Women Living Well Courtney Joseph Fallick,2013-10-08 Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.

An Appalachian Summer Ann H. Gabhart, 2020-06-30 In 1933 Louisville, Kentucky, even the ongoing economic depression cannot keep Piper Danson's parents from insisting on a debut party. After all, their fortune came through the market crash intact, and they've picked out the perfect suitor for their daughter. Braxton Crandall can give her the kind of life she's used to. The only problem? This is not the man--or the life--she really wants. When Piper gets the opportunity to volunteer as a horseback Frontier Nursing courier in the Appalachian Mountains for the summer, she jumps at the chance to be something other than a dutiful daughter or a kept wife in a loveless marriage. The work is taxing, the scenery jaw-droppingly gorgeous, and the people she meets along the way open up a whole new world to her. The longer she stays, the more an advantageous marriage slips from her grasp. But something much more precious--true love--is drawing ever closer. Bestselling author Ann H. Gabhart invites you into the storied hills of Eastern Kentucky to discover what happens when one intrepid young woman steps away from the restrictive past into a beautiful, wide-open future.

The Summer That Made Us Robyn Carr, 2017-09-05 From the bestselling author of the hit Netflix series *Virgin River*! They lived for summers at the family lake house until an accident changed everything. That was then... For the Hempsteads, two sisters who married two brothers and had three daughters each, summers were idyllic. The women would escape the city the moment school was out to gather at the family house on Lake Waseka. It was a magical place, a haven where they were happy and carefree. All of their problems drifted away as the days passed in sun-dappled contentment. Until the summer that changed everything. This is now... After an accidental drowning turned the lake house into a site of tragedy and grief, it was closed up. For good. None of the Hempstead women speak of what happened that summer, and relationships between them are uneasy at best to hurtful at worst. But in the face of new challenges, one woman is determined to draw her family together again, and the only way that can happen is to return to the lake and face the truth. An unforgettable story about a family learning to accept the past, to forgive and to love each other again. Don't miss Robyn Carr's next uplifting novel, *The Friendship Club*, where four women come together at a tumultuous time in their lives, forging an unbreakable bond that will leave them all forever changed—available January 2024! Summer Melt Benjamin L. Castleman,Lindsay C. Page,2020-01-15 Under increasing pressure to raise graduation rates and ensure that students leave high school college- and career-ready, many school and district leaders may believe that, when students graduate with college acceptances in hand, their work is done. But as Benjamin L. Castleman and Lindsay C. Page show, summer can be a time of significant attrition among college-intending seniors—especially those from low-income families. Anywhere from 10 to 40 percent of students presumed to be headed to college fail to matriculate at any postsecondary institution in the fall following high school. Summer Melt explores the complex factors that contribute to this trend—the absence of school support, confusion over paperwork, lack of parental guidance, and the teenage tendency to procrastinate. The authors draw on findings from fields such as neuroscience, behavioral economics, and social psychology to contextualize these factors. Drawing on a series of research studies, they show how schools and districts can develop effective, low-cost, scalable responses—including counselor outreach, peer mentoring, and using text messages and social media—to help students stay on track over the summer. Summer Melt offers very practical guidance for schools and districts

committed to helping their students make the transition to college.

The Summer of June Jamie Sumner,2023-05-30 From the acclaimed author of Tune It Out and Roll with It comes a “needed, hopeful” (Booklist) middle grade book about a young girl who sets out to overcome her anxiety over the course of one life-changing summer. Twelve-year-old June Delancey is kicking summer off with a bang. She shaves her head and sets two goals: she will beat her anxiety and be the lion she knows she can be, instead of the mouse everyone sees. And she and her single mama will own their power as fierce, independent females. With the help of Homer Juarez, the poetry-citing soccer star who believes in June even when she doesn’t believe in herself, she starts a secret library garden and hatches a plan to make her dreams come true. But when her anxiety becomes too much, everything begins to fall apart. It’s going to take more than a haircut and some flowers to set things right. It’s going to take courage and friends and watermelon pie. Forget second chances. This is the summer of new beginnings.

Tending the Heart of Virtue Vigen Guroian,2023 From Pinocchio to The Chronicles of Narnia to Charlotte's Web, classic children's tales have shaped generations of young people. In recent years, homeschoolers and new classical schools have put these masterpieces of children's literature at the center of their curricula. And these stories continue to be embraced by parents, students, and educators alike. In *Tending the Heart of Virtue*, Vigen Guroian illuminates the power of classic tales and their impact on the moral imagination. He demonstrates how these stories teach the virtues through vivid depictions of the struggle between good and evil, while he also unveils components of the good, the true, and the beautiful in plot and character. With clarity and elegance, Guroian reads deeply into the classic stories. He demonstrates how these stories challenge and enliven the moral imaginations of children. And he shows the reader how to get inside of classic stories and communicate their lessons to the child. For more than two decades *Tending the Heart of Virtue* has been embraced by parents, guardians, and teachers for whom the stories it discusses are not only beloved classics but repositories of moral wisdom. This revised and expanded second edition includes three new chapters in which Guroian interprets such stories as Hans Christian Andersen's *The Ugly Duckling*, the Grimms' *Cinderella*, and John Ruskin's *The King of the Golden River*. The concluding bibliographical essay has also been expanded.

A Summer In Sonoma Robyn Carr, 2014-05-01 They've been best friends since seventh grade. But this summer, teetering on the threshold of thirty, four women are going to need each other more than ever. Cassie has sworn off romance after yet another bad date. Yet deep down, she's still looking for Mr. Forever. A long-haired biker doesn't figure into her plans, so where's the harm in touring the back roads of Sonoma on a Harley with Walt Arneson? Julie married her high school sweetheart—who can get her pregnant with a mere glance—too young and now wonders how her life became all about leaky faucets and checkbook balances. Maybe love isn't enough to sustain the hottest couple in town. Marty's firefighter husband has forgotten all about romance, and an old flame begins to look mighty tempting. Beth, a busy doctor trapped in a body that's betrayed her yet again, is becoming a difficult patient and a secretive friend. Life can change in an instant...or a summer.
