressure to raise graduation rates and ensure that students leave high school college- and career-ready, many school and district leaders may believe that, when students graduate with college acceptances in hand, their work is done. But as Benjamin L. Castleman and Lindsay C. Page show, summer can be a time of significant attrition among college-intending seniors—especially those from low-income families. Anywhere from 10 to 40 percent of students presumed to be headed to college fail to matriculate at any postsecondary institution in the fall following high school. *Summer Melt* explores the complex factors that contribute to this trend—the absence of school support, confusion over paperwork, lack of parental guidance, and the teenage tendency to procrastinate. The authors draw on findings from fields such as neuroscience, behavioral economics, and social psychology to contextualize these factors. Drawing on a series of research studies, they show how schools and districts can develop effective, low-cost, scalable responses—including counselor outreach, peer mentoring, and using text messages and social media—to help students stay on track over the summer. *Summer Melt* offers very practical guidance for schools and districts committed to helping their students make the transition to college.

Stealing Summer Lexi Blake,2020-07-14 From New York Times and USA Today bestseller Lexi Blake comes a new epic-length story in her Thieves/Hunterworld... A daughter lost Summer has spent her whole life wondering about the family she left behind. On the night she came into being she only had a few moments with them. In that brief time, she reached out to her father, looking deep into his soul, and gifted him the will to go on. But now she is the one in need. Once a child made of pure magic, she is forced to live as a mortal. Her power caused great harm, and she has sworn never to let it happen again. With her friends beside her, she tries her best to help those she can. If that requires her to do a little thievery, well, she is her mother's daughter, after all. Everything changes when a woman falls from the sky and Summer meets the handsome vampire named Marcus Vorenius. Just as her past begins to catch up with her, she might have finally met her future. A mother discovered Kelsey Owens went searching for Dev and Marcus but all she found was a trap. She was pulled through a magical painting and thrown smack into the middle of a battle on a foreign plane of existence. Luckily she's good in a fight. Saving the woman targeted by the horde of brutal soldiers, Kelsey is shocked by her resemblance to her queen. As Kelsey investigates the mystery surrounding Summer Donovan-Quinn, she also hunts for a way back to the husbands and son she just claimed. A queen exiled Zoey Donovan-Quinn is not happy. The wizard Myrddin is back, her marriage is troubled, and she is sure those two problems are connected. But nothing is more worrying than Dev's sudden disappearance. When she and Daniel go looking for him, they are drawn into a world thought lost to the Earth plane. Danger awaits them there, but so does the daughter they thought they would never see again. She hopes they survive their reunion. Three heroines. One mystery. And an ending that will change the Thieves world forever...

The Summer of Broken Things Margaret Peterson Haddix,2019-04-09 Fourteen-year-old Avery Armisted and sixteen-year-old Kayla Butts, once good friends, begrudgingly travel to Spain together for a summer vacation where they uncover a secret their families kept hidden from them their entire lives.

Women Living Well Courtney Joseph Fallick,2013-10-08 Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist.

She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Women Living Well is a clear and personal guide to making the most of these precious responsibilities.

A Summer In Sonoma Robyn Carr, 2014-05-01 They've been best friends since seventh grade. But this summer, teetering on the threshold of thirty, four women are going to need each other more than ever. Cassie has sworn off romance after yet another bad date. Yet deep down, she's still looking for Mr. Forever. A long-haired biker doesn't figure into her plans, so where's the harm in touring the back roads of Sonoma on a Harley with Walt Arneson? Julie married her high school sweetheart—who can get her pregnant with a mere glance—too young and now wonders how her life became all about leaky faucets and checkbook balances. Maybe love isn't enough to sustain the hottest couple in town. Marty's firefighter husband has forgotten all about romance, and an old flame begins to look mighty tempting. Beth, a busy doctor trapped in a body that's betrayed her yet again, is becoming a difficult patient and a secretive friend. Life can change in an instant...or a summer. And having old friends to lean on can only up the chances of happily ever after.
